1276 WINDHAM HILL RD. WEST TOWNSHEND, VT 05359

YFS Agroecology Badge: Level 1 Checklist

- 1) Take a nature walk around the farm, paying attention to water, earth, plants, & animals. Bring along a magnifying glass, paper, & colored pencils to draw what you find.
- 2) Which plants & animals that you saw on your walk are part of the farm, & which ones are part of nature?
- 3) What is ecology? Know how nature & the farm work together & help each other.
- 4) How does water move in rivers & ponds? Experiment with swirling water in jars.
- 5) What is irrigation? Shape & change water flow around rivers or ponds to improve irrigation.
- 6) Draw your dream farm, using lots of details & color. Make sure to include wildlife in your picture. Present your design to your classmates.

Have adult or teacher initial and date progress as you complete each task:

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

YFS Annual Gardening Badge: Level 1 Checklist

- 1) Know what tools we use in the garden & how to use them correctly.
- 2) What kind of vegetables, herbs, & fruit do we grow on the farm?
- 3) How do flowering plants help insects & bees, & vice versa?
- 4) Know about companion planting: tomatoes & basil, Native American Three Sisters.
- 5) What is composting, & how does it make the soil healthy?
- 6) Practice planting, watering, weeding, & composting in the garden. How much water & sunshine does each plant need to be happy?
- 7) Harvest and taste the crop yourself! Learn how to prepare and process the harvest.
- 8) Draw a colorful picture of your dream garden. Share design with classmates and family.

Have adult or teacher initial and date progress as you complete each task:

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____
