

00:05:44 - 00:05:45

The oft

00:05:47 - 00:05:49

and I always say

00:05:50 - 00:05:53

whenever we criticize something that we don't criticize

00:05:53 - 00:05:56

individuals of his servants of the government or individual

00:05:56 - 00:05:59

police officers who are forced to

00:05:59 - 00:06:03

do that duty and uh but

00:06:03 - 00:06:06

we criticized wrong politics and

00:06:06 - 00:06:09

policies This Policy's not having

00:06:09 - 00:06:11

sent it's man made

00:06:16 - 00:06:19

And this is why of course I would

00:06:19 - 00:06:22

criticize people who embark upon a

00:06:22 - 00:06:26

wrong politics and wrong policies

00:06:26 - 00:06:29

and promote propaganda and

00:06:29 - 00:06:33

enough clamorous and that brings me

00:06:33 - 00:06:36

to the end of the two Liliana who would say you wanted to words

00:06:36 - 00:06:40

to Right to have you here to see that you made

00:06:40 - 00:06:42

Many horrible things have occurred on

00:19:43 - 00:19:47

this planet and our

00:19:48 - 00:19:51

Happening even now we don't want to make

00:19:51 - 00:19:55

any comparisons and we don't want to do that We're not allowed to and we don't want

00:19:55 - 00:19:58

00:19:58 - 00:20:01

00:20:04 - 00:20:05

bud

00:20:13 - 00:20:15

We as physicians for

00:20:25 - 00:20:28

oath criminal start from Austria Alitalia group

00:20:28 - 00:20:31

not willing to have this

00:20:45 - 00:20:49
craziness to be repeated That's why we stand

00:20:49 - 00:20:52
here today and

00:20:52 - 00:20:55
we commemorated the

00:20:55 - 00:20:57
victims of

00:20:58 - 00:21:01
National Socialism which was the

00:21:01 - 00:21:04
basis for the Nuremberg code

And in this spirit I wish for all

00:21:08 - 00:21:11
of us A an

00:21:11 - 00:21:14

afternoon which will bring us all together and let's

00:21:14 - 00:21:16

celebrate this moment

00:21:22 - 00:21:26

Bulletin Kleiner Should I

00:21:26 - 00:21:28

Give me a note Didn't think we will

00:21:28 - 00:21:31

now have a minute of

00:21:31 - 00:21:35

silence Two

00:21:35 - 00:21:38

Commemorate the victims of the Holocaust together

00:21:39 - 00:21:42

We shall have a minute of silence

00:22:55 - 00:22:56

Thank you

00:23:08 - 00:23:11

I think this might 50 moderate the

00:23:11 - 00:23:15

next point on our agenda I should like to

00:23:15 - 00:23:18

present to you the moderator for this

00:23:18 - 00:23:21

afternoon Dr

00:23:21 - 00:23:22

Sabine Hamilton

00:23:30 - 00:23:31

Yeah

00:23:33 - 00:23:35

Yes I should also like to welcome all of

00:23:35 - 00:23:38

you in this

00:23:38 - 00:23:42

historic city where 75

00:23:42 - 00:23:45

years ago the code of

00:23:45 - 00:23:48

Nuremberg was manifested it has 10

00:23:48 - 00:23:52

principles And These

00:23:52 - 00:23:55

are still valid back then

00:23:55 - 00:23:59

now and also tomorrow and we're here

00:23:59 - 00:24:02

now because we want to

00:24:03 - 00:24:06

Remind ourselves and everybody that this code of code

00:24:06 - 00:24:09

is existent and that

00:24:09 - 00:24:13

it it monitors us as

00:24:13 - 00:24:16

physicians and also for everybody that

00:24:16 - 00:24:19

we shall not forget the code

00:24:19 - 00:24:22

We must take it to a hearts and

00:24:22 - 00:24:26

as doctors we have to make sure

00:24:26 - 00:24:29

that it does not lose its validity

00:24:29 - 00:24:32

And that it is not compromised or

00:24:32 - 00:24:34

changed in any way

00:24:47 - 00:24:51

The Nuremberg code is a

00:24:51 - 00:24:54

story guideline to

00:24:54 - 00:24:56

use medical languages in

00:24:57 - 00:25:00

ethical command ethical

00:25:00 - 00:25:04

mandate and there is no discussion

00:25:04 - 00:25:08

as to its validity That's the way it is and that's why we're

00:25:08 - 00:25:09

here today

00:25:18 - 00:25:22

Number of but we are also allowed to ask

00:25:22 - 00:25:24

questions asking questions It's always

00:25:24 - 00:25:28

permitted I once learned there is no

00:25:28 - 00:25:31

such thing as a stupid question And We

00:25:31 - 00:25:35

shall remember that we are allowed to ask questions

00:25:35 - 00:25:37

We can be critical And We need to

00:25:37 - 00:25:41

question things and we have to

00:25:41 - 00:25:43

question as to what extent

00:25:44 - 00:25:46

the code of Nuremberg

00:25:47 - 00:25:50

is still valid in our

00:25:50 - 00:25:53

work as doctors and

00:25:53 - 00:25:56

in the work with patients and we have

00:25:56 - 00:25:59

to deal with it in a critical fashion and that's our

00:25:59 - 00:26:01

obligation It's our duty

00:26:09 - 00:26:12

Pretty hard to get site for today

00:26:14 - 00:26:17

We must take to heart

00:26:17 - 00:26:20

that we have to be

00:26:23 - 00:26:26

Vigilant and white awake

00:26:27 - 00:26:30

and we must keep asking each and every

00:26:30 - 00:26:33

doctor to stick to the guidelines

00:26:33 - 00:26:36

of the Nuremberg code That's our ethical

00:26:36 - 00:26:37

duty

00:26:45 - 00:26:49

Last year doesn't work You may know Perhaps

00:26:49 - 00:26:51

that we

00:26:51 - 00:26:54

have a into international

00:26:54 - 00:26:58

program of presenters here today We have

00:26:58 - 00:27:01

been preparing this over weeks so that it looks the way

00:27:01 - 00:27:05

it is that our engineering is

00:27:05 - 00:27:08

find that there is a backstage area that all of

00:27:08 - 00:27:11

you can be here On this beautiful

00:27:11 - 00:27:15

meadow in Nuremberg and at this point of time I should like

00:27:15 - 00:27:18

to say thank you to my team to my teams I should

00:27:18 - 00:27:21

say who worked with me and

00:27:21 - 00:27:25

together we prepared this program Thank

00:27:25 - 00:27:27

you to all of you

00:27:35 - 00:27:39

00:27:39 - 00:27:42

00:27:42 - 00:27:46

announcement of this event and it's a great sign

00:27:46 - 00:27:48

that we all collaborate on this

00:27:55 - 00:27:58

No We move on to our guest of

00:27:58 - 00:28:01

00:28:01 - 00:28:05

to be able to present her I'm

00:28:05 - 00:28:07

very proud that she joined us

00:28:08 - 00:28:11

and that she is the

00:28:11 - 00:28:13

00:28:14 - 00:28:17

Give a speech and the central speech because she

00:28:17 - 00:28:20

herself has not only traveled from far

00:28:20 - 00:28:23

00:28:24 - 00:28:27

a historic historically important

00:28:27 - 00:28:30

past As a child she was deported into a

00:28:30 - 00:28:33

concentration camp She herself

00:28:33 - 00:28:36

survived the Holocaust and

00:28:36 - 00:28:39

for many years now She is

00:28:39 - 00:28:42

committed to the cause

00:28:43 - 00:28:46

of people who for some reason sometimes even

00:28:46 - 00:28:50

without their knowledge are included in a

00:28:50 - 00:28:53

medical experiments and she is a

Medical experiments they lines for human research protection

00:29:06 - 00:29:09

It's a quick it's a source

00:29:09 - 00:29:13

of information is also an organization of protection

00:29:13 - 00:29:16

which has as its aim to

00:29:16 - 00:29:19

Who break down the

00:29:19 - 00:29:22

walls of secrecy

00:29:22 - 00:29:25

in these medical experiments so

00:29:25 - 00:29:28

please welcome with me

00:29:28 - 00:29:30

Vera shut off

00:29:45 - 00:29:45

Yeah

00:29:52 - 00:29:53

It was like great

00:30:01 - 00:30:02

And We just do this

00:30:04 - 00:30:08

Okay Sorry about that

00:30:10 - 00:30:11

Seconds

00:30:24 - 00:30:25

It's always

00:30:29 - 00:30:29

It's

00:30:30 - 00:30:32

You know

00:30:33 - 00:30:35

Okay Now let's see

00:30:36 - 00:30:37

Turn it on

00:30:46 - 00:30:47

You're good okay

00:30:53 - 00:30:56

I came to Nuremberg to provide

00:30:56 - 00:30:58

historical context to the

00:30:58 - 00:31:02

current global threat Confronting

00:31:02 - 00:31:05

our civilization These

00:31:05 - 00:31:08

past two years and a half have been especially

00:31:08 - 00:31:12

stressful As Painful memories were

00:31:12 - 00:31:13

rekindled

00:31:15 - 00:31:18

In 1941 I was 3.5 years

00:31:18 - 00:31:21

old My family was forced from our home and

00:31:21 - 00:31:23

Romania to Ukraine

00:31:25 - 00:31:28

We were herded into a concentration camp

00:31:29 - 00:31:31

Essentially left to starve

00:31:32 - 00:31:35

Get was everywhere Death was the

00:31:35 - 00:31:39

cloud above us My father

00:31:39 - 00:31:42

died at the camp of typhus An

00:31:42 - 00:31:45

infectious disease that was rampant in all

00:31:45 - 00:31:48

the Concentration camps and ghettos

00:31:49 - 00:31:52

for lack of any sanitary conditions

00:31:57 - 00:31:59

In 1944

00:32:01 - 00:32:04

As The final solution was being aggressively

00:32:04 - 00:32:05

implemented

00:32:06 - 00:32:07

Romania

00:32:09 - 00:32:12

Dislodged from its alliance with Nazi

00:32:12 - 00:32:15

Germany And The government

00:32:15 - 00:32:19

allowed several 100 orphan

00:32:19 - 00:32:22

Jewish Children to return to Romania If

00:32:22 - 00:32:24

They had a relative there

00:32:26 - 00:32:29

Although I was not An orphan My mother

00:32:29 - 00:32:31

lied to save my life

00:32:34 - 00:32:38

I boarded a cattle car train The

00:32:38 - 00:32:41

very same train that continued

00:32:42 - 00:32:43

To bring Jews to the death camps

00:32:46 - 00:32:49

What number Four years

00:32:49 - 00:32:52

elapsed before I was reunited with my

00:32:52 - 00:32:52

mother

00:32:55 - 00:32:58

The Holocaust serves as an archetypal

00:32:58 - 00:33:01

symbol of unmitigated

00:33:01 - 00:33:02

evil

00:33:05 - 00:33:07

Moral norms and human

00:33:07 - 00:33:10

values were systematically

00:33:10 - 00:33:13

obliterated The Nazi

00:33:13 - 00:33:16

system destroyed social conscience

00:33:18 - 00:33:19

Millions of people

00:33:21 - 00:33:24

Were worked to death as slave

00:33:24 - 00:33:27

laborers Others

00:33:27 - 00:33:30

were abused in

00:33:30 - 00:33:33

experimental as experimental human guinea

00:33:33 - 00:33:34

pigs

00:33:35 - 00:33:38

The Holocaust did not begin in the gas chambers

00:33:39 - 00:33:42

of Auschwitz or Treblinka The

00:33:42 - 00:33:44

Holocaust was preceded by nine

00:33:44 - 00:33:47

years of incremental

00:33:47 - 00:33:51

restrictions And And

00:33:51 - 00:33:54

personal freedom And the suspension of

00:33:54 - 00:33:57

legal rights Civil rights and

00:33:57 - 00:33:59

essentially human rights

00:34:10 - 00:34:13

The stage was set By

00:34:13 - 00:34:16

fearmongering And hate mongering

00:34:16 - 00:34:19

propaganda A series of

00:34:19 - 00:34:22

humiliating discriminatory government

00:34:22 - 00:34:25

edict Demonized Jews as

00:34:25 - 00:34:27

spreaders of disease

00:34:29 - 00:34:31

We were compared to life

00:34:34 - 00:34:37

The real viral disease that infected Nazi

00:34:37 - 00:34:39

Germany was eugenics

00:34:40 - 00:34:43

Eugenics is the elitist ideology

00:34:45 - 00:34:47

At the root of all genocides

00:34:48 - 00:34:49

Yeah

00:34:56 - 00:34:59

Eugenics is cloaked in the mantle of

00:34:59 - 00:35:03

pseudoscience It was embraced

00:35:03 - 00:35:06

by the academic The medical

00:35:06 - 00:35:09

establishment as well as the judiciary

00:35:09 - 00:35:12

Both in Germany and the United States

00:35:15 - 00:35:18

Eugenicist justify social and

00:35:18 - 00:35:21

economic inequality

00:35:22 - 00:35:25

They Legitimize discrimination

00:35:25 - 00:35:27

apartheid sterilization

00:35:27 - 00:35:30

euthanasia and genocide

00:35:32 - 00:35:35

The Nazis called it ethnic cleansing

00:35:36 - 00:35:39

To protect the gene pool

00:35:41 - 00:35:44

Medicine was perverted from its healing

00:35:44 - 00:35:46

mission and was weaponized

00:35:47 - 00:35:51

First It was to control

00:35:51 - 00:35:53

reproduction through forced

00:35:53 - 00:35:56

sterilization And

00:35:56 - 00:35:57

then

00:35:59 - 00:36:02

And Then It was to eliminate those deemed to

00:36:02 - 00:36:05

be subhuman Mention

00:36:07 - 00:36:10

The first victims of medical murder Were

00:36:10 - 00:36:13

1000 German infants and

00:36:13 - 00:36:16

toddlers under the age of three

00:36:20 - 00:36:23

The murders operation was expanded

00:36:23 - 00:36:26

to an estimated 10,000 Children

00:36:26 - 00:36:29

German Children Under the age of

00:36:29 - 00:36:30

17

00:36:32 - 00:36:35

The Next victims were the mentally ill

00:36:35 - 00:36:38

Followed by The elderly in nursing

00:36:38 - 00:36:42

homes All of these human

00:36:42 - 00:36:44

beings were condemned as

00:36:44 - 00:36:46

worthless eaters

00:36:48 - 00:36:51

Under Operation T four

00:36:52 - 00:36:56

Designated hospitals were turned into

00:36:56 - 00:36:59

killing centers Where

00:36:59 - 00:37:02

various extermination methods were

00:37:02 - 00:37:05

tested Including

00:37:05 - 00:37:08

Zyklon B The gas produced in the gas

00:37:08 - 00:37:09

chambers

00:37:11 - 00:37:15

The objective of the final solution

00:37:15 - 00:37:18

was the annihilation of the entire

00:37:18 - 00:37:21

European Jewish population which at the time

00:37:21 - 00:37:22

was 11 million

00:37:25 - 00:37:28

The Nazis and acted discriminatory laws

00:37:29 - 00:37:32

They utilized modern technology

00:37:32 - 00:37:34

Low cost industrial

00:37:34 - 00:37:37

methods and efficient

00:37:37 - 00:37:40

transportation system

00:37:41 - 00:37:44

And a highly trained

00:37:44 - 00:37:47

bureaucracy that coordinated the

00:37:47 - 00:37:50

industrial genocidal process

00:37:52 - 00:37:54

The objective was high speed

00:37:55 - 00:37:58

Maximum efficiency and low cost

00:38:00 - 00:38:04

The human casualties of this unprecedented

00:38:04 - 00:38:07

genocide were six million Jews and

00:38:07 - 00:38:10

nine million other people whom the

00:38:11 - 00:38:12

dehumanized as intimate

00:38:14 - 00:38:18

The purpose of Holocaust memorials

00:38:18 - 00:38:21

Is to warn and inform

00:38:22 - 00:38:25

Future generations about how

00:38:25 - 00:38:29

And enlightened civilized society

00:38:29 - 00:38:32

can be transformed into a genocidal

00:38:32 - 00:38:36

universe ruled by absolute

00:38:36 - 00:38:37

moral depravity

00:38:49 - 00:38:51

If We are to avert another

00:38:51 - 00:38:54

Holocaust We must

00:38:54 - 00:38:57

identify ominous current

00:38:57 - 00:39:00

parallels before they poisoned the

00:39:00 - 00:39:02

fabric of society

00:39:11 - 00:39:14

Since the Nazi era The study of

00:39:14 - 00:39:16

history and most of the humanities

00:39:16 - 00:39:20

including philosophy religion and ethics

00:39:20 - 00:39:23

Have been overshadowed

00:39:23 - 00:39:26

by an emphasis on utilitarian

00:39:26 - 00:39:29

science and technology As a

00:39:29 - 00:39:33

result few people recognized for

00:39:33 - 00:39:36

voting similarities between current

00:39:36 - 00:39:39

policies and those under the Nazi regime

00:39:40 - 00:39:42

By declaring a state of emergency in

00:39:42 - 00:39:45

1933 and 2020

00:39:46 - 00:39:49

constitutionally protected personal

00:39:49 - 00:39:52

freedom legal rights and civil rights were swept

00:39:52 - 00:39:53

aside

00:40:01 - 00:40:04

Repressive discriminatory decrease

00:40:04 - 00:40:07
followed In 1933 the

00:40:07 - 00:40:10
primary target of discrimination were Jews

00:40:10 - 00:40:14
today The Target is people who refuse to

00:40:14 - 00:40:17
be injected with experimental genetically

00:40:17 - 00:40:20
engineered so called vaccines

00:40:31 - 00:40:34
Then and now government dictates

00:40:34 - 00:40:37
were crafted to eliminate segments of the

00:40:37 - 00:40:40
population In 2020

00:40:40 - 00:40:43
Government dictates forbade hospitals

00:40:43 - 00:40:46
From treating the elderly in nursing homes

00:40:47 - 00:40:49
The result was mass murder

00:40:58 - 00:41:01
Government decreased today continue to forbid

00:41:01 - 00:41:04
doctors to prescribe lifesaving

00:41:04 - 00:41:06

fully approved FDA

00:41:07 - 00:41:10

Medicines that they must follow

00:41:10 - 00:41:13

Government dictated protocols and those

00:41:13 - 00:41:14

continue to kill

00:41:20 - 00:41:24

The media is silent as it was then

00:41:32 - 00:41:35

The media broadcast a single

00:41:35 - 00:41:38

government dictated narrative just

00:41:38 - 00:41:41

as it had under the Nazis

00:41:48 - 00:41:50

State censorship silences

00:41:51 - 00:41:54

opposing views And Nazi Germany

00:41:54 - 00:41:58

Few individuals objected and those that

00:41:58 - 00:42:00

did were sent to concentration camps

00:42:01 - 00:42:04

Today Doctors and

00:42:04 - 00:42:07

scientists who challenged the approved

00:42:07 - 00:42:10

narrative are maligned and their

00:42:10 - 00:42:12

reputations are trashed

00:42:13 - 00:42:17

They risk losing their license to practice

00:42:17 - 00:42:21

As well as having their homes and workplaces

00:42:21 - 00:42:22

rated by SWAT teams

00:42:29 - 00:42:33

The most significant The moral

00:42:33 - 00:42:36

significance of the Nuremberg code cannot

00:42:36 - 00:42:39

be overstated The Nuremberg

00:42:39 - 00:42:42

code is the most authoritative

00:42:42 - 00:42:45

internationally recognized document in the

00:42:45 - 00:42:47

history of medical ethics

00:42:58 - 00:43:01

This landmark document was

00:43:01 - 00:43:05

formulated in response to the evidence

00:43:05 - 00:43:08

of medical atrocities committed By

00:43:08 - 00:43:11

Nazi physicians and scientists The code

00:43:11 - 00:43:15

sets forth moral boundaries of

00:43:15 - 00:43:18

research involving human beings

00:43:19 - 00:43:22

The Nuremberg code rejects the ideology

00:43:22 - 00:43:25

of eugenics and unquestionably

00:43:25 - 00:43:29

asserts the primacy and dignity of

00:43:29 - 00:43:31

the individual human being

00:43:42 - 00:43:45

The primacy of the individual as opposed to the

00:43:45 - 00:43:47

greater good of the state Our

00:43:47 - 00:43:49

society

00:43:50 - 00:43:51

Look

00:43:53 - 00:43:56

I always have trouble Thank you Hmm I always have

00:43:56 - 00:43:59

trouble with Technology so please

00:44:00 - 00:44:03

Uh it went a little bit too big okay

00:44:04 - 00:44:06

Now let's see Sorry

00:44:08 - 00:44:09

Um

00:44:17 - 00:44:19

Rent its own way Okay The American

00:44:19 - 00:44:23

jurors who formulated the Nuremberg code

00:44:23 - 00:44:25

incorporated the official

00:44:26 - 00:44:29

1931 German guidelines for

00:44:29 - 00:44:32

human experimentation They were

00:44:32 - 00:44:36

authored by Dr Julius Moses Now

00:44:36 - 00:44:39

The guidelines remained legally in force

00:44:39 - 00:44:42

until 1945 but of course the

00:44:42 - 00:44:46

Nazis completely disregarded them and

00:44:46 - 00:44:49

they deported Dr Moses to Teresa and stock where he

00:44:49 - 00:44:50

died

00:44:53 - 00:44:56

The Nuremberg code defined foundational

00:44:56 - 00:44:58

universal moral and legal

00:44:58 - 00:45:01

standards affirming the fundamental

00:45:01 - 00:45:04

human rights Human rights

00:45:04 - 00:45:07

apply to every human being every

00:45:07 - 00:45:10

race creed and color It makes no difference

00:45:10 - 00:45:13

We are one Human

00:45:13 - 00:45:14

family

00:45:29 - 00:45:32

Equally important The Nuremberg called

00:45:32 - 00:45:35

holds doctors and research

00:45:35 - 00:45:38

investigators personally responsible

00:45:38 - 00:45:41

to ensure that human subjects

00:45:41 - 00:45:44

safety and to ensure that the person

00:45:44 - 00:45:47

freely gave his voluntary fully

00:45:47 - 00:45:49

informed consent

00:45:57 - 00:46:00

The standards of the Nuremberg code are incorporated into

00:46:00 - 00:46:04

the International Criminal code They are legally

00:46:04 - 00:46:07

applicable today in peacetime and

00:46:07 - 00:46:10

during war The objective of the

00:46:10 - 00:46:13

Nuremberg code is to ensure that

00:46:13 - 00:46:16

medicine never again deviates

00:46:16 - 00:46:19

from its Ethical

00:46:19 - 00:46:22

precautionary principle First do

00:46:22 - 00:46:24

no harm

00:46:34 - 00:46:37

The Nuremberg code has served As a blueprint

00:46:37 - 00:46:40

for subsequent national and international

00:46:40 - 00:46:44

codes of human rights to ensure

00:46:44 - 00:46:46

that the rights and dignity of the

00:46:46 - 00:46:50

humans are upheld and to ensure that

00:46:50 - 00:46:53

medical doctors never again

00:46:53 - 00:46:56

engage in morally abhorrent

00:46:56 - 00:46:57

experiments

00:47:05 - 00:47:08

Like the 10 Commandments Not a

00:47:08 - 00:47:10

word of the Nuremberg code may be

00:47:10 - 00:47:12

changed

00:47:18 - 00:47:20

The first of the 10 Ethical

00:47:20 - 00:47:23

principles lays down the foremost

00:47:23 - 00:47:27

ethical requirement which is spelled out in great

00:47:27 - 00:47:30

detail and I'll read it The voluntary

00:47:30 - 00:47:33

consent of the human subject is absolutely

00:47:33 - 00:47:34

essential

00:47:42 - 00:47:45

This means that the person involved

00:47:45 - 00:47:49

should have legal capacity to give consent

00:47:49 - 00:47:52

Should be so situated as to be able to

00:47:52 - 00:47:56

exercise free power of choice

00:47:56 - 00:47:59

without the intervention of any element of force

00:47:59 - 00:48:03

constraint or coercion and should have

00:48:03 - 00:48:06

sufficient knowledge and comprehension

00:48:06 - 00:48:09

of the elements of the subject matter

00:48:09 - 00:48:13

involved As to enable him to make

00:48:13 - 00:48:15

an understanding and enlightened

00:48:15 - 00:48:17

decision This

00:48:17 - 00:48:20

requires That before the

00:48:20 - 00:48:23

acceptance of an affirmative decision

00:48:27 - 00:48:30

Uh Got stuck again

00:48:31 - 00:48:31

Sorry

00:48:33 - 00:48:34

Okay

00:48:39 - 00:48:41

Okay

00:48:44 - 00:48:44

Okay

00:48:47 - 00:48:50

The subject should be informed of the nature

00:48:50 - 00:48:53

duration and purpose of the experiment The

00:48:53 - 00:48:56

method and the means by which it is to be

00:48:56 - 00:48:59

conducted all inconveniences and

00:48:59 - 00:49:02

hazards reasonably to be expected and the

00:49:02 - 00:49:06

effects upon his health or person

00:49:06 - 00:49:09

which may possibly come from his participation

00:49:09 - 00:49:13

in the experiment Were any of you told about all

00:49:13 - 00:49:16

this When You were offered the injections the experimental

00:49:16 - 00:49:18

injections I doubt it

00:49:25 - 00:49:28

Now their duty and responsibility for

00:49:28 - 00:49:31

Ascertaining the quality of the consent

00:49:31 - 00:49:35

rests upon each individual

00:49:35 - 00:49:37

who initiates directs

00:49:37 - 00:49:40

engages in the experiment It is their

00:49:40 - 00:49:44

personal responsibility which may not be

00:49:44 - 00:49:47

delegated to another with impunity

00:49:55 - 00:49:59

The genocidal culture that permeated the Nazi

00:49:59 - 00:50:02

regime did not end in 1945

00:50:03 - 00:50:06

It metastasized in the United States

00:50:07 - 00:50:10

At the end of the war U s government agents

00:50:10 - 00:50:13

helped 1600 high

00:50:13 - 00:50:17

ranking Nazi scientists doctors

00:50:17 - 00:50:19

and engineers to evade justice at

00:50:19 - 00:50:21

Nuremberg

00:50:23 - 00:50:26

These Nazi technocrats

00:50:26 - 00:50:29

facilitated the murderous Nazi

00:50:29 - 00:50:32

operations They were Hitler's partners in

00:50:32 - 00:50:34

crimes against humanity

00:50:35 - 00:50:38

They were secretly smuggled into the United

00:50:38 - 00:50:41

states under operation Paperclip

00:50:43 - 00:50:47

And This was done in violation of an explicit

00:50:47 - 00:50:49

order by President Harry Truman

00:50:51 - 00:50:54

These Nazi criminals were placed in high

00:50:54 - 00:50:58

positions at major American

00:50:58 - 00:51:01

Scientific Centers as

00:51:01 - 00:51:04

well as medical centers and they continued their

00:51:04 - 00:51:07

work What's more these Nazi

00:51:07 - 00:51:11

technocrats trained a generation of

00:51:11 - 00:51:14

American scientists doctors and engineers

00:51:14 - 00:51:18

This is how Nazi methods and the

00:51:18 - 00:51:21

immoral disregard for human values were

00:51:21 - 00:51:23

entrenched in America

00:51:29 - 00:51:32

In 1961 in his farewell

00:51:32 - 00:51:35

address to the nation President Dwight

00:51:35 - 00:51:39

D Eisenhower warned against the increasing

00:51:39 - 00:51:42

domination of the military industrial

00:51:42 - 00:51:43

complex

00:51:45 - 00:51:48

He was total influence Economic

00:51:48 - 00:51:51

political Even spiritual he said is

00:51:51 - 00:51:54

felt everywhere Eisenhower

00:51:54 - 00:51:57

warned We must be alert to the

00:51:57 - 00:52:00

danger that public

00:52:00 - 00:52:04

policy could itself become The

00:52:04 - 00:52:07

captive of a scientific technological

00:52:07 - 00:52:08

elite

00:52:10 - 00:52:13

This is who is behind

00:52:13 - 00:52:15

the covid pandemic

00:52:27 - 00:52:30

In 1979 A report

00:52:30 - 00:52:33

to the president of the United States by the U S

00:52:33 - 00:52:36

commission On the Holocaust

00:52:36 - 00:52:39

Chaired by Auschwitz survivor Elie

00:52:39 - 00:52:42

Weisel warned The

00:52:42 - 00:52:45

inclination to duplicate the Nazi

00:52:45 - 00:52:48

option and once again exterminate millions of

00:52:48 - 00:52:51

people Remains a hideous

00:52:51 - 00:52:52

threat

00:52:54 - 00:52:57

Those who declare That Holocaust

00:52:57 - 00:53:00

analogies are off limits Are

00:53:00 - 00:53:03

betraying the victims of the Holocaust by

00:53:03 - 00:53:05

denying the relevance of the

00:53:05 - 00:53:07

Holocaust

00:53:16 - 00:53:20

The Nuremberg code has served as the foundation

00:53:20 - 00:53:23

For ethical clinical research since its

00:53:23 - 00:53:25

publication 75 years ago

00:53:27 - 00:53:30

The Covid pandemic is being exploited as an

00:53:30 - 00:53:34

opportunity to overturn The moral

00:53:34 - 00:53:37

and legal parameters laid down by the Nuremberg

00:53:37 - 00:53:37

code

00:53:40 - 00:53:42

The Nuremberg code is our defense

00:53:43 - 00:53:46

against abusive experimentation

00:53:58 - 00:54:01

Humanity is currently under

00:54:01 - 00:54:04

siege by the global heirs to the

00:54:04 - 00:54:07

Nazis A posse of

00:54:07 - 00:54:10

ruthless Interconnected global

00:54:10 - 00:54:14

billionaires has gained control over

00:54:14 - 00:54:17

national and international policy setting

00:54:17 - 00:54:20

institutions They have embarked

00:54:21 - 00:54:24

And implementing a diabolical agenda

00:54:25 - 00:54:28

Which includes the overthrow of

00:54:28 - 00:54:31

democracy and Western civilization

00:54:33 - 00:54:35

To depopulate the global population

00:54:36 - 00:54:39

To eliminate nation states and establish one

00:54:39 - 00:54:42

world government to eliminate cash and

00:54:42 - 00:54:45

establish one digital currency

00:54:46 - 00:54:49

To inject digital IEDs and

00:54:49 - 00:54:52

artificial intelligence capabilities into

00:54:52 - 00:54:56

every human being If

00:54:56 - 00:54:59

these objectives become a reality We

00:54:59 - 00:55:03

will be digitally Survey 24 hours a

00:55:15 - 00:55:18

world can gnomonic Forum in Davos

00:55:18 - 00:55:21

is Klaus Schwab the architect of the dystopian

00:55:21 - 00:55:24

great research declared and I quote him

00:55:24 - 00:55:27

Let's be clear The future is not just

00:55:27 - 00:55:31

happening The future is built by us

00:55:31 - 00:55:34

A powerful community here in this

00:55:34 - 00:55:37

room we have the means to

00:55:37 - 00:55:40

impose the state of the world

00:55:47 - 00:55:50

The ultimate goal of these megalomaniac is to

00:55:50 - 00:55:53

gain total control Of the natural

00:55:53 - 00:55:57

resources The financial resources

00:55:57 - 00:56:01

and to replace humans with transfer human

Trans humanists despise the

00:57:33 - 00:57:35

road to another Holocaust

00:57:42 - 00:57:45

This time the threat of genocide

00:57:47 - 00:57:50

01:19:06 - 01:19:09

livestream website and you will be able to listen

01:19:09 - 01:19:13

to the Ah interpretation so you

01:19:13 - 01:19:15

01:19:15 - 01:19:18

English And

01:19:18 - 01:19:22

What We know we can continue with

01:19:22 - 01:19:25

today's agenda and the agenda of

01:19:25 - 01:19:28

speakers and I look forward to a very

01:19:28 - 01:19:31

authentic speaker and he's going to

01:19:31 - 01:19:34

talk about what the Nuremberg Codex means for

01:19:34 - 01:19:38

German physicians in this day and age where

01:19:38 - 01:19:41

people are right now How is it is to

01:19:41 - 01:19:43

comply with the code number Codex

01:19:43 - 01:19:47

and where the difficulties so

01:19:47 - 01:19:50

over to Ralph corner very famous physician here

01:19:50 - 01:19:51

in Germany over tiaras

01:20:01 - 01:20:03

Donkey Levi's Sabina Thank you Sabine

01:20:05 - 01:20:08

Thank you to shut off That's

01:20:08 - 01:20:12

the That was perfect Can't get

01:20:12 - 01:20:15

better than that but I try to

01:20:15 - 01:20:17

keep up with the center that you just said

01:20:19 - 01:20:22

The is just mention

01:20:22 - 01:20:25

calling of a physician is to make a sick people well

01:20:25 - 01:20:29

again and that is

01:20:29 - 01:20:31

what Hanneman

01:20:32 - 01:20:35

Road in his first chapter of

01:20:35 - 01:20:38

how to heal people but the very

01:20:38 - 01:20:42

important one is of course Chapter four

01:20:42 - 01:20:43

which I would like to share with you

01:20:50 - 01:20:51

So he didn't

01:20:53 - 01:20:53

Kent

01:20:55 - 01:20:56

And mention

01:20:58 - 01:20:59

Advice

01:21:01 - 01:21:04

Paragraph this chapter number

01:21:04 - 01:21:07

four I feel committed to as a

01:21:07 - 01:21:09

physician And therefore

01:21:15 - 01:21:18

So finish on site feeling and therefore for many

01:21:18 - 01:21:21

years since I happened

01:21:21 - 01:21:24

working on explaining about

01:21:24 - 01:21:28

vaccination and that is a

01:21:28 - 01:21:31

difficult field because the doctor per se cannot be against

01:21:31 - 01:21:35

vaccination because if you are part of the health

01:21:35 - 01:21:38

scheme you are supposed to be in favor of it

01:21:41 - 01:21:45

But I will not vaccinate people against my

01:21:45 - 01:21:46

uh there will

01:21:48 - 01:21:49

Why Am I sharing this with you

01:21:52 - 01:21:55

Well I'm telling you this because

01:21:56 - 01:21:59

physicians who have

01:21:59 - 01:22:02

been dealing with viral infections with

01:22:02 - 01:22:04

pandemics quickly

01:22:04 - 01:22:07

understood would is

01:22:07 - 01:22:10

currently happening in the world

01:22:10 - 01:22:13

Let's think about the

01:22:13 - 01:22:16

porcine influenza

01:22:17 - 01:22:20

video in 2021 I filmed the first

01:22:20 - 01:22:23

video and thus Got

01:22:23 - 01:22:26

into the focal point of the government's

01:22:27 - 01:22:30

If I may express it like that

01:22:39 - 01:22:42

Click it's verse in Deutschland Pass it

01:22:43 - 01:22:46

Escaped feelings happening in Germany There are many

01:22:46 - 01:22:49

doctors more than hundreds of us

01:22:49 - 01:22:52

who Who had their

01:22:53 - 01:22:57

Accounting practice invaded because they

01:22:57 - 01:22:59

had been written

01:22:59 - 01:23:02

prescriptions and medical statements that people should not wear the

01:23:02 - 01:23:05

mask and maybe this

01:23:05 - 01:23:09

wearing face covering and face mask Isn't

01:23:09 - 01:23:12

that an experiment that should just

01:23:12 - 01:23:14

be judged accordingly

01:23:18 - 01:23:20

For me It's hundreds of

01:23:20 - 01:23:22

doctors

01:23:23 - 01:23:26

were in the position that they had to

01:23:26 - 01:23:29

deal with these corona measures by the

01:23:29 - 01:23:32

government and they

01:23:32 - 01:23:36

have people in their offices with people

01:23:36 - 01:23:39

who are sick member Chapter four Holloman When they see

01:23:39 - 01:23:42

that woman that man that child

01:23:43 - 01:23:46

Wendy when they are sick when they

01:23:46 - 01:23:50

have symptoms once they use a

01:23:50 - 01:23:53

mask then it's our job please

01:23:53 - 01:23:56

As of Doctor It's My

01:23:56 - 01:23:59

Job to ride a medical certificate

01:23:59 - 01:24:02

for these people So that they are

01:24:02 - 01:24:05

exempt To it

01:24:05 - 01:24:08

and this tool of the mask

01:24:09 - 01:24:12

has led to the situation

01:24:12 - 01:24:15

that thousands of doctors

01:24:16 - 01:24:18

who for

01:24:18 - 01:24:22

decades have been making people

01:24:22 - 01:24:24

healthy who have been working for the people I know framed

01:24:24 - 01:24:28

as criminals and let me connect that

01:24:28 - 01:24:31

with Mm camera

01:24:31 - 01:24:34

Our Berlin doctor

01:24:34 - 01:24:37
from the Chamber of Doctors

01:24:37 - 01:24:40
frame to this event here

01:24:40 - 01:24:42
saying this is a

01:24:43 - 01:24:46
misuse of the Nuremberg code

01:24:46 - 01:24:50
by the people who are against vaccination

01:24:50 - 01:24:50
campaigns

01:24:55 - 01:24:58
I don't not think that this gentleman is here now

01:24:58 - 01:25:01
Mr Bogart and I would like to ask him to

01:25:01 - 01:25:02
respond to us

01:25:06 - 01:25:09
The melon so they

01:25:09 - 01:25:12
turned doctors into criminals But we're not criminals

01:25:12 - 01:25:15
and we don't feel like criminals We

01:25:15 - 01:25:18
feel that we are in

01:25:18 - 01:25:21
this Nuremberg code

01:25:21 - 01:25:24
and we are deeply rooted in this

01:25:24 - 01:25:27
that we cannot act in any other

01:25:27 - 01:25:28
way

01:25:42 - 01:25:45
But we're tired violate air masking

01:25:45 - 01:25:49
attest Our ski status doctor has

01:25:49 - 01:25:51
been convicted because

01:25:51 - 01:25:54
he rode medical

01:25:54 - 01:25:57
certificates exempting people from the use of

01:25:57 - 01:26:00
masks and for three years another

01:26:00 - 01:26:03
lady has been

01:26:04 - 01:26:07
forced not to work anymore because she wrote

01:26:07 - 01:26:10
Um medical certificates exempting people

01:26:11 - 01:26:11

Behold

01:26:14 - 01:26:17

Not being able to work

01:26:17 - 01:26:20

and accounts are

01:26:20 - 01:26:23

closed and

01:26:23 - 01:26:26

our offices are invaded for 15 months They

01:26:26 - 01:26:30

have been closing all my accounts if I

01:26:30 - 01:26:33

hadn't been helped by other uh

01:26:34 - 01:26:37

medical associations I would have not survived

01:26:37 - 01:26:40

unless of course if Marcus My friend would have

01:26:40 - 01:26:43

put a second potatoes in front of my door so I had something to

01:26:43 - 01:26:46

eat So They frame us the damage us

01:26:46 - 01:26:50

and the press is doing their bid And The bad

01:26:50 - 01:26:53

thing is how often have I asked the

01:26:53 - 01:26:56

mainstream press to have a dialogue with

01:26:56 - 01:26:59

us Uh in

01:26:59 - 01:27:03

science You have Thesis and

01:27:03 - 01:27:06

antithesis and then you have a

01:27:06 - 01:27:09

synthesis depressed dear government Why Is it

01:27:09 - 01:27:12

not possible that we have a

01:27:12 - 01:27:16

scientific dialogue Why Is it

01:27:16 - 01:27:19

that doctors who explain are being

01:27:19 - 01:27:23

framed as criminals and are being persecuted

01:27:23 - 01:27:26

as in the worst of times of Germany and all over the world

01:27:29 - 01:27:33

Commercially It's garnish and I don't want to get too much

01:27:33 - 01:27:36

into detail here but let

01:27:36 - 01:27:39

me past the floor

01:27:39 - 01:27:42

to a colleague who was supposed to be

01:27:42 - 01:27:45

speaking here but who doesn't

01:27:45 - 01:27:49

dare to actually get up on the stage because he's got family

01:27:49 - 01:27:52

And He simply doesn't dare

01:27:52 - 01:27:55

to give a speech so much as to the freedom of

01:27:55 - 01:27:57

speech for doctors in Germany

01:28:03 - 01:28:06

This is kind of the applicant Firestone This is

01:28:06 - 01:28:09

not one of the regular

01:28:09 - 01:28:13

meetings where we simply have a

01:28:13 - 01:28:15

speech And then uh

01:28:15 - 01:28:19

we simply

01:28:19 - 01:28:21

give a celebrity speech

01:28:22 - 01:28:25

expressing our sublime feeling of historical distance the horrors of the

01:28:25 - 01:28:28

past Um we

01:28:28 - 01:28:31

remember and commemorate the

01:28:31 - 01:28:33

victims of

01:28:34 - 01:28:36

the Nazi regime's and

01:28:36 - 01:28:39

today we speak because nobody

01:28:39 - 01:28:43

else would have wanted to do

01:28:43 - 01:28:46

it We raise a voice is because

01:28:46 - 01:28:50

the Nuremberg code is more than a historical document It is a red

01:28:50 - 01:28:53

line in defense of humanity

01:29:03 - 01:29:06

I'm trying to 16 on August 2019

01:29:06 - 01:29:09

47 the Nuremberg medical

01:29:09 - 01:29:13

trial against leading Physicians of the

01:29:13 - 01:29:15

national Socialist regime ended

01:29:16 - 01:29:19

under the inhumane conditions of the

01:29:19 - 01:29:22

concentration camps They had carried

01:29:22 - 01:29:25

out horrible human

01:29:25 - 01:29:27

experiments on

01:29:27 - 01:29:31

Attorneys not heeding

01:29:31 - 01:29:34

any humanity or respect for life

01:29:35 - 01:29:37

of these people

01:29:38 - 01:29:42

mentally kite apart from the inhumanity and

01:29:42 - 01:29:44

the horror we are

01:29:44 - 01:29:46

shocked by the

01:29:46 - 01:29:50

cynicism with which this

01:29:50 - 01:29:53

regime The doctors have

01:29:53 - 01:29:56

been Instrumentalist and

01:29:56 - 01:29:59

asked to use their medical

01:29:59 - 01:30:01

knowledge

01:30:02 - 01:30:05

without taken into

01:30:05 - 01:30:07

account their well being

01:30:08 - 01:30:11

and the

01:30:12 - 01:30:14

The humanity of the victims

01:30:15 - 01:30:18

but not taking into account

01:30:18 - 01:30:21

medical life because of the race

01:30:22 - 01:30:25

ideology was seen as a

01:30:25 - 01:30:28

possibility for that kind of science which

01:30:28 - 01:30:31

was without any

01:30:32 - 01:30:35

understanding of what the medical ethics

01:30:35 - 01:30:38

are So this was

01:30:38 - 01:30:40

not London

01:30:40 - 01:30:43

crime The about singular

01:30:43 - 01:30:47

offenses of individuals but an unforgivable failure of the

01:30:47 - 01:30:50

entire medical discipline which must

01:30:50 - 01:30:51

never

01:30:56 - 01:30:59

Which must never never be

01:30:59 - 01:31:00

repeated

01:31:08 - 01:31:12

So do you think to this end the code

01:31:12 - 01:31:15

establishes immutable standards of

01:31:15 - 01:31:18

sound fair notification ethics by which every

01:31:18 - 01:31:22

experiment on human beings must be guided

01:31:22 - 01:31:25

In addition to the avoidance of suffering and

01:31:25 - 01:31:29

harm to the participants in the experiment

01:31:29 - 01:31:32

professionalism in the planning design and

01:31:32 - 01:31:34

conduct of the

01:31:34 - 01:31:37

Mention justified prospects of a

01:31:37 - 01:31:41

major benefit for humanity the informed

01:31:41 - 01:31:44

and in every aspect free

01:31:44 - 01:31:47

consent of the participants became

01:31:48 - 01:31:51

the Touchstone for the

01:31:51 - 01:31:53

legitimacy of any medical experiment on

01:31:53 - 01:31:56

humans It States here

01:31:56 - 01:31:59

literally The voluntary consent of the

01:31:59 - 01:32:02

subject is absolutely

01:32:02 - 01:32:06

necessary This means that the subject may be

01:32:06 - 01:32:09

capable in a legal sense

01:32:09 - 01:32:12
of giving consent That's he

01:32:12 - 01:32:15
that he or she must be

01:32:15 - 01:32:17
able to

01:32:18 - 01:32:21
consent must be able

01:32:21 - 01:32:24
to in an uninfluenced by forced fraud

01:32:24 - 01:32:28
trickery pressure pretense or any other

01:32:28 - 01:32:30
form of persuasion or

01:32:30 - 01:32:34
coercion to exercise

01:32:35 - 01:32:38
Let me Let me repeat that because that was important

01:32:38 - 01:32:41
that these people must be

01:32:41 - 01:32:44
able Right to give consent

01:32:45 - 01:32:48
uninfluenced by force fraud trickery pressure

01:32:48 - 01:32:51
pretends or any other form of persuasion or coercion

01:32:52 - 01:32:54

To exercise

01:32:55 - 01:32:57

Their judgment

01:33:08 - 01:33:12

The sea that he or she that that

01:33:12 - 01:33:14

person must have

01:33:15 - 01:33:18

sufficient knowledge and understanding of the particulars of the field

01:33:18 - 01:33:22

in question to be able to make an intelligent

01:33:22 - 01:33:25

and informed decision to be able to make that

01:33:25 - 01:33:28

informed decision also the doctors we now

01:33:28 - 01:33:31

speak globally and consistently

01:33:32 - 01:33:35

informed consent But How can we do that If We do not have

01:33:35 - 01:33:38

any studies so that we are in fact informed

01:33:43 - 01:33:46

My time text continue reading

01:33:47 - 01:33:50

today informed

01:33:50 - 01:33:54

consent We are talking globally and consistently of a

01:33:54 - 01:33:57

so called informed consent and that is

01:33:57 - 01:33:59

Code Chapter one article

01:33:59 - 01:34:03

one of the Nuremberg code the duty and responsibility

01:34:03 - 01:34:07

to determine the value of consent

01:34:07 - 01:34:10

rests with anyone who orders

01:34:11 - 01:34:13

directs Or performs the

01:34:13 - 01:34:16

experiment This is a personal

01:34:16 - 01:34:20

duty and responsibility which

01:34:20 - 01:34:22

cannot be passed

01:34:22 - 01:34:25

on to others with

01:34:25 - 01:34:29

impunity That's chapter one of the Nuremberg code

01:34:35 - 01:34:39

Hamburger Codex Nuremberg code

01:34:40 - 01:34:44

It's a legacy that we can only live up to

01:34:44 - 01:34:47

if we make it In addition to Commemorating

01:34:47 - 01:34:50

injustices committed who which should

01:34:50 - 01:34:54

never ever be repeated the standard for the

01:34:54 - 01:34:57

present and the future Of course this code

01:34:57 - 01:35:00

has since become a medical principle

01:35:00 - 01:35:03

which Like The Geneva vowel has

01:35:03 - 01:35:06

become part of medical

01:35:06 - 01:35:07

training

01:35:13 - 01:35:16

They eat toast is our justice of the

01:35:16 - 01:35:20

physician is exemplary summarized in

01:35:20 - 01:35:23

the Geneva vow of the medical day

01:35:23 - 01:35:27

it states among other things as a member of the medical

01:35:27 - 01:35:30

profession I solemnly vow

01:35:30 - 01:35:33

to devote my life to the service

01:35:33 - 01:35:37

of humanity Health and

01:35:37 - 01:35:40

well being of my patient will be

01:35:40 - 01:35:43

my primary concern

01:35:44 - 01:35:47

I will respect the autonomy and dignity of my

01:35:47 - 01:35:51

patient I will maintain

01:35:51 - 01:35:53

the highest respect for human

01:35:53 - 01:35:55

life

01:35:57 - 01:35:57

End of quote

01:36:06 - 01:36:09

Even among Jesus scallop Mrs Furman

01:36:09 - 01:36:11

Fulfillment of

01:36:13 - 01:36:17

this value requires a high level

01:36:17 - 01:36:20

of personal and professional integrity on the part of the

01:36:20 - 01:36:23

physician but also the willingness and courage to

01:36:23 - 01:36:26

reject external appropriations

01:36:28 - 01:36:31

And it goes on to say I will not

01:36:31 - 01:36:34

even under threat Use my medical knowledge to

01:36:34 - 01:36:37

violate human rights and

01:36:37 - 01:36:39

civil liberties

01:36:53 - 01:36:55

The estimated damage

01:36:56 - 01:36:57

profession

01:36:59 - 01:37:03

thus has its unalterable orientation solely in the

01:37:03 - 01:37:06

service of the well being and the will of the

01:37:06 - 01:37:09

patient The Touchstone for this orientation is the personal

01:37:09 - 01:37:12

conscience of each individual physician and

01:37:12 - 01:37:15

the orientation to the current state of

01:37:15 - 01:37:17

medical science

01:37:19 - 01:37:22

It's a beautiful It is therefore forbidden in any

01:37:22 - 01:37:25

way for physicians to become

01:37:25 - 01:37:28

vicarious agents of political

01:37:28 - 01:37:32

ideologies economic profit seeking or

01:37:32 - 01:37:35

interest driven research projects

01:37:45 - 01:37:48

He had his hand in 19 medical

01:37:48 - 01:37:51

action is a service On the

01:37:51 - 01:37:54

human being on the individual

01:37:54 - 01:37:58

Who's advocate He must be even in the face of

01:37:58 - 01:37:59

all these interests

01:38:00 - 01:38:03

against these interests and power consolation The

01:38:03 - 01:38:07

practice of the medical art of healing must therefore be independent

01:38:07 - 01:38:08

and free

01:38:15 - 01:38:18

Zeps proof standing Even professional bodies such

01:38:18 - 01:38:21

as the medical associations or the associations of panel

01:38:22 - 01:38:25

doctors have no authority to

01:38:25 - 01:38:28

direct the content of

01:38:28 - 01:38:29

medical practice

01:38:36 - 01:38:39

Detroit loyalty to the

01:38:39 - 01:38:42

Geneva Vowel and the Nuremberg

01:38:42 - 01:38:44

code has put many

01:38:44 - 01:38:48

physicians in existential

01:38:48 - 01:38:51

distress The Nuremberg

01:38:52 - 01:38:55

only remind you of accounts being

01:38:55 - 01:38:59

closed raids and accusations for

01:38:59 - 01:39:01

having supposedly

01:39:01 - 01:39:05

submitted wrong medical

01:39:05 - 01:39:08

actions And this Was Pure

01:39:08 - 01:39:12

imperative The Nuremberg code reminds us

01:39:12 - 01:39:15

that medical responsibility and professional

01:39:15 - 01:39:18

ethics are not a matter of

01:39:18 - 01:39:20

personal choice but

01:39:20 - 01:39:24

the fulfillment

01:39:25 - 01:39:28

of historical legacy

01:39:29 - 01:39:32

Never never never again May physicians with

01:39:32 - 01:39:35

a cold I degrade human beings to a

01:39:35 - 01:39:38

mere object of now Knowledge to the object of

01:39:38 - 01:39:42

power interest or profit motive

01:39:59 - 01:40:02

Give pointer And therefore

01:40:04 - 01:40:06

for today and for all future

01:40:07 - 01:40:09

Children conquer sorry

01:40:26 - 01:40:30

I will not even

01:40:30 - 01:40:33

under threat Use my medical

01:40:33 - 01:40:36

knowledge to violate human rights and civil

01:40:36 - 01:40:37

liberties

01:40:52 - 01:40:54

Only to get upset

01:40:57 - 01:41:00

And I had articles to Chapter

01:41:00 - 01:41:03

four of the medical personal code Physicians

01:41:04 - 01:41:07

may not take instructions from non physicians

01:41:07 - 01:41:11

regarding their medical decisions also

01:41:11 - 01:41:13

not from politicians

01:41:30 - 01:41:33

You Haven't the skin figure glutinous

01:41:33 - 01:41:36

we take the Geneva vow and the medical

01:41:36 - 01:41:39

professional code very seriously

01:41:40 - 01:41:43

with the courage of humanity

01:41:44 - 01:41:47

and here today in Nuremberg we celebrate

01:41:48 - 01:41:51

75 years of the Nuremberg code as a legacy of

01:41:51 - 01:41:52

humanity

01:42:02 - 01:42:05

Survived to read the minus colleague so much as to the

01:42:05 - 01:42:08

speech of my colleague who did not dare to

01:42:08 - 01:42:10

present the speech personally

01:42:25 - 01:42:28

The Fire and May

01:42:28 - 01:42:32

the celebration be a worthy one

01:42:32 - 01:42:34

Thank you very much for your attention

01:42:43 - 01:42:45

Sure That's why I

01:42:47 - 01:42:50

called So Let's hear it for

01:42:50 - 01:42:53

life Corn And his

01:42:53 - 01:42:56

address Thank you for your

01:42:56 - 01:42:57

courage

01:43:05 - 01:43:08

And You know what he's address

01:43:09 - 01:43:12

is you know going around the

01:43:12 - 01:43:15

globe That's What's so nice We have a live

01:43:15 - 01:43:18

stream up until the United states of America

01:43:18 - 01:43:21

right across the pond

01:43:22 - 01:43:26

So wished and that's so important because

01:43:26 - 01:43:28

in our preparation we found out

01:43:29 - 01:43:32

that not many know abroad

01:43:32 - 01:43:35

what's going on in terms of physicians and half

01:43:35 - 01:43:38

physicians experience it themselves What's

01:43:38 - 01:43:41

happening to them and this is why we are so

01:43:41 - 01:43:44

delighted to see that we have such great

01:43:44 - 01:43:47

partners onboard international

01:43:47 - 01:43:50

partners Who life

01:43:50 - 01:43:53

sentence not only broadcast live

01:43:53 - 01:43:57

to the U s and to the entire world but who also

01:43:57 - 01:44:00

translate this That means you can also listen

01:44:00 - 01:44:03

to this speech in English So

01:44:03 - 01:44:06

really thing That's great Thank you so

01:44:06 - 01:44:07

much

01:44:18 - 01:44:21

Yeah Okay and

01:44:21 - 01:44:24

I also like to

01:44:24 - 01:44:27

explicitly thank the Children's Health

01:44:27 - 01:44:30

Defense organization So You

01:44:30 - 01:44:33

already heard about it because they are

01:44:33 - 01:44:37

also one of our strong partners on board

01:44:38 - 01:44:42

Harvest and you all know

01:44:42 - 01:44:44

Children's health defense

01:44:44 - 01:44:47

was Uh

01:44:48 - 01:44:50

founded by Robert Kennedy

01:44:50 - 01:44:53

Jr and to as early as

01:44:53 - 01:44:56

2011 under a different name and Children's

01:44:56 - 01:44:59

health defense is dedicated to

01:44:59 - 01:45:03

education and protection of our

01:45:03 - 01:45:06

Children or health and democratic

01:45:06 - 01:45:08

cornerstones principles

01:45:12 - 01:45:16

What's so great is you know as a great privilege

01:45:16 - 01:45:19

and we did lighted to now welcome the present

01:45:19 - 01:45:22

Mary Holland who just joined

01:45:22 - 01:45:26

us personally For us for

01:45:26 - 01:45:29

you So here Everyone

01:45:29 - 01:45:31

Welcome to Nuremberg

01:45:34 - 01:45:38

And She is a fighter She

01:45:38 - 01:45:40

is a combatant She filed

01:45:40 - 01:45:44

lawsuits against talks environmental damage and she

01:45:44 - 01:45:47

is also a book author You can see her and

01:45:47 - 01:45:51

lots of documentaries and she is here with us

01:45:51 - 01:45:54

today From What one Welcome Mary over to

01:45:54 - 01:45:54

you

01:45:58 - 01:46:02

Duncan Thank you to all

01:46:02 - 01:46:05

who had made this event possible and thank you all

01:46:05 - 01:46:08

for coming It's a great honor to

01:46:08 - 01:46:11

me to be here The

01:46:11 - 01:46:14

Nuremberg code is an international

01:46:14 - 01:46:18

monument to humanity It's a

01:46:18 - 01:46:21

critical guide Post not unlike the

01:46:21 - 01:46:24

10 Commandments of the New Testament or similar

01:46:24 - 01:46:28

guidance and other religions In essence the

01:46:28 - 01:46:31

code says Do this and you'll stay

01:46:31 - 01:46:35

on the right path stray from this

01:46:35 - 01:46:38

and bad things will happen And the

01:46:38 - 01:46:41

last two years have certainly proven the

01:46:41 - 01:46:44

wisdom of this document

01:46:45 - 01:46:48

I'm especially honored to be here because the authors

01:46:48 - 01:46:51

of the Nuremberg code were doctors and

01:46:51 - 01:46:55

lawyers from the United States who sought to

01:46:55 - 01:46:58

prevent future horrors and they

01:46:58 - 01:47:01

built on medical and legal ethics

01:47:01 - 01:47:04

established here in Germany

01:47:04 - 01:47:07

Early in the in the 20th century

01:47:08 - 01:47:10

I deeply wish that US

01:47:11 - 01:47:14

British Russian and German government

01:47:14 - 01:47:17

representatives were here with us today as well

01:47:17 - 01:47:20

as representatives of the global mainstream

01:47:20 - 01:47:22

media It's

01:47:26 - 01:47:27

Yes

01:47:29 - 01:47:32

It's a sad commentary that they are

01:47:32 - 01:47:35

absent but I am delighted

01:47:35 - 01:47:39

that we the people are here because it will be

01:47:39 - 01:47:42

we the people who restore our rights

01:47:42 - 01:47:45

our laws and our morality and will lead us out

01:47:45 - 01:47:47

of these troubled times

01:47:53 - 01:47:57

For Over 75 years The

01:47:57 - 01:47:59

Nuremberg code has been a beacon of

01:47:59 - 01:48:03

light all medical and legal

01:48:03 - 01:48:06

norms have been based on it in medicine Since

01:48:06 - 01:48:09

1947 It is the

01:48:09 - 01:48:12

foundation of modern medical ethics

01:48:12 - 01:48:16

and the code has been incorporated into

01:48:16 - 01:48:19

US Federal And State law and

01:48:19 - 01:48:22

U s courts have recognized the code as

01:48:22 - 01:48:26

a universal international legal

01:48:26 - 01:48:28

standards like the norms prohibiting

01:48:28 - 01:48:32

slavery and piracy The code

01:48:32 - 01:48:35

exists and is enforceable even if a

01:48:35 - 01:48:38

country or institution or individual

01:48:38 - 01:48:41

denies its validity The

01:48:41 - 01:48:44

consent of the individual is absolutely

01:48:44 - 01:48:47

essential There are no exceptions

01:48:56 - 01:48:59

Tragically in the last 2.5

01:48:59 - 01:49:02

years we have witnessed a global

01:49:02 - 01:49:05

assault on the Nuremberg code

01:49:05 - 01:49:09

Governments medical establishments universities

01:49:09 - 01:49:12

and the media have violated the very

01:49:12 - 01:49:15

first principle and every other

01:49:15 - 01:49:18

principle of the codes 10 points They have

01:49:18 - 01:49:21

coerced people into being human guinea

01:49:21 - 01:49:25

pigs They have forced people on penalty

01:49:25 - 01:49:28

of losing their livelihoods their identities

01:49:28 - 01:49:32

their health their friendships and even their

01:49:32 - 01:49:35

families to take inadequately tested

01:49:35 - 01:49:38

experience In mental gene altering

01:49:38 - 01:49:41

injections as well as other experimental

01:49:41 - 01:49:43

tests and medical devices

01:49:50 - 01:49:53

The people who have intentionally

01:49:53 - 01:49:56

knowingly maliciously

01:49:56 - 01:49:59

violated the principles of the Nuremberg code

01:49:59 - 01:50:02

must be punished

01:50:10 - 01:50:12

They must be called out

01:50:12 - 01:50:16

prosecuted and punished for crimes

01:50:16 - 01:50:18

against humanity

01:50:20 - 01:50:24

This This is one of our key tasks

01:50:24 - 01:50:27

We must ensure this does not happen

01:50:27 - 01:50:30

again And the results of this

01:50:30 - 01:50:34

mass experimentation with covid injections

01:50:34 - 01:50:37

is already tragically clear those

01:50:37 - 01:50:40

who have been seduced or forced into becoming an

01:50:40 - 01:50:44

experimental subjects are now at the greatest

01:50:44 - 01:50:47

risk of illness hospitalization

01:50:47 - 01:50:50

and death The precise opposite of

01:50:50 - 01:50:53

what so called global leaders told us

01:50:53 - 01:50:57

yet again as during World War two

01:50:57 - 01:50:59

The Big lie has proceeded untold

01:50:59 - 01:51:03

death and suffering In the

01:51:03 - 01:51:06

US and here in Europe No vaccine has

01:51:06 - 01:51:09

ever remotely compared to these

01:51:09 - 01:51:12

injections the risk and death profile of

01:51:12 - 01:51:16

these injections is unprecedented And We

01:51:16 - 01:51:19

now see these so called leaders flip flopping

01:51:19 - 01:51:22

again only offering more of the

01:51:22 - 01:51:25

same there now promoting even

01:51:25 - 01:51:29

less tested new injections for the

01:51:29 - 01:51:31

fall We live in dangerous

01:51:31 - 01:51:35

times if world governments and their

01:51:35 - 01:51:38

collaborators continue to flout the

01:51:38 - 01:51:41

Nuremberg code and to censor

01:51:41 - 01:51:44

those of us who criticized the big lie

01:51:44 - 01:51:47

we know where this leads it

01:51:47 - 01:51:50

leads to atrocities It leads to a

01:51:50 - 01:51:52

legacy of ashes

01:52:02 - 01:52:05

And We have already witnessed terrible

01:52:05 - 01:52:08

atrocities in the last 2.5

01:52:08 - 01:52:11

years we have seen Children become

01:52:11 - 01:52:14

disabled and die needlessly

01:52:14 - 01:52:17

We have seen adults and elders receiving

01:52:17 - 01:52:21

deadly treatments and being denied life

01:52:21 - 01:52:23

saving medicine We have seen families

01:52:23 - 01:52:27

separated And in turn in quarantine

01:52:27 - 01:52:30

camps against their will We are better than

01:52:30 - 01:52:33

this We deserve better and we can do

01:52:33 - 01:52:37

better We must stand up for our

01:52:37 - 01:52:40

God given inalienable rights

01:52:40 - 01:52:43

under the Nuremberg code we must

01:52:43 - 01:52:46

demand that we will not be experimented

01:52:46 - 01:52:47

on

01:52:54 - 01:52:57

And I I have a message of hope for

01:52:57 - 01:53:00

us today It is not too

01:53:00 - 01:53:04

late It is not too late in Europe or anywhere

01:53:04 - 01:53:07

else Let us not forget

01:53:07 - 01:53:11

we are winning over these last 2.5

01:53:11 - 01:53:11

years

01:53:18 - 01:53:21

The narrative The

01:53:21 - 01:53:24

narrative that these injections

01:53:24 - 01:53:27

work is over the

01:53:27 - 01:53:30

narrative that the lockdowns work

01:53:30 - 01:53:32

is over

01:53:34 - 01:53:37

The narrative that testing

01:53:37 - 01:53:40

Asymptomatic people is

01:53:40 - 01:53:41

over

01:53:43 - 01:53:44

And

01:53:46 - 01:53:49

And the narrative that our so called

01:53:49 - 01:53:52

leaders know what the hell they are doing

01:53:53 - 01:53:55

is over

01:53:59 - 01:54:02

Let us really let this sink in

01:54:02 - 01:54:05

We are winning Why

01:54:05 - 01:54:08

because morals are on our side

01:54:08 - 01:54:12

Science is on our side The law is

01:54:12 - 01:54:14

on our side and the Nuremberg

01:54:14 - 01:54:17

code is on our side

01:54:17 - 01:54:19

We are winning

01:54:28 - 01:54:32

But Bye And There

01:54:32 - 01:54:35

is a but The Ultimate victory

01:54:35 - 01:54:38

is not yet secure and it is up to

01:54:38 - 01:54:41

us who are here Not all of our

01:54:41 - 01:54:44

friends and relatives and colleagues

01:54:44 - 01:54:47

understand what we are truly up

01:54:47 - 01:54:50

against They don't understand

01:54:50 - 01:54:53

where this path leads We must

01:54:53 - 01:54:56

be courageous and we must share our

01:54:56 - 01:54:58

knowledge even if people are

01:54:58 - 01:55:01

resistant courage is contagious

01:55:01 - 01:55:04

If We can repel these lies and

01:55:04 - 01:55:08

coercion they can to as we

01:55:08 - 01:55:11

stand firm Others will join us

01:55:11 - 01:55:14

People are joining us every day

01:55:15 - 01:55:15

Thank you

01:55:23 - 01:55:26

Restoration of the Nuremberg

01:55:26 - 01:55:30

code is within our grasp but we

01:55:30 - 01:55:33

must come together and we must do what we are doing

01:55:33 - 01:55:35

today and we must teach

01:55:36 - 01:55:39

Everyone that we can that we must honor

01:55:39 - 01:55:42

and enforce the Nuremberg code

01:55:43 - 01:55:46

We can make this happen and I want to try to say in

01:55:46 - 01:55:49

German and have you joined me to say three times their

01:55:49 - 01:55:51

Creegan dust

01:55:52 - 01:55:55

hear creaking to him

01:55:56 - 01:55:59

Creegan Does Creek and that

01:56:00 - 01:56:02

creek and that's him

01:56:07 - 01:56:11

Again That's him Danka Thank

01:56:11 - 01:56:12

you Thank you very much

01:56:19 - 01:56:22

Feeling how slipping down Mary Holland welders

01:56:26 - 01:56:30

Read it Great speech Thank you so much

01:56:30 - 01:56:31

for that

01:56:38 - 01:56:41

Yeah Sure All Right Great

01:56:42 - 01:56:45

Bookham condition It's a great program I'm very

01:56:45 - 01:56:49

proud that we're doing this year Today We

01:56:49 - 01:56:50

will continue now

01:56:52 - 01:56:56

Um and gassed when we're feeling we have many guests

01:56:56 - 01:56:57

today But now

01:57:15 - 01:57:16

But

01:57:33 - 01:57:36

So freedom and

01:57:39 - 01:57:43

Yeah Keep going You guys You guys are

01:57:43 - 01:57:44

great

01:57:45 - 01:57:48

You guys are fantastic

01:57:49 - 01:57:52

and we can go all night No problem

01:57:53 - 01:57:56

is that there is plenty to be said We know

01:57:56 - 01:57:59

that So we

01:57:59 - 01:58:02

actually have a pretty stringent program

01:58:02 - 01:58:06

and with the stick to our times Thanks for you guys That was

01:58:06 - 01:58:09

great Okay

01:58:09 - 01:58:12

Good Fair enough And Now

01:58:12 - 01:58:16

We have another international guest

01:58:16 - 01:58:19

and he will actually speak German He speaks

01:58:19 - 01:58:23

many languages and this speech he's going to present in

01:58:23 - 01:58:24

German

01:58:27 - 01:58:30

GMA This is Dr V

01:58:30 - 01:58:33

Z Lichtman He's in Hmm

01:58:36 - 01:58:40

researcher from Israel studying

01:58:40 - 01:58:42

pathology and

01:58:43 - 01:58:47

viral causes Um many many

01:58:47 - 01:58:50

international publications He's here now he'd

01:58:50 - 01:58:53

been criticized a bit Why Well he was one of the

01:58:53 - 01:58:56

guys who had the courage

01:58:56 - 01:58:57

To

01:58:59 - 01:59:03

Speak out on make

01:59:03 - 01:59:06

a research on

01:59:06 - 01:59:09

the damages caused by vaccination

01:59:09 - 01:59:11

Israel great applause for him

01:59:13 - 01:59:16

This is your Stage now

01:59:21 - 01:59:24

Hello Normalize the

01:59:24 - 01:59:27

high Usually I started making

01:59:27 - 01:59:30

jokes when I give a

01:59:30 - 01:59:33

speech to lighten up the

01:59:33 - 01:59:36

situation but from what I hear and the German

01:59:36 - 01:59:39

press Oh This event

01:59:39 - 01:59:42

is portrayed

01:59:43 - 01:59:46

um you know in a terrible way to compare us to

01:59:46 - 01:59:49

Nazis and this is

01:59:49 - 01:59:52

horrible making that kind of comparison I'm

01:59:52 - 01:59:55

going to repeat It would have just said in Hebrew

02:00:02 - 02:00:03

Um

02:00:06 - 02:00:09

Pam Low key and the McGill up

02:00:09 - 02:00:12

over Michelle Murad Sheba

02:00:12 - 02:00:16

But median media ha

02:00:16 - 02:00:16

Germany

02:00:18 - 02:00:21

Romashchenko repo the mushroom Nazi

02:00:22 - 02:00:25

bets and harsh mahi

02:00:25 - 02:00:26

pursuit

02:00:30 - 02:00:33

Mm Various about inviting

02:00:34 - 02:00:37

will continue in in German now so that you can

02:00:37 - 02:00:38

understand me

02:00:43 - 02:00:47

Galveston No matter what I say Now

02:00:47 - 02:00:51

The important thing Is this the Nuremberg

02:00:51 - 02:00:54

code is more important now

02:00:54 - 02:00:57

than ever And This is what we need to remember And

02:00:57 - 02:01:00

that should not be changed It should never be

02:01:00 - 02:01:04

changed but maybe it can be expanded That's what I see

02:01:04 - 02:01:06

now One of the

02:01:06 - 02:01:09

typical biased but off topic

02:01:09 - 02:01:12

Questions that I hear a lot is

02:01:13 - 02:01:17

how is it that Israelis could fall for

02:01:17 - 02:01:20

the brainwashing and become fighters guinea

02:01:20 - 02:01:23

pigs Israelis Israelis go

02:01:23 - 02:01:26

through extensive military training that

02:01:26 - 02:01:29

requires an educator's trust in

02:01:29 - 02:01:33

government institutions Moreover more than half

02:01:33 - 02:01:36

of Israelis have no European

02:01:36 - 02:01:39

family history most likely most of the

02:01:39 - 02:01:42

follow up questions to the shortlist relate

02:01:43 - 02:01:46

To Anything from Europe So Most

02:01:46 - 02:01:49

of these follow up

02:01:49 - 02:01:52

questions Um relate to this

02:01:52 - 02:01:56

off Topic point and

02:01:56 - 02:01:58

reveal attempts to

02:01:58 - 02:02:01

distract from the main topic of this list by

02:02:01 - 02:02:05

using widespread prejudice

02:02:05 - 02:02:08

against and brainwashing about

02:02:08 - 02:02:11

Israel Manchester prompted

02:02:11 - 02:02:14

My First point is this sting

02:02:15 - 02:02:18

The point of concern the voluntary and informed consent as a

02:02:18 - 02:02:21

primary and important component

02:02:21 - 02:02:25

of the Nuremberg code regarding the participation

02:02:25 - 02:02:27

of individuals in Hmm

02:02:27 - 02:02:29

Medical

02:02:30 - 02:02:31

experiments

02:02:32 - 02:02:35

However various forms of cryptic

02:02:35 - 02:02:38

coercion and psychological manipulation

02:02:38 - 02:02:41

Invalidate this point for

02:02:41 - 02:02:44

example as you know in the

02:02:44 - 02:02:47

Stockholm syndrome victims of imprisonment and

02:02:47 - 02:02:49

extreme crimes including rape and

02:02:49 - 02:02:53

torture may

02:02:53 - 02:02:56

identify with their torturers and their

02:02:56 - 02:02:59

ideology Vash initiative

02:02:59 - 02:03:02

probably to do some of us

02:03:02 - 02:03:05

respond as if we were

02:03:05 - 02:03:09

in the Stockholm situation hoping for

02:03:09 - 02:03:12

relief from torture by taking up the cause of the torturers

02:03:12 - 02:03:15

parallels to covid lockdowns

02:03:15 - 02:03:18

preparing audiences to accept

02:03:18 - 02:03:20

experimental injections etcetera

02:03:20 - 02:03:23

Seem obvious

02:03:25 - 02:03:28

and this point as to the

02:03:28 - 02:03:30

consent leads me to item

02:03:30 - 02:03:32

2.2

02:03:33 - 02:03:36

There aren't there it's asks about the

02:03:36 - 02:03:39

scope of the Nuremberg code that would be

02:03:39 - 02:03:42

expanded to include Social Psycho and

02:03:42 - 02:03:46

educational experiments These

02:03:46 - 02:03:48

are indispensable

02:03:48 - 02:03:51

conditions to prepare the

02:03:51 - 02:03:54

population of perpetrators and victims to

02:03:54 - 02:03:56

accept human experimentation

02:03:56 - 02:03:59

54th

02:03:59 - 02:04:02

point double

02:04:02 - 02:04:05

blind experiments versus

02:04:06 - 02:04:09

scientific observations the demand for

02:04:09 - 02:04:12

double blind experiments to confirm treatments

02:04:12 - 02:04:15

drives the adoption and

02:04:15 - 02:04:19

multiplication of these experiments Such

02:04:19 - 02:04:21

experiments are perceived

02:04:22 - 02:04:25

ethically questionable and

02:04:25 - 02:04:28

require Then individual individual

02:04:28 - 02:04:31

consent because individuals are

02:04:31 - 02:04:33

not treated as such

02:04:34 - 02:04:37

specifically tailored treatment but

02:04:37 - 02:04:40

as statistical units in a sample

02:04:41 - 02:04:44

Adopting Adopting the

02:04:44 - 02:04:47

sum of scientific observations for

02:04:47 - 02:04:50

practical purposes avoids such

02:04:50 - 02:04:53

large scale experiments which

02:04:53 - 02:04:55

required time finances and

02:04:55 - 02:04:58

centralization that make them

02:04:58 - 02:04:59

particularly vulnerable to

02:04:59 - 02:05:03

manipulation And you should know

02:05:03 - 02:05:06

most scientific knowledge was the result of

02:05:06 - 02:05:09

observations as in geography

02:05:09 - 02:05:12

geology astronomy anatomy

02:05:12 - 02:05:14

and Especially in medicine

02:05:18 - 02:05:21

My final point and then I'm through

02:05:21 - 02:05:25

um extending crimes against the Nuremberg

02:05:25 - 02:05:27

code Two Arguments of ignorance

02:05:27 - 02:05:30

should be part of it

02:05:31 - 02:05:34

Several recent obvious examples proof criminal

02:05:34 - 02:05:37

intent by pretending to

02:05:37 - 02:05:41

ignore long term science These are

02:05:41 - 02:05:43

clear examples of deliberate

02:05:43 - 02:05:45

misinformation

02:05:47 - 02:05:51

Since For example since the early 19 nineties it

02:05:51 - 02:05:54

was shown that Spike proteins have are

02:05:54 - 02:05:57

dangerous toxins including by causing immune

02:05:57 - 02:05:58

system

02:05:59 - 02:06:00

Dysfunctions

02:06:07 - 02:06:09

Number two in 2020

02:06:11 - 02:06:14

the ability of coronavirus is

02:06:14 - 02:06:17

to mutate in other words to prove

02:06:17 - 02:06:21

mutations and thus limit the potential effectiveness of

02:06:21 - 02:06:23

vaccines was denied

02:06:24 - 02:06:27

Stop uphold that even though

02:06:27 - 02:06:30

evidence it was evident seen

02:06:30 - 02:06:33

1975 the Nobel Prize in

02:06:33 - 02:06:37

physiology of medicine was awarded to Baltimore due

02:06:37 - 02:06:40

back on team improved that RNA

02:06:40 - 02:06:43

can be reverse transcribed

02:06:43 - 02:06:46

into injection

02:06:47 - 02:06:50

Therefore injected RNA can be inserted into

02:06:50 - 02:06:53

the chromosomes off the injected And my

02:06:53 - 02:06:56

last example is this with each

02:06:56 - 02:06:59

injection There is a high probability that blood

02:06:59 - 02:07:01

vessels are hit

02:07:02 - 02:07:04

Therefore the injection

02:07:05 - 02:07:06

content

02:07:09 - 02:07:12

Stella does not be just at the place where the rejection

02:07:12 - 02:07:15

was was placed but it will be all

02:07:15 - 02:07:16

over

02:07:17 - 02:07:21

and I have to tell you again The code

02:07:21 - 02:07:23

is more important now than ever

02:07:45 - 02:07:48

Torn We know great We take this

02:07:48 - 02:07:50

one Thank you so much

02:07:51 - 02:07:54

Yeah it doesn't not my clutch Sure sure

02:07:54 - 02:07:57

another another hand for Um

02:08:06 - 02:08:09

President of a list forward guidance We are prepared

02:08:09 - 02:08:12

for it all even if it starts rating

02:08:12 - 02:08:15

now our engineering

02:08:15 - 02:08:19

guys and the guys who built up the stage they were doing

02:08:19 - 02:08:22

that during the pouring rain and you have no idea how

02:08:22 - 02:08:25

difficult that was but they were doing their job Thanks to all of those

02:08:25 - 02:08:28

folks Lending a helping

02:08:28 - 02:08:32

hand Yeah All

02:08:32 - 02:08:35

right now This is

02:08:35 - 02:08:38

Tom from the human rights team and he brought something

02:08:38 - 02:08:41

along a little surprise high friends

02:08:41 - 02:08:44

There is a bit of a surprise and nice one from

02:08:44 - 02:08:47

Switzerland The fries

02:08:48 - 02:08:51

are here now and they will have a

02:08:51 - 02:08:54

bit off parade through the

02:08:54 - 02:08:57

area and you will hear them because they

02:08:57 - 02:09:00

will Ring the Bells of freedom

02:09:00 - 02:09:04

when they come close to you please

02:09:04 - 02:09:08

make way for them And here we go Our friends from

02:09:08 - 02:09:09

Switzerland

02:09:14 - 02:09:17

So Good evening Fish pass

02:09:18 - 02:09:21

Enjoy They are not not ironic lining

02:09:22 - 02:09:23

one little thing

02:09:25 - 02:09:28

They said that there is no translation from English into German

02:09:28 - 02:09:31

Technically We couldn't do that We tried that but there was a

02:09:31 - 02:09:34

problem So It didn't work for us here

02:09:34 - 02:09:38

Um It's a communicative thing Those of you who

02:09:38 - 02:09:41

understand English They can then translate for the

02:09:41 - 02:09:44

others So that gives you a good reason to

02:09:44 - 02:09:46

start a nice conversation All right

Article down

02:11:12 - 02:11:13

02:19:44 - 02:19:48

Oh no Yes No they're walking

02:19:48 - 02:19:48

02:19:51 - 02:19:53

So also about

02:20:05 - 02:20:08

02:20:08 - 02:20:11

02:20:11 - 02:20:14

that we have another block We want

02:20:14 - 02:20:17

to present to you a couple of fantastic people

02:20:17 - 02:20:19

Initiatives groups

02:20:20 - 02:20:24

Ah which have helped us in the

02:20:24 - 02:20:27

support of this event they have come And I'd like

02:20:27 - 02:20:30

to present to you Some of these people in person so that you

02:20:30 - 02:20:34

02:20:34 - 02:20:37

all I would like to welcome right here on stage

02:20:37 - 02:20:40

from the medical staff of Oughta

02:20:43 - 02:20:45

calling a big hand for them please

02:20:49 - 02:20:52

Wow You know you buy toys

02:20:52 - 02:20:55

to me Yeah That's for you to please join

02:20:55 - 02:20:58

02:21:01 - 02:21:02

go

02:21:03 - 02:21:06

Mr pleasure for me to present you

02:21:07 - 02:21:10

medical staff ought to know what What is

02:21:10 - 02:21:13

that Why are you here today

02:21:13 - 02:21:16

Well For me It was very obvious

02:21:16 - 02:21:19

when we heard about this event

02:21:19 - 02:21:23

that we will join this uh

02:21:23 - 02:21:26

event it was important for me after two years of

02:21:26 - 02:21:29

lockdown That's why I asked for holidays

02:21:29 - 02:21:33

The Nuremberg code

02:21:33 - 02:21:36

is important Never again forced medicine and what

02:21:36 - 02:21:39

we're living now is forced medicine

02:21:40 - 02:21:43

Often you are

02:21:43 - 02:21:46

talking about the mandatory

02:21:46 - 02:21:50

vaccination exactly everybody who works in the

02:21:50 - 02:21:53

health service are in fact

02:21:53 - 02:21:56

affected by mandatory vaccination The

02:21:56 - 02:21:59

head doctor even the gardener at hospital has to

02:21:59 - 02:22:02

be vaccinated and the gardener works

02:22:02 - 02:22:05

outside The is in no contact with any patient

02:22:05 - 02:22:09

but he must be vaccinated only

02:22:09 - 02:22:11

because First He works at the

02:22:11 - 02:22:14

hospital Sandra

02:22:14 - 02:22:17

Sandra Why Are you here today For the same

02:22:17 - 02:22:20

reason I Imagine what is your

02:22:20 - 02:22:24

personal motivation to come here Exactly

02:22:24 - 02:22:27

a whole initiative like details just pointed out of

02:22:27 - 02:22:30

people who are

02:22:30 - 02:22:33

affected by the mandatory vaccination plan back then in

02:22:33 - 02:22:36

December when they announced it First

02:22:36 - 02:22:40

I felt bad when I heard that I I wasn't a bad

02:22:40 - 02:22:43

state I had nobody I could talk to I couldn't not discuss

02:22:43 - 02:22:46

this with anyone and then bit by bit

02:22:46 - 02:22:49

We found each other

02:22:49 - 02:22:52

and now we're looking for ways of how we

02:22:52 - 02:22:56

can continue to work because of course we want to

02:22:56 - 02:22:59

help the people that were servicing We want to

02:22:59 - 02:23:02

help them but currently were not allowed

02:23:02 - 02:23:05

to We have one gannet We want

02:23:05 - 02:23:08

to beef for these people That's

02:23:08 - 02:23:12

our jobs That's uh what we are committed to

02:23:12 - 02:23:15

do That's my calling my vocation

02:23:15 - 02:23:19

but I'm not allowed to So the

02:23:19 - 02:23:22

question is How long will I be able to work When Will I be

02:23:22 - 02:23:25

suspended and therefore we are here

02:23:25 - 02:23:29

today cannot be simply cannot be

02:23:29 - 02:23:32

There is no reason for this

02:23:33 - 02:23:37

There is no protection in and and this vaccination That would

02:23:37 - 02:23:39

have been something I could understand But There is no

02:23:39 - 02:23:40

prediction

02:23:46 - 02:23:50

And so there is no reason the

02:23:50 - 02:23:52

Nuremberg code basically

02:23:53 - 02:23:55

guarantees that

02:23:55 - 02:23:58

nobody has to be

02:23:58 - 02:24:00

subjected to any kind of

02:24:01 - 02:24:03

uh trick or force or

02:24:03 - 02:24:07

corporation To be subjected to some

02:24:07 - 02:24:10

medical injection

02:24:10 - 02:24:14

and that's why we are here today The Medical staff

02:24:14 - 02:24:15

from octane on

02:24:18 - 02:24:22

Dear oils And What do you want How

02:24:22 - 02:24:25

Is this going to continue How Could your

02:24:25 - 02:24:28

situation change Well Of

02:24:28 - 02:24:31

course we wish and hope that this

02:24:31 - 02:24:35

mandatory vaccination will be

02:24:35 - 02:24:38

told that we don't have it anymore so that we can work with the

02:24:38 - 02:24:40

people and for the people

02:24:43 - 02:24:46

You guys can always come Exactly I can only

02:24:46 - 02:24:49

conquer Ah This mandatory

02:24:49 - 02:24:51

injection plan must be

02:24:51 - 02:24:54

withdrawn so that the health

02:24:55 - 02:24:58

system I mean this is the straw

02:24:58 - 02:25:01

that breaks the camel's back I mean our

02:25:01 - 02:25:05

health system is already in dire straits

02:25:05 - 02:25:08

But if they continue with his mandatory injection

02:25:08 - 02:25:12

I mean this is going to collapse and we don't

02:25:12 - 02:25:15

want that We want to be able to work Work for the people Ah

02:25:15 - 02:25:18

we were committed to helping people

02:25:19 - 02:25:19

One

02:25:21 - 02:25:24

Cup of Yes and we want to

02:25:24 - 02:25:26

determine what is happening to our bodies and not the

02:25:26 - 02:25:28

politicians

02:25:30 - 02:25:32

It's our own choice

02:25:34 - 02:25:37

Thank you very much Thank you very much These are the

02:25:37 - 02:25:41

people from alterna all the medical staff from ought to know dot E

02:25:41 - 02:25:43

You can Google them

02:25:44 - 02:25:48

Yeah Only applied temporizing a stick

02:25:48 - 02:25:51

to the clinical setting and medical or

02:25:51 - 02:25:52

health care professional

02:25:54 - 02:25:57

and he's from clinic personality State of

02:25:57 - 02:26:00

so is the staffer working in a clinic code

02:26:00 - 02:26:03

setting Okay over to

02:26:03 - 02:26:04

you

02:26:06 - 02:26:09

So in the run up to this event we met

02:26:09 - 02:26:12

you really helped us zone with the

02:26:12 - 02:26:15

organization So Sterling work

02:26:15 - 02:26:17

Great support Thank you

02:26:19 - 02:26:22

story and this is why we foster an accent

02:26:22 - 02:26:25

Corporation But You said

02:26:25 - 02:26:28

staff is stand up so number Code

02:26:28 - 02:26:31

code What road you hear the most

02:26:31 - 02:26:34

important statement as far as I'm

02:26:34 - 02:26:38

concerned Use the following with regard

02:26:38 - 02:26:41

to the number could nobody came before so against their will

02:26:42 - 02:26:43

In order to

02:26:45 - 02:26:48

Suffer an medical intervention a medical

02:26:48 - 02:26:51

intervention Hmm

02:26:53 - 02:26:56

My hobby Here here period state

02:26:56 - 02:26:59

out This is why I'm wearing this

02:26:59 - 02:27:01

T shirt

02:27:03 - 02:27:06

and I would like to quote uh

02:27:06 - 02:27:08

slightly uh good

02:27:08 - 02:27:11

Distorted Uh quota

02:27:11 - 02:27:15

for a minister for health Lot of her

02:27:15 - 02:27:18

I shall not be vaccinated

02:27:18 - 02:27:21

Force I share not undercut

02:27:21 - 02:27:25

forced vaccination So You want to speak later

02:27:25 - 02:27:28

but we want you to speak now Sorry

02:27:28 - 02:27:32

Okay That's why Okay So What

02:27:32 - 02:27:34

else Could I ask you so I'm

02:27:34 - 02:27:37

thrown clinical

02:27:37 - 02:27:40

staff put the question concerning

02:27:40 - 02:27:42

clinical staff gets up Stand

02:27:42 - 02:27:45

up Stoppers stand

02:27:45 - 02:27:48

up Registered Association

02:27:49 - 02:27:51

Ah 25th of July

02:27:51 - 02:27:55

2022 the

02:27:55 - 02:27:58

red entry into the association

02:27:58 - 02:28:01

registry So we are now and official association

02:28:01 - 02:28:04

The initiative has been around since December

02:28:04 - 02:28:08

2021 tubing in

02:28:08 - 02:28:12

our base in tubing in that's

02:28:12 - 02:28:15

where we were born but we are not

02:28:15 - 02:28:18

regionally limited Very strong

02:28:18 - 02:28:21

footprint in bad and wurttemberg in the south of Germany

02:28:21 - 02:28:22

and well beyond it

02:28:24 - 02:28:27

Let me look this up Mm hmm

02:28:31 - 02:28:34

Sorry I'm a bit nervous You know

02:28:36 - 02:28:38

Um and um

02:28:47 - 02:28:49

Oops a daisy

02:28:52 - 02:28:55

Um There's clinic personage state of

02:28:55 - 02:28:58

So Who are we Island

02:28:59 - 02:29:02

I live In addition staffers stand

02:29:02 - 02:29:05

up in the health care profession so we bring together Will

02:29:05 - 02:29:09

Healthcare professions affected by vaccination

02:29:09 - 02:29:12

mandates Of course we have many health care

02:29:12 - 02:29:15

professionals physicians lab techs

02:29:16 - 02:29:19

technicians Admin also

02:29:19 - 02:29:22

practices So We are

02:29:22 - 02:29:25

really a Growth based

02:29:26 - 02:29:27

movement

02:29:29 - 02:29:32

How Many people do you have What's your

02:29:32 - 02:29:34

numbers

02:29:42 - 02:29:45

I'm still So three Take home

02:29:45 - 02:29:48

messages Let me move to my third message

02:29:51 - 02:29:53

Um Clinic personality

02:29:54 - 02:29:57

Self doesn't know So clinic pills are

02:29:57 - 02:30:01

now state elf staffers stand

02:30:01 - 02:30:02

up

02:30:03 - 02:30:06

and we have a booth over there and you can also file

02:30:06 - 02:30:09

a membership application

02:30:10 - 02:30:13

Was my third message

02:30:16 - 02:30:20

Yeah he have um and forfeit abating

02:30:20 - 02:30:23

So in the run up to this event we were

02:30:23 - 02:30:25

asked to speak about a personal

02:30:25 - 02:30:29

anecdote concerning that past

02:30:29 - 02:30:32

22 years 48 months

02:30:32 - 02:30:35

so there was very momentous event in

02:30:35 - 02:30:37

December 2021

02:30:38 - 02:30:41

informative There was such a hatred with

02:30:41 - 02:30:45

regard to an entire group of people And

02:30:45 - 02:30:48

I'd never come across anything like it up Until that

02:30:48 - 02:30:51

point it seemed as though politicians or

02:30:51 - 02:30:53

for almost all parties were

02:30:53 - 02:30:56

competing in order

02:30:56 - 02:30:59

to Uh embark upon

02:30:59 - 02:31:01

hate speech against

02:31:01 - 02:31:04

unvaccinated They were supported

02:31:04 - 02:31:08

by a large part of mainstream media And fortunately

02:31:08 - 02:31:11

so part of mainstream

02:31:11 - 02:31:13

population

02:31:15 - 02:31:18

I cannot see an at sea from the rooms

02:31:18 - 02:31:22

coordination Many of my colleagues telling me

02:31:22 - 02:31:25

that they were how they were

02:31:25 - 02:31:28

treated by their other colleagues or by

02:31:28 - 02:31:31

their employer I would never have been able to

02:31:31 - 02:31:35

imagine that kind of behavior three years ago there was one

02:31:35 - 02:31:37

nurse who told me That Her

02:31:37 - 02:31:41

tires even had been punctured

02:31:41 - 02:31:45

and another um nurse colleague of

02:31:45 - 02:31:48

hers was even spat at

02:31:50 - 02:31:51

Personally

02:31:53 - 02:31:56

I personally am very grateful that my

02:31:57 - 02:31:59

colleagues respect always

02:31:59 - 02:32:02

accepted my choice

02:32:09 - 02:32:11

Oh my employer

02:32:12 - 02:32:15

Never Exercised

02:32:15 - 02:32:18

any pressure Thank you that much

02:32:18 - 02:32:21

Thank you Richard Med school from cleaning person

02:32:21 - 02:32:24

did off staffers make a

02:32:24 - 02:32:28

stand in the health care profession And

02:32:28 - 02:32:31

Thanks for joining us and last but not least over to

02:32:31 - 02:32:34

you have somebody else I don't think I need to introduce

02:32:34 - 02:32:37

you to as we're known face I

02:32:37 - 02:32:40

don't Mm So without much further

02:32:40 - 02:32:43

ado over to you Samira So you

02:32:43 - 02:32:47

set up Ah alliance

02:32:47 - 02:32:50

um which is called business meant

02:32:51 - 02:32:54

so First of all I founded a movement

02:32:56 - 02:32:59

By island for Ryan Now We're in the process

02:32:59 - 02:33:02

of establishing and

02:33:02 - 02:33:05

registered association because we need more

02:33:05 - 02:33:08

for the future not just Corona which had some right

02:33:08 - 02:33:11

now but there is further crisis on the

02:33:11 - 02:33:14

horizon and they

02:33:15 - 02:33:18

speak a very clear message We as humans

02:33:18 - 02:33:22

need to join forces and this is why I call it alliance

02:33:22 - 02:33:25

Human Um nine with Dragon

02:33:25 - 02:33:29

Do you already have a website No We're still waiting

02:33:29 - 02:33:32

for the official kickoff at the pavilion over

02:33:32 - 02:33:35

there We already have an information leaflet

02:33:35 - 02:33:38

I also have a podcast where I

02:33:38 - 02:33:41

address healthcare professionals physicians

02:33:41 - 02:33:45

Children interview them Whoever wants to

02:33:45 - 02:33:48

speak to me Once I've embark upon an

02:33:48 - 02:33:51

open discussion is more than welcome

02:33:51 - 02:33:54

So Go to the podcast this where you

02:33:54 - 02:33:57

will find the linguine The once the website is

02:33:57 - 02:34:00

online and the pavilion also has

02:34:00 - 02:34:03

flyers over there so the pavilion is over there

02:34:04 - 02:34:07

Green roof There's quite a lot of things

02:34:07 - 02:34:10

moving right now The Mirror What about the

02:34:10 - 02:34:13

number code What is your personal Order

02:34:14 - 02:34:17

take on it or link the Nuremberg code

02:34:17 - 02:34:20

is an effect I think a guideline for medical medical

02:34:20 - 02:34:24

professionals and science and the

02:34:24 - 02:34:27

number code was established at the point in time where

02:34:27 - 02:34:30

human beings were no longer regarded as human beings

02:34:31 - 02:34:34

where there were denied their very essence as

02:34:34 - 02:34:37

humans and they were dehumanized and

02:34:37 - 02:34:41

this is the ethical yardstick between need to

02:34:41 - 02:34:44

comply with and we need to speak to the patients So I mean

02:34:44 - 02:34:48

This is goes out to the entire world and it is

02:34:48 - 02:34:50

also the role model for the Geneva

02:34:51 - 02:34:55

and it's an ethical guideline in order to

02:34:55 - 02:34:58

people deal with what to inform the people

02:34:58 - 02:35:01

sections with each other in a

02:35:01 - 02:35:04

medical setting Thank you so much

02:35:05 - 02:35:08

Over here Yes me Insurance Yes Men

02:35:08 - 02:35:10

Jasmine shoots

02:35:11 - 02:35:14

Come Yasmin so we need to

02:35:14 - 02:35:18

move more to the center of the stage

02:35:18 - 02:35:21

So There's something written on your

02:35:21 - 02:35:24

um T shirt Midwife So Your

02:35:24 - 02:35:27

group is called midwives Make a

02:35:27 - 02:35:30

stand for Me

02:35:30 - 02:35:33

So we networked via

02:35:33 - 02:35:35

telegram Like probably everyone because there's less

02:35:35 - 02:35:39

censorship I'm Yasmin and I'm a midwife

02:35:39 - 02:35:42

I'm a mother of two I have two beautiful

02:35:42 - 02:35:45

teenager daughters

02:35:45 - 02:35:48

and um you were

02:35:48 - 02:35:51

surprised that you heard so little about the

02:35:51 - 02:35:54

midwives I mean maybe that's to do With the fact that

02:35:54 - 02:35:58

we work covertly under wraps to

02:35:58 - 02:36:00

speak Um I'm in the family

02:36:00 - 02:36:04

I for instance visit pregnant women

02:36:04 - 02:36:07

and uh deal with him

02:36:07 - 02:36:10

after giving birth so work one number said within the

02:36:10 - 02:36:14

families straight front line and I really

02:36:14 - 02:36:17

witness things Pants on first

02:36:17 - 02:36:21

hand See What's been going on and all over the past

02:36:21 - 02:36:23

2.5 years So Do You have a question

02:36:24 - 02:36:25

To me

02:36:29 - 02:36:32

From the from the simplest arbitrage

02:36:32 - 02:36:35

You would so affected by vaccination

02:36:35 - 02:36:38

mandates as a Croatian or you are being

02:36:38 - 02:36:41

pressurized and your colleagues any of your colleagues lose their

02:36:41 - 02:36:45

job Yes of course partly we were

02:36:45 - 02:36:48

sent letters personally I

02:36:48 - 02:36:51

found Oh and

02:36:51 - 02:36:54

invitation to be vaccinated him I Post

02:36:54 - 02:36:58

Box in June I would absolutely not be

02:36:58 - 02:37:01

vaccinated No Way

02:37:02 - 02:37:05

Nuremberg code actually

02:37:05 - 02:37:06

some shoots

02:37:10 - 02:37:14

and kind as high as tamales is the fact that

02:37:14 - 02:37:17

we shall um a not be coerced

02:37:17 - 02:37:20

into undergoing clinical procedure that

02:37:20 - 02:37:23

leader Don't want But that is exactly what I'm

02:37:23 - 02:37:26

experiencing pressure rising people are so not just me

02:37:26 - 02:37:29

but also family is no woman

02:37:29 - 02:37:32

who gets her babies will

02:37:32 - 02:37:36

be allowed to a hospital without being tested And that

02:37:36 - 02:37:39

already is an intervention

02:37:39 - 02:37:42

isn't interference She won't be admitted to a

02:37:42 - 02:37:45

hospital She has to

02:37:45 - 02:37:48

aware I mean still there The clinics who

02:37:48 - 02:37:52

of forced women to wear masks when they give birth Just

02:37:52 - 02:37:53

Imagine that

02:37:56 - 02:37:59

I mean oxygen is so important

02:37:59 - 02:38:02

also for the on board child in the womb

02:38:03 - 02:38:06

even husbands husbands who are

02:38:06 - 02:38:09

police officers I also look

02:38:09 - 02:38:13

after families where the husband is a police officer but

02:38:13 - 02:38:16

that just as critical nonetheless I know this police officer

02:38:16 - 02:38:19

I'm thinking of how to be vaccinated just in order to give us

02:38:19 - 02:38:22

job family That's just a no

02:38:22 - 02:38:26

goal Gynecologists pressurized

02:38:26 - 02:38:29

women to be vaccinated They tell

02:38:29 - 02:38:32

them that this protects Children or their

02:38:32 - 02:38:36

babies but I mean that's wrong because there's no long

02:38:36 - 02:38:39

term studies There's no way Anybody came

02:38:39 - 02:38:40

promised that

02:38:42 - 02:38:45

version and pressure is the rule of the

02:38:45 - 02:38:48

day Mainstream media

02:38:48 - 02:38:51

keep repeating the mantra The

02:38:51 - 02:38:55

Corona vaccination is Not violating the

02:38:55 - 02:38:58

number code and that is a blatant lie

02:39:02 - 02:39:05

Market leadership videos Tiktok by

02:39:05 - 02:39:09

listening put critical videos on

02:39:09 - 02:39:12

tiktok because it's a huge platform but I keep being

02:39:12 - 02:39:15

censored They keep deleting it My videos are

02:39:15 - 02:39:18

being blocked I keep having to open up New Chanos

02:39:18 - 02:39:22

nonetheless I keep at it because I want to reach out to people

02:39:22 - 02:39:24

want to tell them what's going on

02:39:29 - 02:39:32

There's something else I would like to share I mean what I

02:39:32 - 02:39:33

See

02:39:36 - 02:39:39

one of us Oh hold on actually something

02:39:39 - 02:39:41

else first so I'm women become

02:39:41 - 02:39:45

pregnant This How pressurizing starts with

02:39:45 - 02:39:48

vaccinations and when it's the onboard Children and

02:39:48 - 02:39:52

who actually asks these unborn Children were they

02:39:52 - 02:39:55

want to participate in these fucking

02:39:55 - 02:39:58

vaccination experiments Nobody gives a

02:39:58 - 02:39:59

toss

02:40:01 - 02:40:04

And cast to ask the unborn Children So

02:40:04 - 02:40:07

what happens to the unborn Children What will be

02:40:07 - 02:40:11

happening to them and those who are already born

02:40:11 - 02:40:14

So How what impact will the vaccination have on

02:40:14 - 02:40:18

the health of all these unborn Children We still don't

02:40:18 - 02:40:21

know so last but not least

02:40:21 - 02:40:24

Let me tell you what we as midwives

02:40:24 - 02:40:27

collected personally Um measures some a number of

02:40:27 - 02:40:30

observations but I would so I asked

02:40:30 - 02:40:33

around We are We have the telegram group with

02:40:33 - 02:40:36

more than 300 critical midwives and we

02:40:36 - 02:40:38

pulled or Um

02:40:38 - 02:40:40

observations

02:40:45 - 02:40:47

full Isn't this out and put

02:40:54 - 02:40:57

Unfortunately I was told I don't have enough time to read this

02:40:57 - 02:40:59

out But I can tell you this much

02:41:02 - 02:41:06

Yes We go ahead anyway Podcast

02:41:07 - 02:41:10

It's like those people Take the time and hold the mic

02:41:13 - 02:41:15

Be it but also back nontaxable

02:41:18 - 02:41:21

This is a recurring

02:41:21 - 02:41:25

event during pregnancy That's with

02:41:25 - 02:41:27

that goes without saying But We're here We know really

02:41:27 - 02:41:30

see Um more and more of these

02:41:30 - 02:41:34

cases we as critical midwives and keep note

02:41:34 - 02:41:37

Keep track of when vaccinations took place and when

02:41:37 - 02:41:40

These issues occurred so partly hyper

02:41:40 - 02:41:43

hyper Tonia and you can't adjust

02:41:43 - 02:41:46

extremely fatigue weakness

02:41:46 - 02:41:48

Pale women

02:41:48 - 02:41:50

Um

02:41:51 - 02:41:54

people feel dizzy without finding a reason

02:41:54 - 02:41:58

Asthma suddenly severe did

02:41:58 - 02:42:00

hear aeration I mean there was one lady who

02:42:00 - 02:42:03

kept using asthma's free

02:42:03 - 02:42:07

Tools three times a month Now She has to use it twice or

02:42:07 - 02:42:10

three times a day Allergies which

02:42:10 - 02:42:13

exist can become clearly more severe Afterward

02:42:13 - 02:42:17

Nation For instance I have one lady who had

02:42:17 - 02:42:20

suddenly had an allergy to an untie pipe Biotic

02:42:20 - 02:42:23

which you always used to tolerate well in

02:42:23 - 02:42:25

the in the past so always

02:42:25 - 02:42:29

infections and etcetera so

02:42:29 - 02:42:31

everybody gives blaming Corona But

02:42:32 - 02:42:35

Uh I mean people should start wondering whether it could be to do

02:42:35 - 02:42:38

with a weak immune owes me you know Sister

02:42:38 - 02:42:41

immunodeficiency system And Now

02:42:41 - 02:42:45

Here you get it and this was also in the video

02:42:45 - 02:42:48

which by the way was blocked in the meantime and we have

02:42:48 - 02:42:51

miscarriages within a period of three

02:42:51 - 02:42:54

months after vaccination were clearly

02:42:54 - 02:42:57

up And that is every time

02:42:57 - 02:43:01

one baby gets lost One baby

02:43:01 - 02:43:04

would show was eagerly anticipated by

02:43:04 - 02:43:05

its parents

02:43:07 - 02:43:10

So There's a clear concentration of miscarriages

02:43:10 - 02:43:13

Three months after vaccination I can just warn

02:43:13 - 02:43:17

any woman once we come back donated if you

02:43:17 - 02:43:20

plan on getting vaccinated

02:43:20 - 02:43:23

Just take the test whether you're pregnant

02:43:23 - 02:43:27

Suddenly I also came across cases where

02:43:27 - 02:43:30

well where we had serious issues in

02:43:30 - 02:43:33

the early stage of pregnancy where organs are

02:43:33 - 02:43:36

created and one last thing as

02:43:36 - 02:43:40

long as It's an Asian may have any kind

02:43:40 - 02:43:43

of adverse events there shall and may

02:43:43 - 02:43:46

not be a mandatory vaccination

02:43:50 - 02:43:53

You always always

02:43:55 - 02:43:58

And China will have to take the

02:43:58 - 02:44:01

decision yourself so it's your free choice Do You

02:44:01 - 02:44:05

Trust your immuno system And will

02:44:05 - 02:44:08

you be able to put up with the disease or will you be

02:44:08 - 02:44:11

vaccinated And will you put up with the potential adverse

02:44:12 - 02:44:15

effects I can just tell you this way but this one

02:44:15 - 02:44:18

no way will be vaccinated or will

02:44:18 - 02:44:22

live with the consequences Thank you so much he has meant for

02:44:22 - 02:44:25

this passionate speech Great

02:44:25 - 02:44:28

That's very courageous and strong

02:44:28 - 02:44:30

speech and we

02:44:30 - 02:44:34

have two or three items or not to do list Let

02:44:34 - 02:44:37

me look up Now

02:44:37 - 02:44:40

we have somebody here from students stand

02:44:40 - 02:44:44

up or make a son What Did you see who was on the road in

02:44:44 - 02:44:46

Nuremberg so he had the students take to the

02:44:46 - 02:44:47

street

02:44:49 - 02:44:50

next to me

02:44:52 - 02:44:55

Christian studio Denton stain of so he was a

02:44:55 - 02:44:58

student of dentistry So

02:44:58 - 02:45:01

Why is it an issue for your 25 years

02:45:03 - 02:45:05

Ah number code

02:45:06 - 02:45:09

75 Well it didn't play a role in my

02:45:09 - 02:45:13

education I didn't hear anything about it

02:45:13 - 02:45:15

But For the first time I heard about the number

02:45:15 - 02:45:18

code about mid

02:45:18 - 02:45:22

2020 and I thought it was very

02:45:22 - 02:45:25

impressive because I

02:45:25 - 02:45:29

was trained as a physiotherapists and osteopaths and

02:45:29 - 02:45:32

right now I am becoming a dentist's

02:45:32 - 02:45:35

and I was very impressed by the fact that I had never heard about the

02:45:35 - 02:45:39

number code before I think today it is more

02:45:39 - 02:45:42

topical than Evan This is why it's great to see that you've

02:45:42 - 02:45:46

come in sort of great numbers Yes Also The

02:45:46 - 02:45:49

students have come here and you said

02:45:49 - 02:45:52

you never heard about it in your education in your training

02:45:52 - 02:45:55

But I mean these I have vital

02:45:55 - 02:45:59

Guidelines for um medical

02:45:59 - 02:46:02

items also with regard to dentists Yes

02:46:02 - 02:46:05

I share this point of view and the same goes for

02:46:05 - 02:46:08

any healthcare professionals

02:46:10 - 02:46:14

Anyone doing a service to humans should be very much

02:46:14 - 02:46:17

aware of the ethical principles of the norm Barcode

02:46:17 - 02:46:20

And should inform or should be

02:46:20 - 02:46:23

informed by the Nuremberg code in their action In my view

02:46:24 - 02:46:27

The number code should be a fixed part of

02:46:27 - 02:46:30

the um curriculum of any kind

02:46:30 - 02:46:33

of training in the healthcare sector

02:46:33 - 02:46:36

so it should receive a hybrid

02:46:36 - 02:46:40

profile also in training education

02:46:40 - 02:46:43

So Do You have any anything else Yes

02:46:43 - 02:46:46

I am um proud

02:46:46 - 02:46:49

that students staying off could

02:46:49 - 02:46:52

spontaneously organized the

02:46:52 - 02:46:54

participation in this rally

02:46:58 - 02:47:00

They spontaneously we came

02:47:00 - 02:47:04

involved And even though it's

02:47:04 - 02:47:07

the summer hiatus I mean

02:47:07 - 02:47:10

when the going gets tough even though the you

02:47:10 - 02:47:13

know it's kind of

02:47:13 - 02:47:17

um calm down as students stain

02:47:17 - 02:47:20

of but when the going gets tough we are there

02:47:20 - 02:47:22

And um

02:47:23 - 02:47:26

we stand by the principles of the number

02:47:26 - 02:47:30

code and the opposed

02:47:30 - 02:47:33

we shall uphold them in or next come next

02:47:33 - 02:47:36

autumn and especially

02:47:36 - 02:47:38

in science education

02:47:39 - 02:47:42

And Of course I am in touch with medical

02:47:42 - 02:47:45

students across the whole of Germany

02:47:46 - 02:47:48

Who are unvaccinated

02:47:52 - 02:47:55

And of course subject to tremendous

02:47:55 - 02:47:58

pressure and on their

02:47:58 - 02:48:01

first day of internship they're sent home

02:48:01 - 02:48:05

again once people under their employer understands they're

02:48:05 - 02:48:08

not vaccinated when they didn't leave university when

02:48:09 - 02:48:12

uh with the vaccination so

02:48:13 - 02:48:16

The The messages can take a

02:48:16 - 02:48:18

professional life and the message message

02:48:18 - 02:48:22

is you know because this is a

02:48:22 - 02:48:25

physio mechanical way of observing

02:48:26 - 02:48:29

human beings which completely ignores the nature of

02:48:29 - 02:48:32

human beings and we listened to a wonderful

02:48:32 - 02:48:35

piece to begin with And I would like to

02:48:35 - 02:48:38

quote Key is scientist in

02:48:38 - 02:48:42

DNA Um DNA scientist and

02:48:42 - 02:48:44

researcher and we would not

02:48:44 - 02:48:47

leave the sounds out and just

02:48:47 - 02:48:51

described music as metal and you

02:48:51 - 02:48:54

know follow its etcetera but I mean

02:48:54 - 02:48:57

medicine is much more than just anatomy of

02:48:57 - 02:49:00

physiognomy as said And Therefore We need

02:49:00 - 02:49:04

to concede human dignity to human

02:49:04 - 02:49:07

beings and human dignity involves free choice

02:49:07 - 02:49:11

safety termination that needs to be done deal

02:49:11 - 02:49:14

otherwise individuals dignified individual

02:49:14 - 02:49:17

signified human beings

02:49:17 - 02:49:21

Ah will become devoid of their

02:49:21 - 02:49:24

essence dignity So It's a

02:49:24 - 02:49:27

physical concept because otherwise we're crossing red

02:49:27 - 02:49:30

lines treating human

02:49:30 - 02:49:34

beings as objects Uh and they

02:49:34 - 02:49:37

won't have any free choice And They are

02:49:37 - 02:49:40

nothing but biological

02:49:40 - 02:49:44

accumulation of cells that can be digested This is why

02:49:44 - 02:49:47

the human rights and dignities

02:49:47 - 02:49:50

inalienable and it's not a no

02:49:50 - 02:49:54

brainer We need to fight for it We need to set up

02:49:54 - 02:49:56

islands like this one here today we need to

02:49:56 - 02:49:59

network and we need to stand up for this System

02:49:59 - 02:50:03

of principles Thank you so much Thank you very much Christian who have not

02:50:04 - 02:50:07

from student interest in off

02:50:12 - 02:50:15

I'm supposed to make one short and

02:50:15 - 02:50:18

announcement There are people from anti

02:50:18 - 02:50:21

far amongst you if you

02:50:21 - 02:50:25

have one of those guys in front of you that provokes

02:50:25 - 02:50:28

you go down so they can be localized

02:50:28 - 02:50:31

and they can be kicked out by

02:50:32 - 02:50:35

Security people and then handed over to the

02:50:35 - 02:50:37

police Thank you

02:50:39 - 02:50:39

Yes

02:50:42 - 02:50:44

it is going to join us now

02:50:45 - 02:50:48

Human She belongs to we for

02:50:48 - 02:50:52

humanity Must are you want to give us a

02:50:52 - 02:50:54

short statement A Short speech Okay good

02:50:57 - 02:51:00

We thought humanity is an intensity reform

02:51:02 - 02:51:06

Where initiative of Holocaust Holocaust

02:51:06 - 02:51:08

survival I'm

02:51:11 - 02:51:13

Here I'm Not here by myself

02:51:15 - 02:51:18

huh There's also just for justice from UK

02:51:18 - 02:51:21

and Jews for

02:51:22 - 02:51:25

Of clearing universe from Austria

02:51:28 - 02:51:31

So this is a Holocaust survivors and their descendants of

02:51:31 - 02:51:32

course

02:51:39 - 02:51:42

In the past 2.5 years I see one

02:51:42 - 02:51:43

vision

02:51:45 - 02:51:48

Listen to her a ride through a dark

02:51:48 - 02:51:51

tunnel but I'm surrounded by people who carry

02:51:51 - 02:51:54

lights and you guys are the light

02:52:00 - 02:52:03

They meet Jesus listening to make

02:52:03 - 02:52:06

sure that this slide will not

02:52:06 - 02:52:10

go dark We have to make the right decisions

02:52:10 - 02:52:12

so that the darkness goes away

02:52:12 - 02:52:15

altogether We're all facing

02:52:15 - 02:52:19

difficult choices in these hard times

02:52:19 - 02:52:22

but it's easy to take the Right Road to use

02:52:22 - 02:52:25

the Nuremberg code That's Your

02:52:25 - 02:52:28

guideline because the

02:52:28 - 02:52:32

human rights are unalienable we

02:52:32 - 02:52:33

can say no

02:52:36 - 02:52:39

Yeah they're in shared among each decision that has

02:52:39 - 02:52:43

to do with a violation of our dignity is

02:52:43 - 02:52:46

wrong lockdowns

02:52:46 - 02:52:48

segregation

02:52:49 - 02:52:53

and those that die by themselves

02:52:53 - 02:52:56

the ones that give us our lives and

02:52:56 - 02:52:59

uh This is touching our bodies without our

02:52:59 - 02:53:01

consent All of that is wrong

02:53:07 - 02:53:10

Did you hall some of digital

Ham and stole seven ish now here is missing

03:08:28 - 03:08:30

No There is another chair

03:08:31 - 03:08:33

Assaraf There is your seat

03:08:37 - 03:08:38

Hmm

03:08:42 - 03:08:43

Beside you

03:08:47 - 03:08:48

That was my story

03:08:51 - 03:08:53

Doctor You're viruses in the middle of

03:08:55 - 03:08:58

Hmm Please Sit down Sit back Thank

03:08:58 - 03:08:59

03:09:04 - 03:09:07

we're ready to go more people than chairs

03:09:07 - 03:09:10

but I think that's the problem that we can handle

03:09:13 - 03:09:14

I'm very analogous

03:09:16 - 03:09:17

of the USSR period

03:09:21 - 03:09:23

No we still have doctor Irv's

moment we have the new chair Everybody's B will be

03:09:36 - 03:09:40

seated and then we can kick off If not uber

03:09:40 - 03:09:43

do does it himself and I'm leaving and taking a break over

03:09:43 - 03:09:46

where Are you How about that You do it by yourself

03:09:46 - 03:09:47

Yeah

03:09:49 - 03:09:50

All right Fair enough

03:09:53 - 03:09:56

The complex is it This is a very complex situation

03:09:56 - 03:09:59

because we have guests was speak English Others speak German

03:09:59 - 03:10:02

only and the English

03:10:02 - 03:10:05

statements will be transmitted right here on

03:10:05 - 03:10:08

stage so that all of

03:10:08 - 03:10:11

you understand what we are

03:10:11 - 03:10:14

discussing was very good in

03:10:14 - 03:10:17

English and he understands Uh

03:10:17 - 03:10:20

what we're talking about So He will take on that

03:10:20 - 03:10:24

bit and I only speak

03:10:24 - 03:10:26

German That's easier for me

03:10:29 - 03:10:31

Cabana That's so unreasonable

03:10:33 - 03:10:36

people were applauding you a lot

03:10:36 - 03:10:37

Everybody's happy

03:10:45 - 03:10:48

Healing dunk So

03:10:48 - 03:10:49

much

03:10:51 - 03:10:54

She could be talking all evening That's a bit too much

03:10:54 - 03:10:57

because she has sole much knowledge was

03:10:57 - 03:11:00

she told me she can be briefed to better what

03:11:00 - 03:11:04

made you come here to the Nuremberg Code You

03:11:04 - 03:11:07

are an expert lawyer from medical

03:11:07 - 03:11:10

issues Yours and author You are

03:11:10 - 03:11:14

well versed in the subject matter Why Are you here Yes

03:11:14 - 03:11:16

Thank you for the question because I'm a

03:11:16 - 03:11:20

Specialist as a lawyer from medical

03:11:20 - 03:11:23

law and I Guess I was

03:11:23 - 03:11:26

contacted by thousands of physicians

03:11:26 - 03:11:28

dentists therapist

03:11:29 - 03:11:32

and you know rather you know

03:11:32 - 03:11:35

informed them about topics such as the

03:11:35 - 03:11:38

Nuremberg code because they normally code It

03:11:38 - 03:11:41

is applicable Law

03:11:42 - 03:11:46

and you know I still need to

03:11:46 - 03:11:48

sit here and explain that

03:11:48 - 03:11:52

fact and for me as some of

03:11:52 - 03:11:55

US specialist in medical law this is very much the

03:11:55 - 03:11:58

most single most important

03:11:58 - 03:12:00

event of the year

03:12:03 - 03:12:06

That's why I'm here Mr

03:12:06 - 03:12:10

Berger coding So The Nuremberg

03:12:10 - 03:12:13

code is applicable Law How come

03:12:13 - 03:12:17

These are temporary Sipple's uh

03:12:17 - 03:12:20

which were adopted by the military

03:12:20 - 03:12:23

tribunals 75 years ago on the 20th of August

03:12:23 - 03:12:25

1947

03:12:26 - 03:12:29

And The defined in a very

03:12:29 - 03:12:32

detailed whereas and

03:12:32 - 03:12:36

specifying does the red

03:12:36 - 03:12:38

lines and the brigandish ins under

03:12:38 - 03:12:41

which medical experiments

03:12:42 - 03:12:44

may be conducted in a

03:12:45 - 03:12:47

medically and ethically admissible

03:12:47 - 03:12:49

manner

03:12:51 - 03:12:55

So Where do you draw the red line towards you know

03:12:55 - 03:12:57

personal injury and

03:12:58 - 03:13:01

Killing someone on but

03:13:01 - 03:13:04

I have already pointed it out of one wasn't developed

03:13:04 - 03:13:08

by the medical of them Military travel

03:13:08 - 03:13:11

you know but in the

03:13:11 - 03:13:14

Weimar Republic we had 14 principles

03:13:16 - 03:13:18

sides I don't meditate

03:13:20 - 03:13:23

and mentioned Cash in which

03:13:23 - 03:13:26

we're laid down for new medical

03:13:26 - 03:13:27

attempts

03:13:30 - 03:13:30

Please

03:13:32 - 03:13:33

Republic

03:13:35 - 03:13:38

and these principles are applicable law They are

03:13:38 - 03:13:41

enshrined in the criminal code because

03:13:41 - 03:13:44

without informed patient

03:13:44 - 03:13:47

choice and patient

03:13:47 - 03:13:50

consent Any medical intervention

03:13:50 - 03:13:53

constitutes personal injury

03:13:55 - 03:13:58

And That is a matter of a fact It

03:13:58 - 03:14:00

is the applicable law in

03:14:00 - 03:14:04

Germany And let

03:14:04 - 03:14:05

me finish the sentence

03:14:06 - 03:14:10

without you know informed

03:14:10 - 03:14:12

consent The consent is No

03:14:12 - 03:14:15

not valid and therefore

03:14:15 - 03:14:18

the physician can be prosecuted you

03:14:18 - 03:14:21

too Ah a

03:14:21 - 03:14:24

defect in the information

03:14:24 - 03:14:27

obligation and they are personally liable for

03:14:28 - 03:14:31

images much for that up to here

03:14:31 - 03:14:34

Now over now we need

03:14:34 - 03:14:37

microphones This one Yeah This one is

03:14:37 - 03:14:38

working

03:14:39 - 03:14:43

Um short um paraphrase

03:14:43 - 03:14:46

ation of what has been said It's basically what

03:14:46 - 03:14:49

Mary and Vera have already been saying

03:14:49 - 03:14:52

Um so the German contribution to

03:14:52 - 03:14:55

the medical ethics and the fact

03:14:55 - 03:14:59

that it is existing

03:14:59 - 03:15:02

law power and powerful law and this

03:15:02 - 03:15:05

was Set by battle banner who is one of the

03:15:05 - 03:15:09

eminent German lawyers of the

03:15:09 - 03:15:12

resistance If so to speak and has been

03:15:12 - 03:15:15

also had severe personal retributions against

03:15:15 - 03:15:19

herself Now If you

03:15:19 - 03:15:22

had The carbon happening here and missing

03:15:23 - 03:15:26

Deutsche on the English after podium to bring

03:15:26 - 03:15:28

in businesses and so fast in the middle of vinegar and

03:15:30 - 03:15:33

facilitate the discussion mixed

03:15:33 - 03:15:37

along Magic group and my first question goes to

03:15:37 - 03:15:40

Vera Sharaf I'll unruly guest and I would

03:15:40 - 03:15:43

like to know from Vera How Did you hurt happen You know

03:15:43 - 03:15:47

what we heard today came as a surprise

03:15:47 - 03:15:50

for great Many people here but nobody knew that she would

03:15:50 - 03:15:53

be coming and I would like to speak about that Ah

03:15:54 - 03:15:58

Forced to not tell anybody

03:15:58 - 03:16:01

of your coming to Nuremberg and speak

03:16:01 - 03:16:03

because there was a president's in

03:16:03 - 03:16:07

January this year when you

03:16:07 - 03:16:10

came to Brussels and just

03:16:10 - 03:16:13

tell us what happened then and why it is

03:16:13 - 03:16:16

important for you to have come here

03:16:18 - 03:16:21

Thank you sit down It's

03:16:21 - 03:16:24

on it's on Can You hear me Yeah

03:16:25 - 03:16:28

Well We came to Brussels for a

03:16:28 - 03:16:31

demonstration Against the vaccine

03:16:31 - 03:16:34

mandates so to speak And before

03:16:35 - 03:16:38

Any speaker could get on the stage They

03:16:38 - 03:16:41

came and took down the stage and

03:16:41 - 03:16:44

blamed it They tried to blame it

03:16:44 - 03:16:47

on uh rowdiness

03:16:47 - 03:16:51

and you know terrorism and all this

03:16:51 - 03:16:54

It was just to shut us up Well we didn't shut

03:16:54 - 03:16:58

up Exactly We couldn't do it Demonstration

03:16:58 - 03:17:01

outside So We were in a small restaurant

03:17:01 - 03:17:05

We filmed it And it's there for all

03:17:05 - 03:17:08

to see But the fact that

03:17:08 - 03:17:11

they did this Really

03:17:11 - 03:17:14

showed that they are threatened They

03:17:14 - 03:17:16

feel threatened by us

03:17:17 - 03:17:20

Making the parallels

03:17:20 - 03:17:23

identifying the parallels between then and

03:17:23 - 03:17:27

now because if everybody started

03:17:27 - 03:17:30

to realize That There are parallels

03:17:30 - 03:17:33

and where those parallels lead

03:17:33 - 03:17:36

Then Everybody would stop

03:17:36 - 03:17:39

obeying and that's really we need to know

03:17:39 - 03:17:43

Do not obey that empowers them

03:17:43 - 03:17:45

Give it Thank you very much

03:17:48 - 03:17:51

And for this question first and one

03:17:51 - 03:17:54

issue as he cuts him No matter is um actually where I grew up with

03:17:54 - 03:17:57

Hartmann in Brussels for Indian Walter European that had us

03:17:58 - 03:18:01

even fights when and as it grows and greenish placed there does

03:18:01 - 03:18:04

03:18:04 - 03:18:07

class Does an zoysia invoices Observation

03:18:07 - 03:18:10

03:18:17 - 03:18:20

the meaning for safety and his own learning

03:18:20 - 03:18:22

agenda Uh

03:18:31 - 03:18:34

Listen I'm Tamara isn't so as we

03:18:34 - 03:18:37

are talking about this

03:18:37 - 03:18:40

uh this issue I would like to

03:18:40 - 03:18:43

come to past only Cady's

03:18:43 - 03:18:46

03:18:46 - 03:18:49

Europe Uh um personal

03:18:49 - 03:18:52

experience with retribution

03:18:52 - 03:18:55

and and Hostel

03:18:55 - 03:18:58

hostility against you As a pastor Haley's

03:18:59 - 03:19:03

03:19:17 - 03:19:21

03:19:21 - 03:19:23

03:19:23 - 03:19:24

03:21:40 - 03:21:44

Davis Tyga candidness onboard shaft from

03:21:44 - 03:21:47

Martin Luther is damage We haven't

03:21:47 - 03:21:50

03:21:50 - 03:21:54

the even Burtless Skydive to Scott owns it Signed

03:21:54 - 03:21:57

03:22:01 - 03:22:04

Toft Ist had said What indirect and tragic

03:22:04 - 03:22:08

to God on staying tough Newman's does

03:22:08 - 03:22:09

Schneiderlin Hmm

03:22:15 - 03:22:18

But This helps status of Neiman to earn

03:22:18 - 03:22:21

Dina wiser once mentioned to be

03:22:21 - 03:22:24

stim kind mentioned had crashed in

03:22:24 - 03:22:28

these goddesses in British kite as we are the skating

03:22:28 - 03:22:31

uber from goods and I cry from Vada unknowns on

03:22:31 - 03:22:35

Carpathia thinking knocking on the

03:22:35 - 03:22:36

vein

03:22:41 - 03:22:44

So just to paraphrase it was Of course the

03:22:44 - 03:22:47

question The answer was coined to

03:22:47 - 03:22:51

the fact that it is dignity human dignity

03:22:51 - 03:22:54

as human Shinde there which does not depend on

03:22:54 - 03:22:57

as being able to go to the Bible or to the to the

03:22:57 - 03:23:01

hairstresser Human dignity is something which

03:23:01 - 03:23:03

has got given This is

03:23:03 - 03:23:07

was pastor on Mikhail's has has explained

03:23:07 - 03:23:10

And he also reminded us of our Of

03:23:10 - 03:23:13

our um of our responsibilities

03:23:13 - 03:23:17

responsibility to take to take decisions on our

03:23:17 - 03:23:19

own to think of on our own May

03:23:19 - 03:23:23

I would like to ask you one

03:23:23 - 03:23:26

question Doctor Tess Laurie we haven't see collection of an

03:23:26 - 03:23:30

radio buttons Villages question now

03:23:30 - 03:23:33

but in the Amazon Basin list in punked Having valuable helped

03:23:33 - 03:23:37

and the fashion the East we

03:23:37 - 03:23:39

own a pinkish konnen Elster

03:23:40 - 03:23:44

So it's you You will be speaking later The question is

03:23:44 - 03:23:44

now

03:23:46 - 03:23:49

Independent Science how

03:23:49 - 03:23:52

independent doctors and how independent science

03:23:52 - 03:23:55

to perform there The job that duty

03:24:02 - 03:24:05

Independent science That's quite a tricky question At

03:24:05 - 03:24:08

This stage There is independent

03:24:08 - 03:24:12

science and scientists but they have been ignored

03:24:12 - 03:24:14

throughout the entirety of the pandemic

03:24:14 - 03:24:17

So the scientists and doctors who

03:24:17 - 03:24:20

have upheld the Hippocratic Earth have upheld the

03:24:20 - 03:24:24

Nuremberg heard in the principles thereof Have not been

03:24:24 - 03:24:27

heard during the last 23 years

03:24:27 - 03:24:31

And so this this so called science that the

03:24:31 - 03:24:33

public has presented with is a

03:24:33 - 03:24:36

corrupted um

03:24:36 - 03:24:39

corrupted version of the scientists really just

03:24:39 - 03:24:42

propaganda and I Think all Germans

03:24:42 - 03:24:45

know the power of propaganda And We

03:24:45 - 03:24:48

must we must say no We will not

03:24:48 - 03:24:52

We will not consider this propaganda science

03:24:52 - 03:24:55

We want real scientists independent scientists who are

03:24:55 - 03:24:58

not taking money from big farmer or government

03:24:58 - 03:24:59

agencies

03:25:01 - 03:25:04

Position Cabana to that

03:25:04 - 03:25:08

business Shafting doctor Tess laureate had had said that operated

03:25:08 - 03:25:11

has given too little girl after the era

03:25:11 - 03:25:12

of Valium and

03:25:14 - 03:25:17

drinks which is in Chicago marked when this is

03:25:18 - 03:25:21

a few months other this year These um

03:25:23 - 03:25:26

leader stained this fear Moody sent onto the

03:25:26 - 03:25:29

police taking and then jump to

03:25:30 - 03:25:31

to

03:25:38 - 03:25:41

I want to I want to mention a scientist who's

03:25:41 - 03:25:44

being harassed by legal

03:25:44 - 03:25:46

action because he dared to

03:25:46 - 03:25:49

criticize some Israelis

03:25:49 - 03:25:52

Well I criticize some Israelis

03:25:52 - 03:25:55

that is not a crime We can

03:25:55 - 03:25:58

criticize people of any

03:25:58 - 03:26:01

group Where individuals People

03:26:01 - 03:26:04

do things and people need to be held

03:26:04 - 03:26:07

accountable There's nothing anti

03:26:07 - 03:26:10

Semitic about criticizing

03:26:10 - 03:26:14

somebody who's Jewish just as if I criticize

03:26:14 - 03:26:17

someone who's Catholic doesn't mean all Catholics have

03:26:17 - 03:26:20

to come after me We have to

03:26:20 - 03:26:21

recognize

03:26:23 - 03:26:25

Here is enough reason

03:26:28 - 03:26:31

to how I hear impact Angela

03:26:31 - 03:26:35

isn't the outside among this live streams not over for

03:26:35 - 03:26:39

Montana was at some cabin dividers If It's a it is I was

03:26:39 - 03:26:42

just in here and

03:26:42 - 03:26:45

nationality outside But if I

03:26:46 - 03:26:48

already working in treating the rest on does alliance won

03:26:49 - 03:26:49

the

03:26:51 - 03:26:54

03:28:27 - 03:28:30

from the other Bonner who To the notion of

03:28:30 - 03:28:33

corruption and science said five years ago there was a

03:28:33 - 03:28:36

law passed in Germany against

03:28:36 - 03:28:40

corruption in the medical profession

03:28:41 - 03:28:43

which she wrote a textbook about it

03:28:43 - 03:28:47

was well received by

03:28:47 - 03:28:51

the public and she said it was the most naive textbook

03:28:51 - 03:28:54

she has ever written She wouldn't have dreamed about the amount of

03:28:54 - 03:28:56

corruption that has now surfaced

03:28:59 - 03:29:01

Under This problem Doctor

Com Globovision So I will this

03:29:32 - 03:29:35

time speaking English and

03:29:36 - 03:29:39

The corruption that we see today was there since

03:29:39 - 03:29:43

many years There was a time it was called

03:29:43 - 03:29:46

Jude in Busan shot versus Irish isn't

03:29:46 - 03:29:48

shaft On

03:29:49 - 03:29:53

and I felt the

03:29:53 - 03:29:55

problems with normal fundamental

03:29:55 - 03:29:58

science That had nothing

03:29:58 - 03:30:01

ideological and nothing

03:30:02 - 03:30:05

Financial and trots and what's

03:30:05 - 03:30:05

the

03:30:09 - 03:30:12

And But still there were problems You couldn't

03:30:12 - 03:30:15

publish it or it was very difficult to publish and

03:30:15 - 03:30:18

so on And You couldn't understand why

03:30:19 - 03:30:22

So Now I understand why I am being censored

03:30:22 - 03:30:25

Because I speak I published against

03:30:26 - 03:30:29

This specific vaccine not any vaccine

03:30:29 - 03:30:31

that one that specific one

03:30:32 - 03:30:35

But It was there since a very long

03:30:35 - 03:30:38

time and it's there is a corruption of

03:30:38 - 03:30:41

demand if the straight rational analyst

03:30:41 - 03:30:45

sis That is the The need

03:30:45 - 03:30:48

for that we need for science

03:30:48 - 03:30:51

And It's basically you barely find

03:30:51 - 03:30:55

any scientist with whom you can have a real

03:30:55 - 03:30:56

conversation

03:30:58 - 03:31:01

Now By totally by

03:31:01 - 03:31:04

chance There wasn't an Israeli uh

03:31:04 - 03:31:07

online paper some data that were being

03:31:07 - 03:31:09

published in February

03:31:09 - 03:31:12

2021

03:31:12 - 03:31:15

And This was very little data and he was being said

03:31:15 - 03:31:18

Yes You see there are many more deaths

03:31:19 - 03:31:22

among the non vaccinated which was the

03:31:22 - 03:31:25

majority of people in Israel at that time

03:31:25 - 03:31:29

versus in the vaccinated But of course there were so

03:31:29 - 03:31:31

many fewer If You did a

03:31:31 - 03:31:35

percentage Okay Annelise

03:31:35 - 03:31:38

issue would see that Taking into account the

03:31:38 - 03:31:41

sample sizes There were many more

03:31:41 - 03:31:45

proportionally among these among

03:31:45 - 03:31:48

the vaccinated than among the non vaccinated so

03:31:48 - 03:31:51

and it was extremely easy to see because you only had

03:31:51 - 03:31:54

to do percentage

03:31:54 - 03:31:56

calculation But

03:31:57 - 03:31:59

People weren't the people who

03:31:59 - 03:32:03

used that they saw people could not secret

03:32:03 - 03:32:06

not do that percentage calculation and that's

03:32:06 - 03:32:09

amazing that corruption of demand

03:32:10 - 03:32:13

If the general public and of the scientists

03:32:13 - 03:32:16

It's amazing the city that this could work

03:32:16 - 03:32:19

and with this very little data in

03:32:19 - 03:32:23

February Early in 2021

03:32:23 - 03:32:25

You would know this can't work

03:32:26 - 03:32:28

I published in September 22

03:32:28 - 03:32:32

2021 That there was the

03:32:32 - 03:32:35

more you you you vaccinated

03:32:35 - 03:32:39

country The fewer There were birth

03:32:39 - 03:32:42

in that country for women So and

03:32:42 - 03:32:46

it's only being found today but it was obvious almost a

03:32:46 - 03:32:48

year ago Sorry Yes

03:32:49 - 03:32:52

you It's a passion of a scientist

03:32:52 - 03:32:56

as the Latin chef and his visit shaft dizzy here guys that

03:32:57 - 03:32:59

corruption and in diversity shopping

03:33:00 - 03:33:03

03:33:03 - 03:33:06

initial Anggada says that some kind of

03:33:06 - 03:33:10

corruption and it says that some there there and the

03:33:10 - 03:33:13

stagnant for standards One funds Island

03:33:13 - 03:33:16

03:33:17 - 03:33:20

03:33:34 - 03:33:37

03:33:41 - 03:33:44

03:33:47 - 03:33:48

English

03:33:51 - 03:33:55

So If I may continue with the question We

03:33:55 - 03:33:58

have two Panelists here sitting right

03:33:58 - 03:34:01

next to me on either side Um from South

03:34:01 - 03:34:05

Africa So I guess to the links and

03:34:05 - 03:34:08

rest funding medicine Divide US in Africa stamina Doctor

03:34:08 - 03:34:11

Tess Laurie lived in Ghost Battalion is the

03:34:11 - 03:34:14

03:34:15 - 03:34:18

Leapt our in Africa and he would have gotten

03:34:18 - 03:34:21

by the Dragonflies test going first

03:34:22 - 03:34:25

and then Shabnam answering So please

03:34:25 - 03:34:29

tell us a little bit about South Africa in particular

03:34:29 - 03:34:32

and maybe also Africa in general

03:34:33 - 03:34:36

Shabnam What is it that makes people

03:34:36 - 03:34:39

rise Um Down under No It's not done

03:34:39 - 03:34:42

under its in South Africa at the

03:34:42 - 03:34:43

Cape

03:34:46 - 03:34:49

South Africans know what corruption looks

03:34:49 - 03:34:52

like We've had a series of corrupt

03:34:52 - 03:34:55

governments for stretching you know a

03:34:55 - 03:34:58

century And so

03:34:58 - 03:35:02

not only can we recognize corruption We also

03:35:02 - 03:35:04

know the power of corrupt

03:35:04 - 03:35:07

governments We know the power of their

03:35:07 - 03:35:10

propaganda In actual fact Goebbels

03:35:10 - 03:35:13

was one of the architects of

03:35:13 - 03:35:15

apartheid and the propaganda

03:35:16 - 03:35:19

war in South Africa that led to the division of

03:35:19 - 03:35:23

many many people and so much

03:35:23 - 03:35:26

pain and suffering So as South Africans We

03:35:26 - 03:35:30

also know the power of the people

03:35:30 - 03:35:32

and this is heart power

03:35:35 - 03:35:36

Yeah

03:35:38 - 03:35:41

And hard power trumps evil every

03:35:41 - 03:35:44

time I think it's really

03:35:44 - 03:35:47

important that people recognize the

03:35:47 - 03:35:51

that we are all responsible for the

03:35:51 - 03:35:54

situation we're in now And

03:35:54 - 03:35:57

that justice and truth justice

03:35:57 - 03:36:00

is slow and truth will take time to be

03:36:00 - 03:36:02

revealed in full

03:36:05 - 03:36:08

And It may be that well it's we really can't

03:36:08 - 03:36:11

wait for that So You know I

03:36:11 - 03:36:14

personally from us from

03:36:14 - 03:36:18

my roots What I'm What I'm Being

03:36:18 - 03:36:21

told really is that we really have to

03:36:21 - 03:36:24

We Can't wait We need to unite We can't let we

03:36:24 - 03:36:27

can't be divided like

03:36:27 - 03:36:31

history has shown us We can be over and

03:36:31 - 03:36:34

over again We really need to unite

03:36:34 - 03:36:37

together And and with

03:36:37 - 03:36:41

our hearts and our love and community

03:36:41 - 03:36:44

um you know just saying no to this

03:36:44 - 03:36:47

evil and um And

03:36:47 - 03:36:51

get get going on a better way Thank You

03:36:51 - 03:36:52

would consent first

03:36:54 - 03:36:57

Is it Africa had And They have found

03:36:57 - 03:37:00

option on the ultimate the missile fund market

03:37:01 - 03:37:04

outside the apartheid Do not forget about China Cosafa

03:37:04 - 03:37:08

Wrong midst marked this focused made

03:37:08 - 03:37:11

a martyr before Garang timeless when

03:37:11 - 03:37:14

the Susanna student and sofina Dr Lori that and another

03:37:14 - 03:37:17

03:37:18 - 03:37:20

we should negotiate state might be the

03:37:21 - 03:37:25

Linda prefer government So Trenin

03:37:25 - 03:37:28

does good with you better spurs triumph urine

03:37:29 - 03:37:32

when via the craft hub of once again minds I'm

03:37:32 - 03:37:35

a power to command the aircraft to present it

03:37:39 - 03:37:42

So Shabnam Let's hear from

03:37:42 - 03:37:45

you And Maybe Even you have a

03:37:45 - 03:37:49

background as a as a journalist

03:37:49 - 03:37:52

as a lawyer and and you

03:37:52 - 03:37:56

have been um watching closely What happened in

03:37:56 - 03:37:59

Africa as a whole even beyond Africa So What is

03:37:59 - 03:38:02

your impression will hear later from you and your speech

03:38:02 - 03:38:06

Don't give too much away but tell us a little bit about

03:38:06 - 03:38:09

what's going on in Africa and also

03:38:09 - 03:38:12

with was maybe a relation to the

03:38:12 - 03:38:16

supernatural institutions as a guest

03:38:16 - 03:38:19

of Chapman visits journalists and

03:38:19 - 03:38:22

on welding inside Langen by the

03:38:22 - 03:38:25

invaders stand Nobody continent in vector for medicine

03:38:26 - 03:38:30

Danko uber So I think the first thing I want to say is that Africa

03:38:30 - 03:38:33

loves you We are with you We are together

03:38:34 - 03:38:37

And We are united And when the people are

03:38:37 - 03:38:40

united we will never be defeated That's what we

03:38:40 - 03:38:43

have to remember So Africa has a long

03:38:43 - 03:38:46

living memory of pharmaceutical industry

03:38:46 - 03:38:49

experiments strongly connected to the military

03:38:49 - 03:38:53

industrial complex in Kenya For example

03:38:53 - 03:38:56

if you've watched the film that CHD co produced

03:38:56 - 03:38:59

called infertility a diabolical agenda

03:38:59 - 03:39:03

they were experiments done on Kenyan people where they were

03:39:03 - 03:39:06

told they were given tetanus injections that

03:39:06 - 03:39:09

was laced with hCG that made

03:39:09 - 03:39:12

millions of girls and women infertile

03:39:13 - 03:39:16

And that was perpetrated by the W H

03:39:16 - 03:39:20

o and I firmly believe that W H O has

03:39:20 - 03:39:23

no place in making any decisions about

03:39:23 - 03:39:26

our help because of the complex of interest because

03:39:26 - 03:39:27

they are corrupt

03:39:35 - 03:39:37

But because they also come from South Africa what we're

03:39:37 - 03:39:40

experiencing right now during the C 19

03:39:40 - 03:39:44

chapter and it's only a chapter It's not our entire

03:39:44 - 03:39:47

history The parallels are there in South

03:39:47 - 03:39:50

Africa the black masses were exposed to

03:39:50 - 03:39:52

chemical and biological weapons

03:39:52 - 03:39:56

experimentation torture and violence The

03:39:56 - 03:39:59

violence of censorship We can see those

03:39:59 - 03:40:02

parallels now and adds a South African I am able to say that

03:40:02 - 03:40:05

what we're experiencing now is also apartheid

03:40:05 - 03:40:08

division But the

03:40:12 - 03:40:15

And So of course Nuremberg is so significant in terms

03:40:15 - 03:40:19

of informed consent We have to hold on to our right to

03:40:19 - 03:40:22

free speech We have to remind ourselves how

03:40:22 - 03:40:24

powerful we are They try to divide us They

03:40:24 - 03:40:27

failed They tried to take away our hope They

03:40:27 - 03:40:31

failed We are the ones we've been waiting for

03:40:36 - 03:40:39

I love being on Big House America and his fights

03:40:41 - 03:40:45

03:42:38 - 03:42:41

paciente happy foul

03:42:42 - 03:42:45

Info Mary you have been working on

03:42:46 - 03:42:49

On the history and on legal

03:42:49 - 03:42:52

cases with vaccine injuries

03:42:54 - 03:42:57

in general and with HPV in particular maybe

03:42:57 - 03:42:59

you would want to tell us about this

03:43:00 - 03:43:03

Yes Um So I do believe that

03:43:03 - 03:43:06

litigation has to be part of the work

03:43:06 - 03:43:10

to change things It's not the only Avenue but it's an

03:43:10 - 03:43:13

important one I have been working on the

03:43:13 - 03:43:16

human papilloma virus vaccine for many years and I can

03:43:16 - 03:43:20

say that I am so excited that in the last two

03:43:20 - 03:43:23

weeks all of the cases in the United

03:43:23 - 03:43:26

states against the corporation Merc

03:43:26 - 03:43:30

for the fraud of HPV vaccines have

03:43:30 - 03:43:33

been consolidated in one chord in

03:43:33 - 03:43:36

North Carolina This is a very big

03:43:36 - 03:43:39

development meaning that hundreds of

03:43:39 - 03:43:42

cases can now be brought against this

03:43:42 - 03:43:45

corporation for the deprivation of

03:43:45 - 03:43:48

informed consent for fraud for failure

03:43:48 - 03:43:52

to warn all of the things that we've later seen with

03:43:52 - 03:43:55

coronavirus but we saw earlier with the

03:43:55 - 03:43:58

HPV vaccines Um It's a slow process

03:43:58 - 03:44:01

in the courts but it's not a hopeless process

03:44:01 - 03:44:04

Judges are conservative by nature

03:44:04 - 03:44:08

They Uh they don't like to

03:44:08 - 03:44:11

get involved in questions of science They like to

03:44:11 - 03:44:14

decide things on legal issues and

03:44:14 - 03:44:18

so on legal issues We have won some

03:44:18 - 03:44:21

very important cases in the United States The

03:44:21 - 03:44:24

mandates for corporations with over 100

03:44:24 - 03:44:28

people were struck down masks

03:44:28 - 03:44:31

on transportation in the United States trains and

03:44:31 - 03:44:34

planes was struck down in federal space

03:44:35 - 03:44:38

Several mandates in school districts where the

03:44:38 - 03:44:41

school did not have that power were struck

03:44:41 - 03:44:44

down so I am not hopeless but it is a

03:44:44 - 03:44:48

slower process than we would like

03:44:48 - 03:44:51

but it what will make a difference in the courts

03:44:51 - 03:44:55

at least in the United States is you It's the power

03:44:55 - 03:44:58

of the people It's changing public opinion So while

03:44:58 - 03:45:01

Vera has just closed

04:05:23 - 04:05:27

by quoting The predecessor of

04:05:27 - 04:05:30

the current head of the Robert Koch Institute So the

04:05:30 - 04:05:33

equivalent of the CDC in Germany

04:05:33 - 04:05:37

and the previous Esser made a statement to the

04:05:37 - 04:05:39

point that there is no

04:05:39 - 04:05:42

justification whatsoever to

04:05:42 - 04:05:46

violate human principles Human

04:05:46 - 04:05:49

dignity not even if the majority cause

04:05:49 - 04:05:52

04:05:53 - 04:05:56

policy enforces it Yeah and and

04:05:56 - 04:05:59

and neither if when when the politicians

04:05:59 - 04:06:03

choose to enforce this so there's no justification for this

04:06:03 - 04:06:07

This was the former head of the German CDC

04:06:07 - 04:06:08

equivalent

04:06:09 - 04:06:12

It's time for the people to take the

04:06:12 - 04:06:15

information themselves The

04:06:15 - 04:06:18

information that the CDC and all these

04:06:19 - 04:06:22

These experts We've been told to listen to the

04:06:22 - 04:06:25

experts and it turns out the experts were

04:06:25 - 04:06:28

simply getting orders from the

04:06:28 - 04:06:31

corporation So It's time

04:06:31 - 04:06:35

04:23:14 - 04:23:15

Oh yes Yes sure

04:23:25 - 04:23:27

You do not need Einsteins and yet

04:23:28 - 04:23:31

Frida Fry Heights especially among

04:23:40 - 04:23:44

He liked Alex Salmon in timing What if

04:23:44 - 04:23:47

we Chanted together

04:24:07 - 04:24:10

Fear and banked a few Great Thank you so

04:24:10 - 04:24:11

So The drama is Please keep it

04:24:16 - 04:24:19

down Let's be quiet So That

04:24:19 - 04:24:22

way our musician can

04:24:22 - 04:24:24

continue with the following movement

04:25:28 - 04:25:29

Mm hmm

04:25:42 - 04:25:43

Mm hmm

04:26:02 - 04:26:03

Mhm

04:26:19 - 04:26:19

Hmm

04:27:38 - 04:27:39

04:29:54 - 04:29:55

Mhm

04:30:45 - 04:30:48

Yeah Marta Yes Martin

04:30:49 - 04:30:51

Thank you she

04:30:51 - 04:30:55

resisted and even the drummers and

04:30:55 - 04:30:58

this was bells could not stop her Thank

04:30:58 - 04:31:02

you very much big hand for

04:31:02 - 04:31:04

her right here at the

04:31:04 - 04:31:08

Meadow and Nuremberg It's a special situation for an

04:31:08 - 04:31:10

artist like this Thank you so much

04:31:11 - 04:31:15

Yeah that you have not So like I said We

04:31:15 - 04:31:18

04:31:21 - 04:31:23

Mohammed from Africa

Defense Children's health defense in Africa That's where

04:31:27 - 04:31:30

she works and she was part of the

04:31:30 - 04:31:33

panel and our panel discussion She's a

04:31:33 - 04:31:36

lawyer journalist

04:31:36 - 04:31:40

and she is the managing director

04:31:40 - 04:31:43

of Children's Health Africa and she's also on

04:31:43 - 04:31:47

the steering committee on the World Council for

04:31:47 - 04:31:49

health She works

04:31:49 - 04:31:53

In networking for freedom activists

04:31:53 - 04:31:56

in Africa Asia and Oceania

04:31:57 - 04:32:01

Soup Trade account so we'll

04:32:01 - 04:32:04

have the podium will have the speech and there she

04:32:04 - 04:32:04

is

04:32:06 - 04:32:07

Hmm

04:32:37 - 04:32:41

So where I'm from in South Africa one of

04:32:41 - 04:32:43

the languages we speak is Zulu

04:32:44 - 04:32:47

And how we say hello His son Born

04:32:47 - 04:32:50

on e Which means I see you So

04:32:50 - 04:32:54

I'd love to say that together with you in Germany

04:32:54 - 04:32:56

San Bonanni

04:32:58 - 04:33:01

Beautiful Thank you very much for that So Sandra

04:33:01 - 04:33:03

Nanny Shalom

04:33:04 - 04:33:07

Salaam And Thank you very much for this

04:33:07 - 04:33:10

opportunity to speak at the occasion of Nuremberg

04:33:10 - 04:33:13

75 friends in Germany and indeed

04:33:13 - 04:33:17

around the world I greet you in peace from the beautiful

04:33:17 - 04:33:20

continent of Africa Today as I stand

04:33:20 - 04:33:23

before you in Nuremberg I am reminded of

04:33:23 - 04:33:27

our common bond our relationship

04:33:27 - 04:33:30

as the human family As history

04:33:30 - 04:33:33

shows us It takes wisdom and great

04:33:33 - 04:33:37

courage to stand up for what is right for

04:33:37 - 04:33:40

what is good for what is true But It

04:33:40 - 04:33:43

also takes compassion to realize that

04:33:43 - 04:33:46

we are because of each other

04:33:47 - 04:33:50

In Africa We Call this compassion boon to

04:33:51 - 04:33:54

humanity And as we say Moon

04:33:54 - 04:33:57

to Moon to Gabon to I am because of you

04:33:57 - 04:34:00

You are because of me It is

04:34:03 - 04:34:04

Dunker

04:34:07 - 04:34:11

It is this wisdom this carriage and this compassion

04:34:11 - 04:34:14

that has brought us together today to commemorate

04:34:14 - 04:34:17

Nuremberg 75 75 years

04:34:17 - 04:34:20

ago the world said never again

04:34:20 - 04:34:23

Today We are here to say never ever

04:34:23 - 04:34:27

again that an injury to one is an

04:34:27 - 04:34:28

injury to all

04:34:35 - 04:34:38

Indeed as humanity We face many challenges

04:34:38 - 04:34:42

poverty war and greed and what we faced during

04:34:42 - 04:34:45

Covid 19 has been one of the clearest examples of

04:34:45 - 04:34:48

all three through lies deception

04:34:48 - 04:34:52

and censorship They have caused us the

04:34:52 - 04:34:55

99% to become poorer They

04:34:55 - 04:34:58

have forced many of us to become divided and

04:34:58 - 04:35:02

they have gotten more wealthy The 1%

04:35:02 - 04:35:05

It is the same in Africa It is the same injury

04:35:05 - 04:35:08

Nominee It is the same in India as it is in New

04:35:08 - 04:35:12

York But Not all is lost My

04:35:12 - 04:35:15

friends all is never lost in the midst of our

04:35:15 - 04:35:19

challenges is great opportunity and in the

04:35:19 - 04:35:22

words of Robert F Kennedy each time a

04:35:22 - 04:35:25

man stands up for an ideal or acts to

04:35:25 - 04:35:29

improve the lot of others or strikes

04:35:29 - 04:35:32

out against injustice He sends forth a

04:35:32 - 04:35:35

tiny ripple of hope and crossing each other

04:35:35 - 04:35:38

from a million different centers of energy

04:35:39 - 04:35:42

and daring Those ripples bulled a

04:35:42 - 04:35:45

current that can sweep down the mightiest

04:35:45 - 04:35:48

walls of oppression and resistance That

04:35:48 - 04:35:50

is our power

04:36:01 - 04:36:03

So in my country South Africa We

04:36:03 - 04:36:07

experienced apartheid and we still feel

04:36:07 - 04:36:10

the impact of apartheid Even Now 27

04:36:10 - 04:36:13

years into democracy separate nous on the

04:36:13 - 04:36:16

basis of race culture

04:36:16 - 04:36:19

discrimination in many forms It also included

04:36:19 - 04:36:23

medical discrimination where one group of people were

04:36:23 - 04:36:26

treated better than others in terms of medical

04:36:26 - 04:36:29

care It included medical

04:36:29 - 04:36:32

experimentation on human beings just Just like you and

04:36:32 - 04:36:35

I It included a lack of informed

04:36:35 - 04:36:37

consent because the masses were not

04:36:37 - 04:36:40

educated that they had the right to

04:36:40 - 04:36:43

informed consent They did not know

04:36:43 - 04:36:47

about the Nuremberg code In

04:36:47 - 04:36:50

many ways Despite the unity we have in South

04:36:50 - 04:36:53

Africa This does continue our people to

04:36:53 - 04:36:57

being harmed by the Covid 19 shots our

04:36:57 - 04:37:00

Children to in danger from what we

04:37:00 - 04:37:04

believe I believe is a biological weapon

04:37:04 - 04:37:07

You heard me talk about Kenya earlier It is

04:37:07 - 04:37:10

one of the many countries that the pharmaceutical industrial

04:37:10 - 04:37:13

complex has made its playground they

04:37:13 - 04:37:17

rendered millions of Kenyan girls and women

04:37:17 - 04:37:20

infertile with no accountability by the

04:37:20 - 04:37:24

W H O Do you want the in charge of

04:37:24 - 04:37:25

your health

04:37:28 - 04:37:31

They did the same in Africa that they did in

04:37:31 - 04:37:34

India and just a few weeks ago India was

04:37:34 - 04:37:38

protesting and saying Bull gates out of

04:37:38 - 04:37:39

India You support that

04:37:50 - 04:37:54

Nuremberg taught us about the importance of informed

04:37:54 - 04:37:57

consent which many doctors and lawyers seem to

04:37:57 - 04:38:00

have forgotten about during the last two years But Of course

04:38:00 - 04:38:04

we shall remind them like the Truth

04:38:04 - 04:38:07

and Reconciliation Commission in South Africa

04:38:07 - 04:38:10

which focused on those who committed violence

04:38:10 - 04:38:13

including chemical warfare Now people The

04:38:13 - 04:38:16

Nuremberg trials resulted in some measure of

04:38:16 - 04:38:20

accountability but it is a pain that

04:38:20 - 04:38:23

reminds us of our responsibility

04:38:23 - 04:38:27

to protect each other from harm and to never

04:38:27 - 04:38:30

be silent as Martin Luther King Jr

04:38:30 - 04:38:33

said Silence is betrayal Silence is

04:38:33 - 04:38:36

consent and we will never be silent again

04:38:47 - 04:38:50

So during Covid 19 We're seeing the suppression of

04:38:50 - 04:38:53

free speech the violation of human rights the lack of

04:38:53 - 04:38:56

informed consent medical experiments medical

04:38:56 - 04:38:59

discrimination endless human suffering

04:38:59 - 04:39:03

all in the name of profit control and

04:39:03 - 04:39:06

power But It was at the World Health

04:39:06 - 04:39:09

Assembly 75 in May that

04:39:09 - 04:39:12

47 African countries stood up to the W

04:39:12 - 04:39:16

H O and said no to amendments to

04:39:16 - 04:39:19

the international health regulations Africa did it for

04:39:19 - 04:39:19

us

04:39:30 - 04:39:33

And so we are going to take our power back from the super

04:39:33 - 04:39:36

national organizations that are in charge of our

04:39:36 - 04:39:39

governments We have to recognize how they

04:39:39 - 04:39:43

manipulate power Now warfare

04:39:43 - 04:39:46

is being waged at the tip of injections made by

04:39:46 - 04:39:49

these Corporates who want to take our sovereign

04:39:49 - 04:39:52

national assets through the complicity of the

04:39:52 - 04:39:56

W H o and every time they try

04:39:56 - 04:39:58

to do that we say

04:39:59 - 04:40:02

We say no And they're afraid of

04:40:02 - 04:40:06

that No that's why they try to take our hope That's

04:40:06 - 04:40:09

why they try to divide us They know how powerful we

04:40:09 - 04:40:13

are and this is why we have the Nuremberg

04:40:13 - 04:40:15

code the hell think you declaration and the

04:40:15 - 04:40:18

Syracuse that principle that's why we have

04:40:18 - 04:40:21

constitutions These glorious documents hold

04:40:21 - 04:40:24

power when we teach them Especially to our young

04:40:24 - 04:40:28

people When We act on them every day

04:40:28 - 04:40:31

when we defend them without human

04:40:31 - 04:40:34

spirits and when we lived there principles in

04:40:34 - 04:40:37

truth we must live them to stop the

04:40:37 - 04:40:40

concentration camps that the W H O and

04:40:40 - 04:40:44

the pharmaceutical industry is trying to enforce in

04:40:44 - 04:40:47

South Africa right now the health ministers trying to push through

04:40:47 - 04:40:50

laws that would enable the government to

04:40:50 - 04:40:53

imprison us against our will To

04:40:53 - 04:40:56

forcefully test treat Take

04:40:56 - 04:40:59

bodily samples Give us injections isolate us

04:40:59 - 04:41:03

from our family and friends and of course what they call

04:41:03 - 04:41:06

quarantine We know is concentration camps

04:41:06 - 04:41:09

but it's not just happening in South Africa

04:41:09 - 04:41:13

It's happening in New York state as well The

04:41:13 - 04:41:16

governor of New York State Kathy Hotel is trying to do

04:41:16 - 04:41:19

exactly the same thing as the minister of health job parlor

04:41:19 - 04:41:22

in South Africa who do they serve

04:41:23 - 04:41:26

Who do they serve if not

04:41:26 - 04:41:27

us

04:41:30 - 04:41:33

And so we are going to work together to stop those

04:41:33 - 04:41:36

quarantines The technocrats want to own us They want

04:41:36 - 04:41:40

to control nature They want to control farming They want

04:41:40 - 04:41:43

to keep us under surveillance because they know how

04:41:43 - 04:41:46

powerful we are In many ways we were living under

04:41:46 - 04:41:49

the illusion of freedom my friends but we are

04:41:49 - 04:41:52

waking up And as we awaken We

04:41:52 - 04:41:56

awaken others sometimes one at a time

04:41:56 - 04:41:59

sometimes the masses In fact we

04:41:59 - 04:42:02

are in the middle of the greatest awakening

04:42:02 - 04:42:05

in history Do you agree

04:42:14 - 04:42:17

We have become more connected and more

04:42:17 - 04:42:21

united than ever before We now have the

04:42:21 - 04:42:24

chance to build a kind of world We want a world

04:42:24 - 04:42:27

based on truth health and freedom So There is a

04:42:27 - 04:42:31

road ahead of us that is split into one

04:42:31 - 04:42:34

way gives in to the forces of oppression

04:42:34 - 04:42:37

that other reclaims our inalienable rights and

04:42:37 - 04:42:41

takes back our power to make decisions Our power to

04:42:41 - 04:42:44

express ourselves our power together here

04:42:44 - 04:42:47

today As we do at the commemoration of Nuremberg

04:42:47 - 04:42:51

75 And as we commemorate

04:42:51 - 04:42:54

Nuremberg 75 let us make a commitment

04:42:54 - 04:42:58

to building a new world one that works

04:42:58 - 04:43:01

for us the 99% when

04:43:01 - 04:43:04

injury to one is indeed an injury to

04:43:04 - 04:43:07

all Where Our Children can live in

04:43:07 - 04:43:11

peace and harmony with prosperity and

04:43:11 - 04:43:14

with justice We can do that when we stand

04:43:14 - 04:43:17

together shoulder to shoulder refusing to give

04:43:17 - 04:43:21

up on our rights refusing to let anyone of us

04:43:21 - 04:43:24

be behind armed refusing to say that's not my

04:43:24 - 04:43:27

business It didn't happen to me If It

04:43:27 - 04:43:30

happened to your brother or your sister Someone's child had

04:43:30 - 04:43:34

happened to you and we should take injustice

04:43:34 - 04:43:35

personally

04:43:40 - 04:43:43

I believe it was Cornel West who said that

04:43:43 - 04:43:46

justice is the public face of love

04:43:48 - 04:43:51

And As I said earlier The people united will never be

04:43:51 - 04:43:54

defeated So in South Africa suffered under racial and

04:43:54 - 04:43:57

economic apartheid The world stood with

04:43:57 - 04:44:00

us We pushed for freedom We

04:44:00 - 04:44:04

gave birth to democracy because when we moved

04:44:04 - 04:44:07

together oceans move When We moved

04:44:07 - 04:44:10

together Mountains move and we will

04:44:10 - 04:44:13

inspire many of those on the other side to join

04:44:13 - 04:44:17

us because somewhere in their hearts they must believe

04:44:17 - 04:44:20

in the truth they must believe in freedom This is

04:44:20 - 04:44:23

the essence of being human So we

04:44:23 - 04:44:24

said

04:44:34 - 04:44:37

So We said Never again and we know we want

04:44:37 - 04:44:40

to build a better world and these are my final

04:44:40 - 04:44:44

comments This is a quote by Arundhati Roy

04:44:44 - 04:44:47

an activist from India and she said Our

04:44:47 - 04:44:50

strategy should not only be to confront the

04:44:50 - 04:44:53

empire but to lay siege to it to

04:44:53 - 04:44:56

deprive it of oxygen to shame it To

04:44:56 - 04:44:59

market with our art our music

04:44:59 - 04:45:03

our literature stubbornness our joy our

04:45:03 - 04:45:07

brilliance of sheer relentlessness and our ability

04:45:07 - 04:45:10

to tell our own stories Stories that are

04:45:10 - 04:45:13

different from the ones we have been brainwashed to believe

04:45:13 - 04:45:17

the corporate revolution will collapse if we refuse to

04:45:17 - 04:45:20

buy what they are selling their ideas their

04:45:20 - 04:45:23

version of history There was their

04:45:23 - 04:45:26

weapons then notion of inevitability remain

04:45:26 - 04:45:30

Member This We We be many They

04:45:30 - 04:45:33

Be Few They need us more than we need

04:45:33 - 04:45:36

them Another world is not only possible

04:45:36 - 04:45:39

she's on her way and on a quiet day I

04:45:39 - 04:45:41

can hear her breathing

04:45:52 - 04:45:55

So Finally today we don't only say never

04:45:55 - 04:45:58

again we say never ever again May

04:45:58 - 04:46:01

we see real freedom and democracy in our

04:46:01 - 04:46:05

lifetimes around the world before we reach Nuremberg

04:46:05 - 04:46:08

76 it is my hope to stand before you

04:46:08 - 04:46:11

again to say we are united We are

04:46:11 - 04:46:14

healthy and we are free free hate

04:46:14 - 04:46:15

freedom

04:47:01 - 04:47:04

Super Because that too

04:47:04 - 04:47:05

far

04:47:07 - 04:47:07

and food

04:47:11 - 04:47:14

Good now soon and yes not much That's what's right and

04:47:14 - 04:47:17

now we do it in three different voices

04:47:17 - 04:47:20

No Um We will continue

04:47:20 - 04:47:22

immediately with our program And

04:47:22 - 04:47:26

now uh we have a colleague from

04:47:26 - 04:47:29

Austria Who is going to provide you

04:47:29 - 04:47:32

04:48:14 - 04:48:17

04:48:17 - 04:48:20

way That was a canoe with the conference that we had in the UK in

04:48:20 - 04:48:24

May Because it takes all of us

04:48:24 - 04:48:27

Not just a couple of experts and then some media

04:48:27 - 04:48:31

will pick it up But We need the media We must

04:48:31 - 04:48:34

have the new the alternative media that we need to

04:48:34 - 04:48:37

think that they actually carry all of

04:48:37 - 04:48:40

that out into the world Everything that we're saying and that

04:48:40 - 04:48:42

this happening here

04:48:43 - 04:48:47

and therefore we have a new

04:48:47 - 04:48:49

media conference So if you're a blogger and

04:48:49 - 04:48:52

04:49:25 - 04:49:28

time in person

04:49:28 - 04:49:31

04:49:31 - 04:49:34

findings on the 16th of December and what is very

04:49:34 - 04:49:38

important This will be in

04:49:38 - 04:49:41

a closed setting We Don't

04:49:41 - 04:49:44

inside we note need to ask anybody

04:49:44 - 04:49:48

for permission We will have the new the better way conferences This is not

04:49:48 - 04:49:51

against Corona This is about

04:49:51 - 04:49:54

solutions for a better way in

04:49:54 - 04:49:57

this situation In this crisis

04:49:57 - 04:50:00

of um politics of

04:50:00 - 04:50:04

health and in the crisis where

04:50:04 - 04:50:07

we're at the same time facing all these other Other challenges

04:50:07 - 04:50:10

economical as well So we have to find a better way

04:50:10 - 04:50:14

for all of us in a great deal of international

04:50:14 - 04:50:17

experts lawyers are going to be there Dr Pierre

04:50:17 - 04:50:21

Kory even Dean advocate from the first

04:50:21 - 04:50:24

hour onwards people from the beginning so I

04:50:24 - 04:50:27

want to quit the center stage

04:50:27 - 04:50:31

Now I ask you Please Please join

04:50:31 - 04:50:33

us in our major rally on

04:50:34 - 04:50:37

The 18th of December in

04:50:37 - 04:50:40

September in Vienna and

04:50:41 - 04:50:43

there will be activists from all over the world from

04:50:43 - 04:50:46

Canada New Zealand Australia

04:50:47 - 04:50:51

and we need each and everyone of you

04:50:51 - 04:50:54

so that we are not against something but we are fighting

04:50:54 - 04:50:57

for a better future for us and for our

04:50:57 - 04:50:58

Children Thank you

04:51:06 - 04:51:07

They're known bag Accord ex

04:51:09 - 04:51:12

cortex The Nuremberg

04:51:12 - 04:51:15

code is asking for ethical

04:51:15 - 04:51:19

responsibility humanity from the doctors and

04:51:19 - 04:51:22

of course we know that this demand and

04:51:22 - 04:51:25

this claim of course must

04:51:25 - 04:51:28

prevail But how about those that

04:51:28 - 04:51:31

are the patients And how about the

04:51:32 - 04:51:35

the nurses when we're talking about

04:51:35 - 04:51:38

humanity And ethical

04:51:38 - 04:51:41

responsibilities No I'm very happy that we have

04:51:41 - 04:51:44

somebody here Who can tell us in a very authentic

04:51:44 - 04:51:47

fashion as to what the people

04:51:47 - 04:51:51

who are directly in touch with patients

04:51:51 - 04:51:54

are worried about and what stresses them

04:51:54 - 04:51:58

And this is Steffy Boris Nick She's

04:51:58 - 04:52:00

a physician's assistant

04:52:01 - 04:52:04

She has prepared very important

04:52:06 - 04:52:08

Contribution Her Words are very

04:52:08 - 04:52:12

clear full of humanity

04:52:12 - 04:52:14

but at the same time it's a

04:52:14 - 04:52:17

document for the everyday

04:52:17 - 04:52:20

work in a clinic for those who work there

04:52:21 - 04:52:22

Resnick welcome

04:52:24 - 04:52:27

So Lewis that Constantly

04:52:28 - 04:52:30

Doesn't get Goodland

04:52:32 - 04:52:35

Hello Hi My name is Stephanie

04:52:35 - 04:52:39

I'm Stephanie Lesnik and I've been

04:52:39 - 04:52:41

working here for 18 years in the health service I

04:52:42 - 04:52:45

started in 2004

04:52:45 - 04:52:48

with the voluntary Social year in the initial Linda's clinic

04:52:48 - 04:52:52

and the inpatient long term rehab area they

04:52:52 - 04:52:55

lived at deaf and mute Lady almost 90 years old who spent her

04:52:55 - 04:52:59

youth In the thirties At that time however

04:52:59 - 04:53:02

she was considered a so called easy girl

04:53:02 - 04:53:05

because she was deaf mute and thus

04:53:05 - 04:53:07

handicapped She was forcibly

04:53:07 - 04:53:11

sterilized by the Nazis the national Socialists or

04:53:11 - 04:53:14

better yet by the the so

04:53:14 - 04:53:17

called doctors of that regime

04:53:17 - 04:53:21

and was locked away It is psychiatric ward She spent her

04:53:21 - 04:53:24

entire secret life in state hospitals because when times change in her

04:53:24 - 04:53:27

disability was no longer concern Ordered an illness yet forgotten

04:53:27 - 04:53:31

how to live In the outside world Today such a thing would be

04:53:31 - 04:53:34

unthinkable Thank God the Nuremberg

04:53:34 - 04:53:37

codex Ah is against any

04:53:37 - 04:53:40

type of forced

04:53:40 - 04:53:43

medicine This is prohibited by the Nuremberg

04:53:43 - 04:53:45

code

04:53:47 - 04:53:49

The Nuremberg code

04:53:49 - 04:53:52

is on the

04:53:53 - 04:53:56

first of all directed at physicians but further

04:53:56 - 04:53:59

guidelines and ethical requirements for all those working in medicine have naturally

04:53:59 - 04:54:02

emerged from its foundations thus medical

04:54:02 - 04:54:06

ethics deals among other things with moral standards that apply

04:54:06 - 04:54:07

to healthcare

04:54:11 - 04:54:12

And

04:54:13 - 04:54:16

Self Determination and dignity are very

04:54:16 - 04:54:19

important goods and values

04:54:19 - 04:54:23

for the people human dignity of

04:54:23 - 04:54:26

domination of the US Supreme medicine enables at

04:54:26 - 04:54:29

least in theory the patients make enlightened decisions even if decision could

04:54:29 - 04:54:33

be twist disadvantaged the line between medically justified intervention in

04:54:33 - 04:54:36

physical Integrity and bodily harm is sometimes

04:54:36 - 04:54:40

very thin The patient must therefore agreed to any action

04:54:40 - 04:54:43

that have consented to it voluntarily without cursing Exceptions apply

04:54:43 - 04:54:46

only and exclusively in life threatening

04:54:46 - 04:54:49

situations Certainly many may now

04:54:49 - 04:54:53

think of exams operations or similar but the self

04:54:53 - 04:54:56

determined decision begins much earlier And also concerns

04:54:56 - 04:54:59

areas that one does not immediately think of for

04:54:59 - 04:55:03

example cutting hair or nails is already considered

04:55:03 - 04:55:06

bodily harm and without consent

04:55:06 - 04:55:09

constitutes a criminal act on the part of the caregiver

04:55:09 - 04:55:13

The same applies by the way to any kind of reparation of liberty

04:55:13 - 04:55:16

not only direct restraint even pulling up bed rails for

04:55:16 - 04:55:19

more than 30 minutes is a criminal act without consent

04:55:19 - 04:55:23

and without a court order Locking

04:55:23 - 04:55:26

people in rooms blocking the doors or

04:55:26 - 04:55:29

closing the exits They're all criminal

04:55:29 - 04:55:32

acts and violation of fundamental rights and

04:55:32 - 04:55:35

human dignity The ability to

04:55:35 - 04:55:38

consent and understand what is at stake is a

04:55:38 - 04:55:41

prerequisite for legitimate medical or nursing

04:55:41 - 04:55:44

treatment It had Ophelia and can

04:55:45 - 04:55:48

have worked in hospitals for many years and have cared for many people

04:55:48 - 04:55:52

people who could no longer care for themselves who

04:55:52 - 04:55:55

were dependent on support due to old age or illness

04:55:55 - 04:55:58

In the rarest of cases This was

04:55:58 - 04:56:01

dignified not because I or

04:56:01 - 04:56:04

my colleagues wanted to disregard the dignity of our

04:56:04 - 04:56:07

patients but because it was no longer possible for us to

04:56:07 - 04:56:11

respect it The Patient's self determination also

04:56:11 - 04:56:14

suffers because the previously mentioned explanation of

04:56:14 - 04:56:17

individual measures is usually not even possible

04:56:17 - 04:56:20

due to time constraints our profession often achieve

04:56:20 - 04:56:23

superhuman things and still it's not

04:56:23 - 04:56:27

enough If you ask someone who is not a special

04:56:27 - 04:56:30

as what Nursing actually is usually hear that nursing is wiping

04:56:30 - 04:56:33

your butt of course depending on the specialty That's

04:56:33 - 04:56:36

part of it But nursing is so much

04:56:36 - 04:56:39

more We're always close to her patients or

04:56:39 - 04:56:42

residents We touch intimate places

04:56:42 - 04:56:46

externally and internally We are the first

04:56:46 - 04:56:49

point of contact for patients relatives and all other

04:56:49 - 04:56:52

professional groups No matter if in the hospital

04:56:52 - 04:56:55

nursing home or ambulance at the people at

04:56:55 - 04:56:59

home we perform basic care which is more than

04:56:59 - 04:57:02

just washing Meanwhile We Observe

04:57:02 - 04:57:05

skin condition expressions motor functions Cognitive

04:57:05 - 04:57:08

condition perform prophylaxis recognizing

04:57:08 - 04:57:12

assess changes and initiate measures

04:57:12 - 04:57:15

If you're going to ask we administer medically prescribed

04:57:15 - 04:57:18

therapies measure and assess vital signs

04:57:18 - 04:57:22

assess and respond to Simpson's We

04:57:22 - 04:57:25

stabilize patients early before life threatening

04:57:25 - 04:57:28

conditions develop and require the physician to be

04:57:28 - 04:57:32

rushed We promote resources advice

04:57:32 - 04:57:35

on preventive healthcare coordinates therapies and

04:57:35 - 04:57:38

evaluate nursing and medical interventions

04:57:38 - 04:57:42

We listen to the suffering of our patients and

04:57:42 - 04:57:45

Convey hope and confidence to the seriously ill

04:57:45 - 04:57:49

We accompany the dying to the end and sometimes being

04:57:49 - 04:57:52

the only ones to hold their hands were always there during the

04:57:52 - 04:57:55

day at night on weekends And on

04:57:55 - 04:57:56

holidays

04:58:08 - 04:58:12

We are the largest professional group in healthcare

04:58:12 - 04:58:15

And yet we work under the worst conditions not

04:58:15 - 04:58:19

only for us but also for our patients Dignity

04:58:19 - 04:58:22

which should be above everything is of special

04:58:22 - 04:58:25

importance because the dignity of our patients has been

04:58:25 - 04:58:28

violated and disregarded for many years by ourselves

04:58:28 - 04:58:31

because we can't help it and back the six system

04:58:31 - 04:58:35

Our dignity as nurses is also being trampled

04:58:35 - 04:58:38

on by the system by politics And by large

04:58:38 - 04:58:41

sections of society The shortage of

04:58:41 - 04:58:44

personnel has been an issue in Germany for good 30 years since

04:58:44 - 04:58:48

fewer and fewer colleagues are responsible for more and more

04:58:48 - 04:58:50

patients dignified care has not been possible for a long

04:58:50 - 04:58:53

time This also has an impact on

04:58:53 - 04:58:56

nurses The Daily struggle with one

04:58:56 - 04:58:59

zones conscience as to which of the many tasks should be

04:58:59 - 04:59:02

completed first and which ones we should simply leave

04:59:02 - 04:59:06

undone because there is not enough time to do

04:59:06 - 04:59:09

justice to everything The permanently bad

04:59:09 - 04:59:12

conscience because only the most necessary things were done

04:59:12 - 04:59:15

Constant triage which means

04:59:15 - 04:59:18

nothing other than re prioritization

04:59:18 - 04:59:22

is the norm and every day nursing care the

04:59:22 - 04:59:25

question of what is currently the most important is one that

04:59:25 - 04:59:27

nurses asked themselves almost

04:59:27 - 04:59:31

constantly attest Antibiotics

04:59:31 - 04:59:34

now so that their timing is give painkillers to the newly

04:59:34 - 04:59:37

operated patient bring the demented gentleman sitting on the chair back

04:59:37 - 04:59:41

to bed Because He's already completely debilitated checking the derailed

04:59:41 - 04:59:44

blood pressure That We gave

04:59:44 - 04:59:47

anti hypertensive two hours ago watching the Neil

04:59:47 - 04:59:50

LD lady again because she didn't make it to the toilet and time Neither did

04:59:50 - 04:59:53

we so she's been lying in her own excrement for quite some

04:59:53 - 04:59:56

time In

04:59:57 - 05:00:00

The years I saw experience and participated in the hospital and

05:00:00 - 05:00:03

things that were absolutely undignified and unethical I only realized

05:00:03 - 05:00:06

afterwards how much this

05:00:06 - 05:00:09

work Situation in the hospital has burdened

05:00:09 - 05:00:12

me It was only later that I realized that I'd also

05:00:12 - 05:00:16

contributed to the preservation of the six system and the hope

05:00:16 - 05:00:19

that my colleagues would stand up and fight for us and our patients was

05:00:19 - 05:00:22

always obsolete especially in hospitals Strict

05:00:22 - 05:00:26

hierarchical structures prevail and very few people

05:00:26 - 05:00:29

opposed them I myself have always been

05:00:29 - 05:00:32

indifferent to the position of my counterpart I have fought with the head of

05:00:32 - 05:00:36

nursing justice I have with the head physician I'm a nurse

05:00:36 - 05:00:38

And if we were very well trained one at

05:00:38 - 05:00:39

that

05:00:49 - 05:00:52

It's been can consist dance fine as they are good Oscar building very

05:00:52 - 05:00:55

well trained nurse That's Why I never carried out orders blindly

05:00:55 - 05:00:59

but check them and was always aware of my responsibility to

05:00:59 - 05:01:02

carry them out This has saved many

05:01:02 - 05:01:05

patients live when young doctors came to the ward director after

05:01:05 - 05:01:08

having left university Sometimes These were

05:01:08 - 05:01:12

comparatively harmless things but they were also much more incriminating

05:01:12 - 05:01:15

things Um and have my

05:01:15 - 05:01:19

examinations that were completely unnecessary did not help the patients but brought

05:01:19 - 05:01:22

in money chemotherapies which were still attached

05:01:22 - 05:01:25

to pre final patients After my reviews on the part of the

05:01:25 - 05:01:28

physician because only what was still in It can be accounted

05:01:28 - 05:01:32

for and could be written invoices for

05:01:32 - 05:01:35

dying patients who lay in fully a copy of three bedrooms separate from

05:01:35 - 05:01:38

yellow fellow patients in their reviews only by self made

05:01:38 - 05:01:42

Spanish wall deceased patients who were pushed into the bathroom

05:01:42 - 05:01:45

for hours due to a lack of Space so that the space in the room could already be

05:01:45 - 05:01:48

re allocated patients with statutory health insurance who were

05:01:48 - 05:01:52

discharged after a very short time completely desolate conditions

05:01:52 - 05:01:54

because the flat rate per case had been

05:01:54 - 05:01:57

exhausted when I realized after years that I

05:01:57 - 05:02:01

can't change anything no matter how hard I try That

05:02:01 - 05:02:04

politicians professional associations unions all do

05:02:04 - 05:02:07

nothing but talk and continue to allow hospital

05:02:07 - 05:02:10

corporations to rake in profits at the expense of patients and

05:02:10 - 05:02:13

staff When I repeatedly realized

05:02:13 - 05:02:16

that despite all the dissatisfaction

05:02:16 - 05:02:20

realization my colleagues kept jumping in and staying longer and that

05:02:20 - 05:02:22

they didn't object to how we were being exploited

05:02:22 - 05:02:25

That's when I quit

05:02:37 - 05:02:41

I think for good when I switched to outpatient social

05:02:41 - 05:02:44

psychiatric care five years ago I felt liberated

05:02:44 - 05:02:47

Working here is different I have time for my

05:02:47 - 05:02:50

clients and the focus is on people and their

05:02:50 - 05:02:53

needs still because here

05:02:53 - 05:02:57

to cost pressure and cost cutting measures are slowly

05:02:57 - 05:03:00

but surely beginning to change the way care is provided Another

05:03:00 - 05:03:03

very important point and social psychiatric workers a self

05:03:03 - 05:03:06

determination and dignity of the person concerned which

05:03:06 - 05:03:10

is respected here as the most important basis for

05:03:10 - 05:03:13

corporation Of course this has all not

05:03:13 - 05:03:16

always been like that I didn't mention it was not until the

05:03:16 - 05:03:19

psychiatric on kit in

05:03:19 - 05:03:22

1935 the many inhumane

05:03:22 - 05:03:25

conditions in sake a tree psychiatry were

05:03:25 - 05:03:28

identified Let it change in thinking

05:03:28 - 05:03:31

was initiated and demands for at least basic humanity

05:03:32 - 05:03:35

were made This was followed by a very long process of the current state self

05:03:35 - 05:03:39

determination Participation entered discrimination anti stigmatization

05:03:39 - 05:03:42

and equality absolutely central issues for and in the work with

05:03:42 - 05:03:45

people with disabilities Every person has to alien Double

05:03:45 - 05:03:49

right To recognition of their own way of life

05:03:49 - 05:03:52

and must not be discriminated against stigmatized

05:03:52 - 05:03:54

or excluded because they're different

05:03:58 - 05:03:59

Hmm

05:04:02 - 05:04:06

Violence Mr It is precisely because I deal so much with

05:04:06 - 05:04:09

these issues professionally that I was and am more

05:04:09 - 05:04:12

concerned about what has been political enforced and socially

05:04:12 - 05:04:15

recognized under the

05:04:15 - 05:04:19

pretense of health protection of the last two years residents

05:04:19 - 05:04:22

of care facilities were locked in their rooms by state law and visitors were

05:04:22 - 05:04:25

forbidden Those who were unable to leave the building on their

05:04:25 - 05:04:29

own where isolated for fear That they might catch the

05:04:29 - 05:04:32

disease Colleagues told me that they felt like

05:04:32 - 05:04:35

lockers in prison People have died

05:04:35 - 05:04:38

alone and lonely in hospitals because their relatives were no

05:04:38 - 05:04:42

longer allowed to enter the facility And caregivers

05:04:42 - 05:04:44

certainly did not have time to sit at the

05:04:44 - 05:04:48

bedside for months

05:04:48 - 05:04:51

all help and support services for the mentally ill were cut off

05:04:51 - 05:04:54

hard one daily structures collapsed and illnesses

05:04:54 - 05:04:58

destabilized There could be So much

05:04:58 - 05:05:01

more to say but there's not enough time for that

05:05:03 - 05:05:06

Senior shirt and shading will often happen People colleagues

05:05:06 - 05:05:10

that you wanted to take your own

05:05:10 - 05:05:13

decision They have been stigmatized They

05:05:13 - 05:05:16

have been accused in their

05:05:16 - 05:05:17

profession

05:05:19 - 05:05:22

At first There was an applause for the heroes of our society and

05:05:22 - 05:05:25

then they were being outcast

05:05:32 - 05:05:36

Only immediate senior ship evidence wasn't without any medical

05:05:36 - 05:05:38

evidence Because your therapist

05:05:38 - 05:05:42

caregivers Anybody working in a hospital

05:05:42 - 05:05:45

were seeing as people

05:05:45 - 05:05:48

who were causing illness and

05:05:48 - 05:05:51

were able to pass on

05:05:51 - 05:05:54

any disease so they had to

05:05:54 - 05:05:57

wear masks of a higher rating

05:05:58 - 05:06:00

and the politicians did not

05:06:01 - 05:06:05

Treat them as equals They were

05:06:05 - 05:06:08

not able to do their tests

05:06:08 - 05:06:11

alone like everybody else but had to do it in public and

05:06:11 - 05:06:14

others were ridiculed by

05:06:14 - 05:06:17

colleagues and were treated

05:06:17 - 05:06:20

has pros

05:06:20 - 05:06:23

patients and Mm hmm

05:06:24 - 05:06:27

Then it said It was said that we should they shouldn't be treated by those who

05:06:27 - 05:06:28

were not

05:06:30 - 05:06:33

vaccinated and

05:06:33 - 05:06:35

some immediately

05:06:36 - 05:06:38

Ah were

05:06:38 - 05:06:42

dismissed and suspended The health

05:06:42 - 05:06:45

Services decided if we

05:06:45 - 05:06:48

were needed or not or if

05:06:50 - 05:06:52

this basically destroyed

05:06:52 - 05:06:55

Professional existence There's

05:06:57 - 05:06:59

ecological stress was

05:06:59 - 05:07:02

difficult to understand

05:07:02 - 05:07:05

Many of the colleagues Ah

05:07:07 - 05:07:10

Could not take this and a large part

05:07:10 - 05:07:12

are now Oh

05:07:13 - 05:07:16

unemployed currently

05:07:16 - 05:07:19

at least 120,000

05:07:19 - 05:07:22

colleagues are not

05:07:22 - 05:07:24

vaccinated yet

05:07:35 - 05:07:38

So We the remaining ones half the daily

05:07:38 - 05:07:41

choice of being exposed to the gauntlet

05:07:41 - 05:07:45

having to live with existential insecurity or

05:07:45 - 05:07:48

undergo gene therapy treatment of which we are

05:07:48 - 05:07:51

not convinced Is

05:07:51 - 05:07:54

this really a free self determined

05:07:54 - 05:07:57

and Individual decision in

05:07:57 - 05:08:01

the sense of the Nuremberg code

05:08:01 - 05:08:02

Thank you very much

05:08:27 - 05:08:28

Took a dish

05:08:29 - 05:08:33

05:08:39 - 05:08:41

05:08:41 - 05:08:42

05:13:46 - 05:13:48

Yes It is your applause

05:13:50 - 05:13:53

Thank you Super

05:13:53 - 05:13:57

great That's pastor too and I

05:13:57 - 05:14:00

think that's you know quite

05:14:00 - 05:14:03

befitting in view of the commemoration

05:14:03 - 05:14:07

and the international conference Laurie you

05:14:07 - 05:14:10

already met doctor has Laurie here on the

05:14:10 - 05:14:13

panel she said Quite a few things She's an

05:14:13 - 05:14:16

exciting lady exciting life

05:14:16 - 05:14:20

and exciting work and

05:14:20 - 05:14:23

Uh she stands up for

05:14:23 - 05:14:26

independent research and even set up a

05:14:26 - 05:14:29

company exclusively

05:14:29 - 05:14:31

active for nonprofit or Goodnight

05:14:31 - 05:14:35

stations and she

05:14:35 - 05:14:38

never ever became involved in to

05:14:38 - 05:14:41

a research work Which was

05:14:41 - 05:14:44

co funded by industry So this

05:14:45 - 05:14:48

let's here we can and the best is yet

05:14:48 - 05:14:51

to come namely tests She's going to join us in a

05:14:51 - 05:14:54

second She's co fund of the World Council

05:14:54 - 05:14:58

for health and she is also a

05:14:58 - 05:15:01

member of the Syrian Committee of the Council managing

05:15:01 - 05:15:04

director of I BMC Limited There's A company which is

05:15:04 - 05:15:07

specialized on The analysis of clinical

05:15:07 - 05:15:10

tried medical tribes

05:15:11 - 05:15:15

Dr Loria work does a service provided

05:15:15 - 05:15:18

for many years as a W for the W H O

05:15:18 - 05:15:21

and gave recommendations with regard to drugs

05:15:21 - 05:15:25

and their efficacy This career ended

05:15:25 - 05:15:28

when in January 2021 She

05:15:28 - 05:15:32

addressed the public because her work came to the

05:15:32 - 05:15:35

conclusion that it was

05:15:35 - 05:15:38

a drug That

05:15:38 - 05:15:41

could be used in order to treat covid So

05:15:41 - 05:15:43

doctor Tess Laurie

05:15:47 - 05:15:50

Hello It's such

05:15:50 - 05:15:53

a great honor to be invited to speak with you here

05:15:53 - 05:15:57

on this most significant day On

05:15:57 - 05:15:59

behalf of the World Council for Health I want to

05:15:59 - 05:16:03

acknowledge with deepest respect and gratitude

05:16:03 - 05:16:07

All those who 75 years ago

05:16:07 - 05:16:10

established the 10 ethical principles of the

05:16:10 - 05:16:13

Nuremberg code which have informed medical

05:16:13 - 05:16:16

and bioethics ever since

05:16:18 - 05:16:22

The World Council for health includes over

05:16:22 - 05:16:25

160 coalition partners

05:16:25 - 05:16:28

from 45 countries

05:16:28 - 05:16:32

Not One of these countries has escaped the

05:16:32 - 05:16:35

horror of medical mandates and unethical

05:16:35 - 05:16:38

experimentation during the covid

05:16:38 - 05:16:39

crisis

05:16:41 - 05:16:44

I live in the UK With the government

05:16:44 - 05:16:47

employed behavioral psychology to gaslight its

05:16:47 - 05:16:50

people Using fear shame and

05:16:50 - 05:16:54

guilt to manipulate us It

05:16:54 - 05:16:57

weaponized love Telling people including

05:16:57 - 05:17:00

small Children that they hugs kisses and

05:17:00 - 05:17:04

smiles would kill And thus

05:17:04 - 05:17:07

terrorized people lined up to take these

05:17:07 - 05:17:11

new genetic injections Trusting

05:17:11 - 05:17:14

the government believing that everything would

05:17:14 - 05:17:17

return to normal And

05:17:17 - 05:17:20

trusting the doctors when they insisted that these

05:17:20 - 05:17:23

experimental medical interventions were safe and

05:17:23 - 05:17:24

effective

05:17:26 - 05:17:30

Many of US scientists and doctors believed

05:17:30 - 05:17:32

that they were enough checks and balances within our

05:17:32 - 05:17:36

political and regulatory systems to

05:17:36 - 05:17:39

ensure that corruption could only go so

05:17:39 - 05:17:42

far But Big farmers poorly

05:17:42 - 05:17:46

tested covid injections have been developed with

05:17:46 - 05:17:49

the endorsement and collaboration of the

05:17:49 - 05:17:52

most prestigious UK universities

05:17:52 - 05:17:55

distinguished academics the Medical

05:17:55 - 05:17:59

Council the royal Colleges of Medicine

05:17:59 - 05:18:02

obstetricians and gynecologists pediatricians and

05:18:02 - 05:18:05

family physicians The family

05:18:05 - 05:18:08

doctors those who should have sounded the

05:18:08 - 05:18:11

alarm and stood in the way of corporate greed

05:18:12 - 05:18:13

But have not

05:18:15 - 05:18:18

More than 460,000 people in the

05:18:18 - 05:18:22

UK have reported bad reactions to the

05:18:22 - 05:18:25

injections to the UK's official yellow

05:18:25 - 05:18:28

card reporting system But the authorities do

05:18:28 - 05:18:31

not seem to care They continue

05:18:31 - 05:18:35

relentlessly pushing more and more injections

05:18:35 - 05:18:38

and all Pregnant women and Children

05:18:38 - 05:18:42

Parenting safe and effective safe and

05:18:42 - 05:18:43

effective

05:18:45 - 05:18:48

But this story is not unique to the UK of

05:18:48 - 05:18:51

course At the World Council for health We

05:18:51 - 05:18:54

hear similar stories from every nation

05:18:55 - 05:18:59

People's written with fines imprisonment or

05:18:59 - 05:19:02

loss of their livelihoods if they do not take the

05:19:02 - 05:19:05

jab Of people injured by the

05:19:05 - 05:19:08

vaccines and yet dismissed by physicians

05:19:08 - 05:19:12

either still in denial or too scared to admit that the

05:19:12 - 05:19:15

vaccine injury is real Of

05:19:15 - 05:19:18

Children bribed into taking the jab with free ice

05:19:18 - 05:19:21

cream All the while the World

05:19:21 - 05:19:24

Health organization's official database

05:19:25 - 05:19:27

has more than four million

05:19:27 - 05:19:31

reports of adverse reactions to the covid

05:19:31 - 05:19:32

jabs

05:19:38 - 05:19:41

Knowing what we know about the atrocities of the

05:19:41 - 05:19:44

past How could we so

05:19:44 - 05:19:47

quickly have reached a point where the

05:19:47 - 05:19:50

Nuremberg code has been broken in

05:19:50 - 05:19:53

so many ways by so many

05:19:53 - 05:19:54

people

05:19:56 - 05:19:59

To understand how this is possible

05:19:59 - 05:20:03

We need to acknowledge that the Nuremberg heard was

05:20:03 - 05:20:06

not the first attempt to create

05:20:06 - 05:20:08

ethical principles

05:20:10 - 05:20:14

Awareness of ethical issues related to informed consent in

05:20:14 - 05:20:17

human experimentation existed in the 19th

05:20:17 - 05:20:20

century And guidelines issued by the

05:20:20 - 05:20:23

way government in 1931 regulating

05:20:23 - 05:20:26

research and human subjects stated that

05:20:26 - 05:20:29

without exception non therapeutic

05:20:29 - 05:20:33

research could be performed only with the

05:20:33 - 05:20:35

subject informed consent

05:20:36 - 05:20:38

As Vera sheriff noted these

05:20:38 - 05:20:42

1931 guidelines were in existence in

05:20:42 - 05:20:45

Nazi Germany when an ethical experiments were

05:20:45 - 05:20:49

conducted by Nazis in concentration

05:20:49 - 05:20:49

camps

05:20:51 - 05:20:54

Clearly those guidelines were ignored back

05:20:54 - 05:20:58

then and now it's the Nuremberg code that is

05:20:58 - 05:20:59

being ignored

05:21:02 - 05:21:05

It tells us That a world that

05:21:05 - 05:21:08

prioritizes money power and

05:21:08 - 05:21:11

influence over the well being of men

05:21:11 - 05:21:14

women and Children Will not

05:21:14 - 05:21:16

learn from history

05:21:20 - 05:21:22

What is the root of the problem

05:21:24 - 05:21:27

It is this systematic corruption of our moral

05:21:27 - 05:21:31

fiber by those who regard men women

05:21:31 - 05:21:34

and Children as nothing more than consumers

05:21:42 - 05:21:45

In failing to abide by the Nuremberg code

05:21:46 - 05:21:48

are so called health authorities

05:21:49 - 05:21:52

including the World Health organization has

05:21:52 - 05:21:54

failed humanity

05:21:59 - 05:22:02

With this in mind I have a message from the

05:22:02 - 05:22:05

World Council for health to public health

05:22:05 - 05:22:09

regulators and their governments everywhere

05:22:10 - 05:22:13

Our message is this You have failed

05:22:13 - 05:22:16

in your duties and presided over the

05:22:16 - 05:22:19

greatest medical catastrophe in human

05:22:19 - 05:22:22

history The time of

05:22:22 - 05:22:25

corporate funded regulators dictating

05:22:25 - 05:22:28

how people should live is

05:22:28 - 05:22:29

over

05:22:38 - 05:22:41

By your own hands You have proved

05:22:41 - 05:22:44

yourselves actually irrelevant

05:22:49 - 05:22:52

You are liable for much suffering and

05:22:52 - 05:22:55

will be held accountable

05:23:04 - 05:23:07

Like a damn Without a leak The Nuremberg

05:23:07 - 05:23:11

code does not need repair It is our

05:23:11 - 05:23:13

human spirit that does

05:23:15 - 05:23:19

By forgetting who we are as human beings

05:23:19 - 05:23:22

By subscribing to materialistic

05:23:22 - 05:23:25

view of life devoid of connection and

05:23:25 - 05:23:29

meaning We as a species have

05:23:29 - 05:23:30

lost our way

05:23:31 - 05:23:35

To this end the World Council for Health

05:23:35 - 05:23:38

urges our brothers and sisters around the world

05:23:38 - 05:23:42

to stop outsourcing decision making to

05:23:42 - 05:23:44

these authorities that have betrayed

05:23:44 - 05:23:45

us

05:23:52 - 05:23:55

Instead Let's take responsibility

05:23:55 - 05:23:59

for our health Trust in the power of our

05:23:59 - 05:24:02

own agency and start actively

05:24:02 - 05:24:05

creating a better way for ourselves

05:24:05 - 05:24:07

Our loved ones and our

05:24:07 - 05:24:09

communities

05:24:16 - 05:24:19

The World Council for Health Is here for

05:24:19 - 05:24:22

you to support you as we move

05:24:22 - 05:24:25

forward And taking back

05:24:25 - 05:24:29

control of our own health and well being

05:24:29 - 05:24:32

and our sovereignty Connecting with

05:24:32 - 05:24:35

nature and our higher purpose There will

05:24:35 - 05:24:39

be no need for regulatory bodies and

05:24:39 - 05:24:42

self appointed authorities because we will live

05:24:42 - 05:24:46

in a world where everyone acts in honor and

05:24:46 - 05:24:49

does no harm in accordance with nature

05:24:49 - 05:24:52

and natural law When We have

05:24:52 - 05:24:55

taken back our power and remember

05:24:55 - 05:24:58

who we are Men and women

05:24:58 - 05:25:01

capable of infinite love trust

05:25:01 - 05:25:05

compassion and joy We will no longer

05:25:05 - 05:25:08

be caged coerced and controlled

05:25:08 - 05:25:11

We will be our own regulatory bodies

05:25:11 - 05:25:15

our own authorities In harmony

05:25:15 - 05:25:18

with each other and with our beautiful world

05:25:18 - 05:25:21

we will truly be safe and

05:25:21 - 05:25:22

free

05:25:34 - 05:25:38

The World Council for health supports a better way

05:25:38 - 05:25:41

for a better world We believe in

05:25:41 - 05:25:45

a world where everyone acts and on you and as no

05:25:45 - 05:25:48

harm And We do not tolerate the

05:25:48 - 05:25:51

violation of our inalienable rights

05:25:51 - 05:25:54

We do not tolerate the violation of our

05:25:54 - 05:25:57

freedom of speech to travel

05:25:57 - 05:26:01

to meet to assemble and of our bodily

05:26:01 - 05:26:04

autonomy and we do not tolerate the

05:26:04 - 05:26:07

violation of the Nuremberg code

05:26:20 - 05:26:24

So if this is the first time you are hearing

05:26:24 - 05:26:26

about the World Council for Health

05:26:27 - 05:26:31

I urge you to visit our website please

05:26:31 - 05:26:34

and join our live stream meetings on Monday and

05:26:34 - 05:26:37

actively engaged in making a

05:26:37 - 05:26:41

better world for yourselves For

05:26:41 - 05:26:43

us all and our communities and our country's

05:26:44 - 05:26:46

download our resources and share them

05:26:48 - 05:26:51

And thank you very much for listening to me today

05:27:14 - 05:27:16

All right

05:27:18 - 05:27:21

so gradually I'm coming to terms with the

05:27:21 - 05:27:25

mic learning how to use this Mike Thank you

05:27:25 - 05:27:27

very much doctor Tess Laurie

05:27:28 - 05:27:31

And right Great to see that

05:27:31 - 05:27:35

all of you have stayed on when all but many and

05:27:35 - 05:27:38

that's great anyway You must be

05:27:38 - 05:27:40

again So you

05:27:42 - 05:27:45

Bend down Mission to sign language

05:27:45 - 05:27:48

Yes sign language

05:27:48 - 05:27:50

Interpretation Castle

05:27:51 - 05:27:54

Yes That's great because we still have a German

05:27:54 - 05:27:57

uh speech and you shall be

05:27:57 - 05:28:00

supporting it So we're going to hear about the role of the

05:28:00 - 05:28:04

churches and we're about to hear from Reverend

05:28:04 - 05:28:07

Paul Martin You met him a minute

05:28:07 - 05:28:10

ago during the panel discussion Of course he didn't have

05:28:10 - 05:28:13

that much time so we could only hear him

05:28:13 - 05:28:16

briefly But we accepted this because

05:28:16 - 05:28:19

we knew that he would still deliver an

05:28:19 - 05:28:22

address and therefore it was okay to cut him

05:28:22 - 05:28:26

short on the panel anyway The role of churches was

05:28:26 - 05:28:29

strongly criticized There were I

05:28:29 - 05:28:32

had to face the allegation that they didn't make a firm stance in

05:28:32 - 05:28:35

the Third Reich against load up against

05:28:35 - 05:28:38

the murdering of innocent people And the

05:28:38 - 05:28:41

insufferable Um um

05:28:41 - 05:28:43

torture of countless

05:28:43 - 05:28:47

people that they suffered at the hand of Nazis Many

05:28:47 - 05:28:50

people ask themselves Where were the churches back then

05:28:50 - 05:28:54

In 1945 Inch stood guard high

05:28:54 - 05:28:57

ranking church representatives met and

05:28:57 - 05:29:01

they signed the so called You Know

05:29:01 - 05:29:04

Confession of good and quote unquote

05:29:04 - 05:29:07

and they said now and our churches we want to make a new

05:29:07 - 05:29:11

beginning and let's see Um you know

05:29:11 - 05:29:14

where this beginning Is that whether this beginning has

05:29:14 - 05:29:18

taken place in the meantime and what it looks like in this day and

05:29:18 - 05:29:21

age and this is why we invited Martin Michelle Because

05:29:21 - 05:29:24

He made his own experience

05:29:24 - 05:29:27

with that what it means to speak out as a critical

05:29:27 - 05:29:31

voice and to be a rim Somebody who

05:29:31 - 05:29:34

reminds people of the responsibility I

05:29:34 - 05:29:37

look forward to his address and you know he's

05:29:37 - 05:29:41

got to say about the parents and day and danger and Martin Mikael is very

05:29:41 - 05:29:44

warm Welcome to our international conference in a

05:29:44 - 05:29:47

number gone the occasion of the seventy's anniversary of

05:29:47 - 05:29:51

the Nuremberg code so never

05:29:51 - 05:29:54

again Shall We see forced medicine over to him

05:29:55 - 05:29:58

Hmm It Mr And You just heard

05:29:58 - 05:30:01

that I'm supposed to say something about

05:30:01 - 05:30:04

what happens if you position yourself publicly

05:30:05 - 05:30:06

Let me be brief on that

05:30:07 - 05:30:10

I Both times

05:30:11 - 05:30:15

had a number of very commissions within the

05:30:15 - 05:30:17

church and

05:30:18 - 05:30:20

after in Zona Berko on December

05:30:20 - 05:30:23

five I participated in

05:30:23 - 05:30:26

uh small uh

05:30:26 - 05:30:29

speech or give a small speech during

05:30:29 - 05:30:33

religious meeting Which was considered to

05:30:33 - 05:30:36

be a little demonstration Well I was stripped of all of

05:30:36 - 05:30:38

my commissions

05:30:39 - 05:30:42

but I don't want to talk about myself

05:30:43 - 05:30:46

That's not so important because

05:30:46 - 05:30:48

today we have a

05:30:48 - 05:30:52

commemoration and there are other things that should

05:30:52 - 05:30:55

be mentioned because after 1945

05:30:55 - 05:30:57

and view of past guilt

05:30:57 - 05:31:00

Doctors committed themselves with the

05:31:00 - 05:31:03

Nuremberg code to permit medical

05:31:03 - 05:31:06

experiments on humans only under certain

05:31:06 - 05:31:10

ethical and medical criteria

05:31:10 - 05:31:13

in October 1945 the

05:31:13 - 05:31:16

council of the Protestant Church in Germany adopted

05:31:16 - 05:31:20

the so-called Declaration of guilt and in

05:31:20 - 05:31:23

it the complicity in the suffering of the

05:31:23 - 05:31:26

peoples is acknowledged the causes are

05:31:26 - 05:31:29

named and steps towards a new beginning

05:31:29 - 05:31:33

are described criteria or named

05:31:33 - 05:31:36

as the causes of guilt We accuse

05:31:36 - 05:31:39

ourselves of not having confessed more

05:31:39 - 05:31:41

courageously Not having prayed more

05:31:41 - 05:31:44

faithfully not having believed more

05:31:44 - 05:31:47

joyfully and not having loved

05:31:47 - 05:31:50

more ardently My

05:31:50 - 05:31:54

point is not to make comparisons

05:31:54 - 05:31:57

of historical eras But I do

05:31:57 - 05:31:59

think we are entitled and

05:31:59 - 05:32:03

obliged to learn From the failures

05:32:03 - 05:32:05

of our ancestors

05:32:12 - 05:32:15

Um On this day I can

05:32:15 - 05:32:18

only give some food for thought

05:32:18 - 05:32:21

although there is much to be

05:32:21 - 05:32:24

said from a spiritual

05:32:24 - 05:32:27

theological point of view we have to

05:32:27 - 05:32:30

examine the present against the

05:32:30 - 05:32:33

criteria of that time It is best

05:32:33 - 05:32:37

to do that now and not only when

05:32:37 - 05:32:40

the disaster has taken its final course

05:32:49 - 05:32:52

I am well aware from the report

05:32:52 - 05:32:55

of reports of others from doctors and also from my own

05:32:55 - 05:32:58
experience from um

05:32:58 - 05:33:02
nurses and caregivers how dangerous

05:33:02 - 05:33:05
it can be to speak out while the

05:33:05 - 05:33:07
disaster is still

05:33:07 - 05:33:11
unfolding coming too soon and speaking

05:33:11 - 05:33:14
up can destroy professional

05:33:14 - 05:33:17
Livelihoods and personal

05:33:17 - 05:33:20
relationships attack the mind

05:33:20 - 05:33:24
but without danger There is no

05:33:24 - 05:33:27
need for courage Which brings

05:33:27 - 05:33:30
us to the first criterion

05:33:30 - 05:33:33
Confess more courageously Yes but what

05:33:33 - 05:33:37
Actually It is simple that his first

05:33:37 - 05:33:40

take the creed It's close I believe in

05:33:40 - 05:33:44

God the father the Almighty the creator

05:33:44 - 05:33:46

of Heaven and Earth

05:33:47 - 05:33:51

Martin Luther writes about this in the

05:33:51 - 05:33:54

major catechism will shorten this a bit This

05:33:54 - 05:33:57

is what I mean and believe that I am

05:33:57 - 05:34:01

God's creature E He

05:34:01 - 05:34:04

has given me and sustains

05:34:04 - 05:34:07

me without seizing my

05:34:07 - 05:34:09

body my soul in my life

05:34:12 - 05:34:15

And he also guards and protects us from all evil and

05:34:15 - 05:34:18

misfortune averts danger and

05:34:18 - 05:34:21

accident of all kinds cares for

05:34:21 - 05:34:25

us that no harm shall

05:34:25 - 05:34:28

before us in the city of

05:34:28 - 05:34:31

growth to believe that do we believe

05:34:31 - 05:34:34

this Do We profess to be

05:34:34 - 05:34:38

God's beloved creatures to whom

05:34:38 - 05:34:41

he daily sustains bodies All in

05:34:41 - 05:34:44

life for example

05:34:44 - 05:34:47

with an immune system that we normally

05:34:47 - 05:34:51

only notice when it

05:34:52 - 05:34:54

really gets busy

05:35:02 - 05:35:05

The Moon's is team the giving

05:35:06 - 05:35:09

immune system and to

05:35:09 - 05:35:12

see the immune system or God to be not so important I think that is

05:35:12 - 05:35:14

a major mistake

05:35:18 - 05:35:21

We have been marking as in We also noticed it when it is no

05:35:21 - 05:35:23

longer doing its job

05:35:25 - 05:35:28

That's how it is not up to the human being to bring

05:35:28 - 05:35:32

this about by changing or

05:35:32 - 05:35:35

damaging the immune system

05:35:36 - 05:35:37

Definitely not

05:35:47 - 05:35:50

Mm have meant and let's have

05:35:50 - 05:35:53

presented disturbing research

05:35:53 - 05:35:56

results on this in recent

05:35:56 - 05:35:59

months so I don't need to add anything to that

05:35:59 - 05:36:03

My second point pray more

05:36:03 - 05:36:06

faithfully in nine in 15 20 Martin

05:36:06 - 05:36:10

Luther wrote Doubles the priesthood of all believers in his

05:36:10 - 05:36:12

book on the Freedom of a Christian

05:36:14 - 05:36:17

For to stand before God's eyes and

05:36:17 - 05:36:21

to ask is something that belongs

05:36:21 - 05:36:24

to No one But priests This is

05:36:24 - 05:36:27

precisely what Christ has acquired for us that

05:36:27 - 05:36:31

we all can spiritually stand

05:36:31 - 05:36:34

up for one another and ask just as

05:36:34 - 05:36:37

a priest but really stands up for the people and

05:36:37 - 05:36:41

asks praying for one

05:36:41 - 05:36:44

another would have been the alternative

05:36:44 - 05:36:47

To exclusion two divisions

05:36:47 - 05:36:50

to hostility by means of Corona

05:36:50 - 05:36:53

rules and defamation

05:36:59 - 05:37:03

When fights And if Mr someone wants

05:37:03 - 05:37:07

to say to me that prayer is useless I

05:37:07 - 05:37:10

would contradict them even if God should

05:37:10 - 05:37:14

not answer the prayers People would at

05:37:14 - 05:37:16

least not continue to sin

05:37:17 - 05:37:19

against each other during the time they

05:37:19 - 05:37:22

pray And at the

05:37:22 - 05:37:25

time at the same time

05:37:25 - 05:37:28

look into a mirror

05:37:28 - 05:37:31

outside our present earthly

05:37:31 - 05:37:33

being which is

05:37:34 - 05:37:37

possibly able to change perception

05:37:37 - 05:37:40

thinking and motivate action

05:37:45 - 05:37:46

Through a cloud

05:37:48 - 05:37:50

Believe more joyfully at Easter

05:37:50 - 05:37:54

2020 The Church doors remain

05:37:54 - 05:37:56

closed The pulpits deserted the organs

05:37:57 - 05:37:59

choirs and congregations Remain

05:37:59 - 05:38:02

silent for the feast

05:38:03 - 05:38:06

of the resurrection The Old Easter Laughter

05:38:06 - 05:38:09

died if it had really

05:38:09 - 05:38:13

been a great plague with many dead

05:38:13 - 05:38:17

we would rather and especially have

05:38:17 - 05:38:20

had to open the churches and make

05:38:20 - 05:38:24

the sermon of Pentecost of Apostle Paul

05:38:24 - 05:38:27

Heard for the comfort of the frightened

05:38:27 - 05:38:28

souls Peterson

05:38:38 - 05:38:40

Death puts the Apostle

05:38:40 - 05:38:43

Paul and that's what we can

05:38:43 - 05:38:47

read in acts 2 24

05:38:47 - 05:38:50

God raised up Jesus Christ and

05:38:50 - 05:38:53

dissolved the pains of

05:38:53 - 05:38:56

death as it was impossible for Christ to

05:38:56 - 05:38:59

be held fast by death

05:39:01 - 05:39:05

Because death could not hold Jesus

05:39:05 - 05:39:08

Christ we to do not need to

05:39:08 - 05:39:11

be held in permanently

05:39:11 - 05:39:14

stoked fear of death

05:39:22 - 05:39:25

That's why we have a dog Rather that

05:39:25 - 05:39:28

would have been something for Easter 2020

05:39:29 - 05:39:29

Right

05:39:35 - 05:39:38

Rather We can contemplate death from the

05:39:38 - 05:39:40

strength and freedom of

05:39:40 - 05:39:43

faith The spice to

05:39:43 - 05:39:45

this points us to the whispering

05:39:47 - 05:39:49

psalmist Who says him some 2020

05:39:49 - 05:39:52

1912 teachers

05:39:53 - 05:39:56

to consider that we must die that we may

05:39:56 - 05:39:58

become wise

05:39:59 - 05:40:03

and it opens the view to

05:40:03 - 05:40:06

another view of death And This

05:40:06 - 05:40:09

is again the Apostle Paul who writes in a letter

05:40:09 - 05:40:13

to the Philippians 1 21 crisis My life

05:40:13 - 05:40:16

and Dying is my gain

05:40:18 - 05:40:22

Hello Allow me to add a few thoughts

05:40:22 - 05:40:25

on Martin Luther's doctrine of justification

05:40:25 - 05:40:28

found in more detail in the Ox Berg Confession

05:40:28 - 05:40:31

article for by Faith and Grace

05:40:31 - 05:40:34

alone We are

05:40:34 - 05:40:36

saved Allow me

05:40:36 - 05:40:40

to Not only by

05:40:40 - 05:40:43

our actions

05:40:43 - 05:40:46

through purposeless external penitential exercises

05:40:46 - 05:40:49

without inner conviction through

05:40:49 - 05:40:52

lockdown in monasteries or even

05:40:52 - 05:40:56

through indulgence letters required for a lot of

05:40:56 - 05:40:59

money Nothing can be wrested

05:40:59 - 05:41:02

from God He and also his

05:41:02 - 05:41:05

salvation cannot be bored

05:41:07 - 05:41:09

This realization has

05:41:09 - 05:41:12

changed the Occident

05:41:14 - 05:41:17

For the for the very official robbers

05:41:17 - 05:41:20

who wanted to enrich themselves with the money of

05:41:20 - 05:41:22

the poor It was

05:41:22 - 05:41:25

a financial

05:41:25 - 05:41:28

disaster The Preservation

05:41:28 - 05:41:32

of the bones of Paul and Peter and the

05:41:32 - 05:41:35

really carry insane Peter's Basilica in

05:41:35 - 05:41:38

Rome where only the

05:41:38 - 05:41:41

propagandistic pretext This is why Luther

05:41:41 - 05:41:44

was also highly dangerous

05:41:44 - 05:41:47

politically for the others

05:41:47 - 05:41:51

became the path to freedom That is

05:41:51 - 05:41:54

why Luther was highly respected

05:41:54 - 05:41:57

This inner freedom must Be preserved

05:41:57 - 05:42:01

and defended Towards if

05:42:01 - 05:42:04

we do not do this result will be

05:42:04 - 05:42:07

renewed Bondage one can also

05:42:07 - 05:42:10

say See it with the words of Paul from the

05:42:10 - 05:42:13

Galatians 5:12 freedom

05:42:13 - 05:42:16

Christ has set us free stand

05:42:16 - 05:42:20

firm therefore and do not let the

05:42:20 - 05:42:23

yoke of bondage be put on

05:42:23 - 05:42:24

you Again

05:42:31 - 05:42:33

Unknown Now

05:42:34 - 05:42:37

let's try to relate this to our

05:42:37 - 05:42:41

situation Tests proof of recovery of

05:42:41 - 05:42:43

injections and there are nothing more

05:42:44 - 05:42:47

Then works on which it depends whether

05:42:47 - 05:42:50

someone can participate in life or is

05:42:50 - 05:42:53

consigned to the earthy hell

05:42:53 - 05:42:57

of exclusion If

05:42:57 - 05:42:58

I may put it that way

05:43:06 - 05:43:09

What's the item here for

05:43:10 - 05:43:13

an actor of 500 years after the Reformation

05:43:13 - 05:43:17

the old righteousness of works has crept back into our

05:43:17 - 05:43:20

lives and into the churches through

05:43:20 - 05:43:23

the back door and the pretense of health

05:43:23 - 05:43:26

bypassing the faith in order to rob us of our

05:43:26 - 05:43:29

freedom once again We must

05:43:29 - 05:43:32

remember the reformation traditions through the false

05:43:32 - 05:43:35

works righteousness Out on

05:43:35 - 05:43:38

edge Put it in a package

05:43:38 - 05:43:41

marked acceptance refused

05:43:41 - 05:43:44

and send it back to the health

05:43:44 - 05:43:47

Ministry Back to

05:43:47 - 05:43:48

center

05:43:53 - 05:43:56

And the leading Burning love

05:43:56 - 05:43:59

that is not done by his I know

05:43:59 - 05:44:03

resolution and banners on churches with the slogan

05:44:03 - 05:44:06

Vaccinations Charity I have read

05:44:06 - 05:44:09

autopsy reports that give no reason

05:44:09 - 05:44:13

whatsoever to follow this view

05:44:20 - 05:44:23

Their own down the way we treat each other has mutated into a

05:44:23 - 05:44:27

topsy turvy world We were supposed to

05:44:27 - 05:44:30

be persuaded that distances closeness

05:44:30 - 05:44:34

that not visiting someone is love that the

05:44:34 - 05:44:37

courts stay at home That was

05:44:37 - 05:44:40

followed by the €9 ticket etcetera

05:44:41 - 05:44:43

People were excluded

05:44:45 - 05:44:48

Mention what people were excluded

05:44:50 - 05:44:53

Isolated imprisoned incited driven into depression by

05:44:53 - 05:44:56

means of diverse inscrutable and

05:44:56 - 05:44:58

constantly changing rules

05:45:00 - 05:45:04

Masks in everyday life are not only

05:45:04 - 05:45:07

useless they are the organized

05:45:07 - 05:45:10

disruption of social behavior

05:45:20 - 05:45:23

She isn't find the theater is

05:45:23 - 05:45:26

into the finally

05:45:27 - 05:45:31

clung dozed withdrawal of love especially

05:45:31 - 05:45:33

series for childhood development

05:45:38 - 05:45:41

Busy again in the previously valid principles have

05:45:41 - 05:45:44

been and continue to be violated in recent

05:45:44 - 05:45:47

months one deliberately works in

05:45:47 - 05:45:50

contradiction to previously valid rules

05:45:50 - 05:45:53

Decisions are to be demonstrable E and

05:45:53 - 05:45:55

publicly based on

05:45:55 - 05:45:58

systematic medical experience and

05:45:58 - 05:46:01

research The concept The principle

05:46:01 - 05:46:04

of proportionality has been

05:46:04 - 05:46:07

disregarded Any

05:46:07 - 05:46:10

scientific truthfulness has been

05:46:10 - 05:46:13

sacrificed to business and an errant

05:46:14 - 05:46:17

ideology This behavior has two

05:46:17 - 05:46:19

potential too deeply shaken

05:46:19 - 05:46:22

confidence in medicine business

05:46:22 - 05:46:24

and politics

05:46:25 - 05:46:28

and the churches have to know that

05:46:28 - 05:46:32

what point They want to be

05:46:32 - 05:46:34

and which side they want to stand on

05:46:39 - 05:46:42

When The next the neighbor is no longer to

05:46:42 - 05:46:45

be regarded as a creature created by God and his

05:46:45 - 05:46:48

image and therefore worthy of love and

05:46:48 - 05:46:52

honor But is

05:46:52 - 05:46:55

reinterpreted as a potential danger

05:46:56 - 05:46:59

to life everyone may consider for

05:46:59 - 05:47:02

themselves from whom such ungodly

05:47:02 - 05:47:05

thoughts may have sprung

05:47:11 - 05:47:14

What would it have meant for the guilt of the

05:47:14 - 05:47:18

society if churches and Christians

05:47:18 - 05:47:21

had resisted the temptation to conform

05:47:22 - 05:47:25

instead consistently followed the

05:47:25 - 05:47:28

insights of our guilty

05:47:28 - 05:47:30

ancestors using these

05:47:30 - 05:47:32

four criteria

05:47:35 - 05:47:39

Our ancestors and whose succession we

05:47:39 - 05:47:42

know stand undertook and

05:47:42 - 05:47:45

committed themselves after World War two to make a

05:47:45 - 05:47:48

change in the stood Guard Declaration of

05:47:48 - 05:47:52

guilt we read founded on

05:47:52 - 05:47:55

the holy Scriptures with all seriousness

05:47:55 - 05:47:57

directed towards the soul lord of the

05:47:57 - 05:48:01

church they said about

05:48:01 - 05:48:04

purifying themselves from influences alien to the

05:48:04 - 05:48:07

faith And ordering

05:48:07 - 05:48:10

themselves We helped to the god of

05:48:10 - 05:48:13

grace and mercy that he will

05:48:13 - 05:48:16

use our churches as his

05:48:16 - 05:48:19

instruments and give them authority to proclaim

05:48:19 - 05:48:23

his word and to create obedience

05:48:23 - 05:48:26

to his will in ourselves and in all

05:48:26 - 05:48:30

our people The City This is the end of

05:48:30 - 05:48:31

the quote

05:48:33 - 05:48:34

Russia

05:48:36 - 05:48:39

for the church

05:48:39 - 05:48:42

Also medicine and nursing indeed for all professions

05:48:42 - 05:48:46

for living together in general this means to purify to free

05:48:46 - 05:48:48

oneself from foreign influences above all from

05:48:48 - 05:48:52

financial power political ideological constraints and

05:48:52 - 05:48:55

interests I understand the Nuremberg code as a

05:48:55 - 05:48:58

conquered ization of this For

05:48:58 - 05:49:01

a specific area in

05:49:01 - 05:49:03

the Oxford confession of 15

05:49:03 - 05:49:07

31 of the most important

05:49:07 - 05:49:10

confessional writings article 16 states to

05:49:10 - 05:49:13

following Therefore Christians owe

05:49:13 - 05:49:17

it to the subject to be subject to the authorities and

05:49:17 - 05:49:20

obedient to their commandments

05:49:20 - 05:49:23

and laws in everything that can be done

05:49:23 - 05:49:26

without sin

05:49:27 - 05:49:30

But if the commandment of the

05:49:30 - 05:49:33

authorities cannot be obeyed without sin

05:49:33 - 05:49:36

God is to be obeyed

05:49:36 - 05:49:37

more than men

05:49:42 - 05:49:46

One of our tasks is to check concretely

05:49:46 - 05:49:49

whether we are serving sin with

05:49:49 - 05:49:52

our actions This is especially true

05:49:53 - 05:49:56

even if an authority should legitimize it

05:49:56 - 05:49:58

or call for it

05:49:59 - 05:50:02

It was not without reason that the reformers

05:50:02 - 05:50:06

together with the process isn't Princess put

05:50:06 - 05:50:09

this idea on paper at the time and

05:50:09 - 05:50:12

presented it to the Emperor This

05:50:12 - 05:50:15

examination is not a duty of the

05:50:15 - 05:50:18

authorities I e the government alone but the

05:50:18 - 05:50:22

duty of every question e Our

05:50:22 - 05:50:24

civic duty and our duty of

05:50:24 - 05:50:27

faith It is that even part of the free

05:50:27 - 05:50:31

exercise of religion This is also

05:50:31 - 05:50:34

why we have a right To The disclosure of

05:50:34 - 05:50:37

all medical research

05:50:37 - 05:50:39

records conscience

05:50:46 - 05:50:46

Let's get this

05:50:49 - 05:50:50

bottom

05:50:51 - 05:50:55

conscience and the resulting responsibility of each individual cannot be

05:50:55 - 05:50:58

delegated on this special day I would like to

05:50:58 - 05:51:01

thank all those who have taken on this

05:51:01 - 05:51:05

task without regard

05:51:06 - 05:51:08

who have been doing Research

05:51:08 - 05:51:10

even

05:51:12 - 05:51:15

at the risk of dangerous that cannot be

05:51:15 - 05:51:17

calculated anymore So please

05:51:18 - 05:51:21

stay with your confidence

05:51:21 - 05:51:24

and do not earn That is the task

05:51:24 - 05:51:26

of the church

05:51:40 - 05:51:43

Even for two years now

05:51:44 - 05:51:47

fear of a shortened life of death has been stirred up in

05:51:47 - 05:51:50

our country and not only here

05:51:51 - 05:51:54

In the meantime other fears have been

05:51:54 - 05:51:57

added fears about possessions about

05:51:57 - 05:51:59

food and heating about individual and

05:51:59 - 05:52:03

social identity about

05:52:03 - 05:52:07

freedom and confidence We can

05:52:07 - 05:52:10

may and should resist refuse

05:52:10 - 05:52:13

And protect against this out of

05:52:13 - 05:52:16

faith That's Who in this

05:52:16 - 05:52:19

regard I would like to give you at the end of a

05:52:19 - 05:52:23

word from siestas from Salamone

05:52:23 - 05:52:27

Then vanish Which shoes

05:52:27 - 05:52:30

E is that you can gain from

05:52:30 - 05:52:32

faith This

05:52:32 - 05:52:36

is Chapter five now

05:52:36 - 05:52:39

Therefore I have seen this This is good and found to

05:52:39 - 05:52:42

eat and drink and to be of good

05:52:42 - 05:52:45

cheer in all the labor which a

05:52:45 - 05:52:48

man make if Under the sun in the

05:52:48 - 05:52:51

short time of his life which God gives

05:52:51 - 05:52:54

him for that is his portion

05:52:55 - 05:52:58

for God gives them enriches and goods

05:52:58 - 05:53:02

and makes him eat and drink of them and take

05:53:02 - 05:53:04

his share and be marry in his

05:53:04 - 05:53:07

labor It is the

05:53:07 - 05:53:10

gift of God for he

05:53:11 - 05:53:14

does not think much of the brevity of his life

05:53:14 - 05:53:17

because God delights This hard

05:53:18 - 05:53:21

Indecent with this in mind I Wish

05:53:21 - 05:53:24

you a fresh fresh courage Don't

05:53:24 - 05:53:28

let anyone talk down to you or even take away the

05:53:28 - 05:53:31

gifts of God trust and

05:53:31 - 05:53:34

remain faithful to the God given and

05:53:34 - 05:53:37

God ordained life

05:53:38 - 05:53:41

in all facets I wish you got Blessings

05:53:57 - 05:53:57

Specific

05:54:00 - 05:54:01

Yes

05:54:04 - 05:54:04

sure

05:54:06 - 05:54:09

Epidemics twisted justice

05:54:12 - 05:54:13

Um yeah

05:54:15 - 05:54:17

Because it's for deposit and ended

05:54:18 - 05:54:19

Commitment

05:54:21 - 05:54:25

Okay Yeah the Communist We are now

05:54:25 - 05:54:28

moving after having heard the words

05:54:28 - 05:54:31

of Martin Michelle's to our

05:54:31 - 05:54:34

last speech of the day which is

05:54:34 - 05:54:38

again very important I know I say that for everyone but

05:54:38 - 05:54:40

it's actually true too

05:54:41 - 05:54:44

Even from this year The principle of not doing

05:54:44 - 05:54:47

damage not inflicting injury

05:54:48 - 05:54:51

is a very important principle based on the

05:54:51 - 05:54:55

Hippocratic oath and in Germany you may

05:54:55 - 05:54:58

have heard that there is a

05:54:58 - 05:55:01

coalition of hundreds of doctors are pretty new

05:55:01 - 05:55:03

one and they all want

05:55:04 - 05:55:06

To have ethics reestablished in

05:55:06 - 05:55:09

medicine And I say yes

05:55:10 - 05:55:13

that is a fantastic idea of absolutely

05:55:15 - 05:55:18

namely not To

05:55:20 - 05:55:24

damage that is not to inflict

05:55:24 - 05:55:27

injury that is the core of the Hippocratic

05:55:27 - 05:55:30

oath and the association

05:55:30 - 05:55:32

It's also

05:55:34 - 05:55:38

talking to all the doctors skills and

05:55:38 - 05:55:40

associations That they

05:55:40 - 05:55:42

actually

05:55:43 - 05:55:45

heed the

05:55:47 - 05:55:50

independent studies that they understand a new

05:55:50 - 05:55:53

medicine of the future including holistic

05:55:53 - 05:55:56

approaches and of course it presents

05:55:57 - 05:55:59

the highest respect for the principle of self

05:55:59 - 05:56:03

determination All right We have somebody

05:56:03 - 05:56:06

here who can say that much better in a very

05:56:06 - 05:56:09

authentic manner This is one of

05:56:09 - 05:56:12

the For banded

05:56:12 - 05:56:14

founders of the

05:56:14 - 05:56:18

Hippocratic Oath Professional

05:56:18 - 05:56:21

Association Dr Sonja writes from Hamburg

05:56:21 - 05:56:23

Welcome

05:56:30 - 05:56:33

Armed evening friends I say good evening

05:56:33 - 05:56:37

because it's been a very long day

05:56:37 - 05:56:40

and there are quite a few people

05:56:40 - 05:56:44

who have left us already But I'm very happy that many of you have

05:56:44 - 05:56:47

still stayed behind him greeting all of

05:56:47 - 05:56:50

those that join us on an international level

05:56:51 - 05:56:54

Attending trucks for about the professional

05:56:54 - 05:56:58

association Hypocritical

05:56:58 - 05:57:01

oath Um So I

05:57:01 - 05:57:04

just made a mistake Of course it was not the

05:57:04 - 05:57:07

association to protect the patients but it's called the

05:57:07 - 05:57:10

Professional Association of the hypocritical oath is in

05:57:10 - 05:57:13

fact championing The

05:57:13 - 05:57:17

protection off the patients we needed to

05:57:17 - 05:57:20

found that because everything that we learned at

05:57:20 - 05:57:23

university when it comes to ethics

05:57:23 - 05:57:26

science guidelines

05:57:26 - 05:57:29

safety and also

05:57:29 - 05:57:32

guidelines on studies have

05:57:32 - 05:57:36

been disregarded and

05:57:36 - 05:57:39

everybody whoever speaks out against it is being

05:57:39 - 05:57:42

persecuted This is a

05:57:42 - 05:57:45

situation which we cannot accept any

05:57:45 - 05:57:48

longer and against which we need to

05:57:48 - 05:57:52

protest hundreds of doctors maybe

05:57:52 - 05:57:55

thousands or tens of thousands of doctors

05:57:55 - 05:57:59

who I agree with that in their hearts that

05:57:59 - 05:58:01

this cannot continue like that

05:58:08 - 05:58:09

Shaba and

05:58:11 - 05:58:14

house foolish I have prepared a very

05:58:14 - 05:58:17

long speech How All of

05:58:17 - 05:58:20

this came about and I

05:58:20 - 05:58:23

could just shorten it which I

05:58:23 - 05:58:25

will and you would appreciate that

05:58:25 - 05:58:28

because those who spoke before me

05:58:29 - 05:58:32

said most of The

05:58:32 - 05:58:35

important parts I don't want to repeat that I will just

05:58:35 - 05:58:38

give you some of the key words

05:58:39 - 05:58:42

that we left any kind of good

05:58:42 - 05:58:45

practice that now there are vaccines on the

05:58:45 - 05:58:49

market that have only been tested for about six

05:58:49 - 05:58:52

weeks instead of eight years or 12 years the way it

05:58:52 - 05:58:53

is supposed to be

05:58:55 - 05:58:56

It does

05:58:59 - 05:59:02

That's one for influence breast that they speak of

05:59:02 - 05:59:05

vaccinations even though there are no vaccinations

05:59:05 - 05:59:08

because any kind of external protection is

05:59:08 - 05:59:12

missing and people are not

05:59:12 - 05:59:15

protected Jens test

05:59:15 - 05:59:18

catching the disease as

05:59:18 - 05:59:21

they were promised So This is a

05:59:21 - 05:59:24

fraud continuous fraud

05:59:24 - 05:59:27

that the those who govern us

05:59:30 - 05:59:33

commit on their own people They say that

05:59:33 - 05:59:36

this is a life threatening life

05:59:36 - 05:59:40

threatening disease were any

05:59:40 - 05:59:42

means is

05:59:42 - 05:59:45

permitted even isolating all

05:59:45 - 05:59:49

people Um by cutting off

05:59:49 - 05:59:52

chances to education

05:59:52 - 05:59:55

and like I said this was lying to the

05:59:55 - 05:59:58

people This was being a

05:59:58 - 06:00:00

fraud on the people I'll just give you one

06:00:01 - 06:00:04

example that I would like to take apart

06:00:04 - 06:00:07

back in July of

06:00:07 - 06:00:10

2021 C D C in

06:00:10 - 06:00:13

America in a study pointed

06:00:13 - 06:00:15

out that the vaccinated

06:00:16 - 06:00:19

can Yesterday's he's just as much as those who have not been

06:00:19 - 06:00:22

vaccinated And even before that

06:00:22 - 06:00:25

Ah in the documents of Pfizer and Moderna and

06:00:25 - 06:00:29

others the and that there is no

06:00:29 - 06:00:32

such thing as a sterile immunity

06:00:32 - 06:00:34

because of that so called

06:00:36 - 06:00:39

Vaccination and therefore also the expansion of the

06:00:39 - 06:00:42

pandemic cannot be stopped But

06:00:42 - 06:00:45

with that argument to stop the

06:00:45 - 06:00:48

pandemic it was given to the people as if it were

06:00:48 - 06:00:51

sugar thousands in August of

06:00:51 - 06:00:53

2021 Israel

06:00:55 - 06:00:58

had carried out

06:00:58 - 06:01:01

studies with 2.5 million

06:01:01 - 06:01:04

people They're not 25 people but

06:01:04 - 06:01:07

2.5 million people that those

06:01:08 - 06:01:12

who were vaccinated also passed on the

06:01:12 - 06:01:14

disease just like the others But our

06:01:14 - 06:01:17

government in August

06:01:18 - 06:01:21

Um absolute

06:01:21 - 06:01:24

discrimination game Our

06:01:24 - 06:01:27

government Then consider the

06:01:27 - 06:01:30

unjustly imposed discriminatory Two G and three G

06:01:30 - 06:01:34

measured on the unvaccinated Ah

06:01:34 - 06:01:36

and they used the mass

06:01:36 - 06:01:39

media and very

06:01:40 - 06:01:42

unjustified form giving

06:01:43 - 06:01:46

uh blaming those who are not

06:01:46 - 06:01:49

vaccinated being the ones who cost the pandemic Even they

06:01:49 - 06:01:52

even though they knew that that was not the case

06:01:57 - 06:01:59

These are must even file Charles song

06:01:59 - 06:02:03

and these massive

06:02:03 - 06:02:06

parts of false information to coerce the

06:02:06 - 06:02:10

population into doing something they didn't

06:02:10 - 06:02:13

want Uh and whatever they suggested

06:02:13 - 06:02:16

was not tested and could be considered

06:02:16 - 06:02:19

save It was a fraud on the

06:02:19 - 06:02:23

population with many thousands of people who died

06:02:24 - 06:02:28

And I am directly concerned

06:02:28 - 06:02:29

here

06:02:30 - 06:02:33

Friend called me who's also

06:02:33 - 06:02:37

doctor She has a very large office she

06:02:37 - 06:02:40

said 15 people died within a

06:02:40 - 06:02:43

week after their second vaccination

06:02:44 - 06:02:46

I myself have a smaller

06:02:47 - 06:02:50

Doctor's office and I couldn't confirm that

06:02:50 - 06:02:53

But There was a friend of mine in the room He said Yeah My mother

06:02:53 - 06:02:56

told me the same She's a caregiver

06:02:56 - 06:02:59

and she saw the same in Hamburg 12

06:02:59 - 06:03:02

people passed away

06:03:03 - 06:03:06

within a week of the second vaccination

06:03:06 - 06:03:09

in institutions where you normally have

06:03:09 - 06:03:13

maybe one or two people dying but not 15 at the same time

06:03:13 - 06:03:16

and that's a story that I heard

06:03:16 - 06:03:20

from Quite a few caregivers time and again

06:03:20 - 06:03:23

And they told me that their colleagues shortly

06:03:23 - 06:03:26

after the vaccination rolled over dead

06:03:27 - 06:03:28

and

06:03:29 - 06:03:33

said that should be visible in the large

06:03:33 - 06:03:36

numbers and then you can see it and even

06:03:36 - 06:03:39

though it was the words pandemic

06:03:39 - 06:03:43

ever 2020 we didn't have any

06:03:43 - 06:03:46

motel till the rate that was higher than normal Okay

06:03:46 - 06:03:49

There was a wave back in Ah

06:03:49 - 06:03:53

December but there was not access But Also

06:03:53 - 06:03:55

when you have Ah

06:03:56 - 06:03:59

influenza there with no regular flu You

06:03:59 - 06:04:02

also have these excess values We

06:04:02 - 06:04:05

had 72,000

06:04:05 - 06:04:08

cases of death that were unexpected which

06:04:08 - 06:04:12

in most cases were Her caused

06:04:12 - 06:04:15

by the vaccination because only a

06:04:15 - 06:04:17

smaller part could actually be

06:04:17 - 06:04:21

related to the infection itself

06:04:21 - 06:04:24

We know that not many of the things that were

06:04:24 - 06:04:28

turned out not to be the way they were portrayed earlier

06:04:28 - 06:04:31

because many insecurities with the PC artists

06:04:31 - 06:04:35

And also the definition of what is the cover death And What is

06:04:35 - 06:04:38

not so I will now speak of the

06:04:38 - 06:04:41

demands we have seen as

06:04:41 - 06:04:44

physicians that the federal government

06:04:45 - 06:04:48

even before um

06:04:48 - 06:04:51

accepting the vaccinations in

06:04:51 - 06:04:54

their reports have changed many

06:04:54 - 06:04:57

chapters many articles of the now

06:04:57 - 06:04:59

We have substances

06:05:00 - 06:05:04

in the market of the purity

06:05:04 - 06:05:07

of which cannot be corroborated

06:05:07 - 06:05:10

in the vials so

06:05:10 - 06:05:13

the best before dates were

06:05:13 - 06:05:16

exceeded and any

06:05:16 - 06:05:19

kind any kind of safety

06:05:19 - 06:05:22

measure to make sure that

06:05:22 - 06:05:26

it would not contain any substances that would be harmful

06:05:26 - 06:05:29

or Toxic were not adhered

06:05:29 - 06:05:32

to And on top of all

06:05:32 - 06:05:35

that the government made

06:05:35 - 06:05:37

contracts with the

06:05:37 - 06:05:40

manufacturers Um Mm

06:05:40 - 06:05:44

bend in our pre empting them from any kind

06:05:44 - 06:05:47

of product liability I thought they were

06:05:47 - 06:05:50

exonerated upfront even though they

06:05:50 - 06:05:53

had substances in there that shouldn't be in there

06:05:54 - 06:05:56

and on top of it they made sure that the poll early

06:05:56 - 06:05:59

institute which normally

06:05:59 - 06:06:03

supervisors our vaccines didn't have

06:06:03 - 06:06:06

nothing didn't have anything to do with it But they did it on the European

06:06:06 - 06:06:08

level and the lemma

06:06:08 - 06:06:11

basically Ah

06:06:11 - 06:06:15

accepted these vaccines for Europe as well as the

06:06:15 - 06:06:18

FDA did for the United states and they

06:06:18 - 06:06:21

knew that things were not done correctly because

06:06:21 - 06:06:25

normal scientific criteria for

06:06:25 - 06:06:28

the acceptance of the FDA and the

06:06:28 - 06:06:31

lemma um depending

06:06:31 - 06:06:34

on the analysis independent research teams were not adhered

06:06:34 - 06:06:37

to all of that

06:06:38 - 06:06:41

on tired cannot e Hold

06:06:42 - 06:06:45

our K II Paul Ehrlich Institute

06:06:45 - 06:06:48

Or Minister of health They must have noticed

06:06:48 - 06:06:50

that he who is so well

06:06:50 - 06:06:54

trained I

06:06:54 - 06:06:57

would love to have a bit more time for that Let me

06:06:57 - 06:06:59

Let me hear that again

06:07:06 - 06:07:09

Hama and as it was we have a situation now

06:07:09 - 06:07:11

where the

06:07:12 - 06:07:15

pharmaceutical industry and the milliner

06:07:15 - 06:07:18

Bill Gates Foundations

06:07:18 - 06:07:21

sponsors the medium and

06:07:23 - 06:07:27

very leading newspapers

06:07:27 - 06:07:30

are being promoted so to

06:07:30 - 06:07:33

speak by the bill and Melinda Gates

06:07:33 - 06:07:35

Foundation and this endowment

06:07:36 - 06:07:39

has Given my

06:07:39 - 06:07:42

280 once €500 million

06:07:42 - 06:07:46

to the Arky Arky I won

06:07:46 - 06:07:48

was in 2019 and the other one was in

06:07:48 - 06:07:50

2021 It was

06:07:50 - 06:07:54

just just before our well

06:07:54 - 06:07:57

trained Minister of health Ah

06:07:58 - 06:08:01

he then extended Don't

06:08:01 - 06:08:04

laugh That's not right They will

06:08:06 - 06:08:09

they will be able to detect you like that So from six

06:08:09 - 06:08:13

months it was down to three months so we know that in medicine you

06:08:13 - 06:08:16

we follow Of course The dictator of Ministers of

06:08:16 - 06:08:19

health So I mean we're going

06:08:19 - 06:08:22

time gravity just the same way We'll ask

06:08:22 - 06:08:26

Mr Lauterbach Health Minister do

06:08:26 - 06:08:30

specify that gravity doesn't exist and

06:08:30 - 06:08:33

then to carry out the respective clinical tried

06:08:34 - 06:08:37

In a day l y fashion So Let me just

06:08:37 - 06:08:40

repeat Hmm There has been a

06:08:40 - 06:08:44

massive infringement interference on the

06:08:44 - 06:08:47

part of the government They want to make sure

06:08:47 - 06:08:50

that we have massive amounts of

06:08:50 - 06:08:53

vaccines sold in Germany

06:08:53 - 06:08:57

or Europe And in this context I'm not

06:08:57 - 06:08:59

airing any Secrets

06:08:59 - 06:09:03

If I point out that in the past

06:09:03 - 06:09:06

Carlotta bark Uh It was in bed with

06:09:06 - 06:09:10

various pharmaceutical companies and Jens Spahn

06:09:10 - 06:09:13

also has a strong CV with regard to

06:09:13 - 06:09:15

pharmaceutical companies and their

06:09:15 - 06:09:17

underlying um

06:09:18 - 06:09:21

husband is very closely associated with the

06:09:21 - 06:09:24

pharmaceutical industry within the meaning of lobbyists um

06:09:24 - 06:09:27

so that it means also Brussels is

06:09:27 - 06:09:30

affected So without having read

06:09:30 - 06:09:33

him We need to

06:09:33 - 06:09:36

um cut out

06:09:36 - 06:09:38

this two more

06:09:39 - 06:09:41

Which is full of pus

06:09:42 - 06:09:45

and in order to do this we need to pull out

06:09:45 - 06:09:48

resources We need to become active and we need

06:09:48 - 06:09:51

to lobby is um as a

06:09:51 - 06:09:55

key root cause of this pandemic and this

06:09:55 - 06:09:59

micromanagement of vaccinations so we need to

06:09:59 - 06:10:02

name and shame lobby is um we need to

06:10:02 - 06:10:05

healthcare sector that is in the service of human

06:10:05 - 06:10:08

beings and this is in line with Hippocratic

06:10:08 - 06:10:11

oath This is in line with The roots of the

06:10:11 - 06:10:15

Nuremberg code And this is also in line

06:10:15 - 06:10:18

with common sense of people with the moral compass so the

06:10:18 - 06:10:21

public service needs to serve human beings and it

06:10:21 - 06:10:24

shouldn't serve consumerism or saves

06:10:24 - 06:10:25

figures

06:10:27 - 06:10:30

It's most on diesel At This point I would

06:10:30 - 06:10:34

like to go off on a brief tangent Let's

06:10:34 - 06:10:36

talk about the root causes for a minute

06:10:36 - 06:10:40

because if you wanna be the healthcare

06:10:40 - 06:10:43

sector in the long term your need to have a look at the

06:10:43 - 06:10:46

root causes profit The greed for

06:10:46 - 06:10:49

profit is an important root causes Second route

06:10:49 - 06:10:53

course is the presumption of the gain of

06:10:53 - 06:10:56

function Research and the abuse of power The

06:10:56 - 06:10:59

scope for Abuse of power inherent there in

06:10:59 - 06:11:03

And as a matter of fact

06:11:04 - 06:11:07

Lavilla justice we need to accept as

06:11:07 - 06:11:10

proven that The virus

06:11:10 - 06:11:13

escaped from the gain of function labs in Wuhan

06:11:14 - 06:11:17

and maybe it wasn't even an accident which

06:11:17 - 06:11:20

released it And if Gates

06:11:20 - 06:11:23

stands up and even threaten almost

06:11:23 - 06:11:26

threatens us and says this

06:11:26 - 06:11:29

pandemic wasn't the worst It's going to get worse than the

06:11:29 - 06:11:32

first thing that do you think about is you know crimes

06:11:32 - 06:11:35

against humanity is Perpetrated by

06:11:35 - 06:11:38

multinational corporations of personnel or

06:11:38 - 06:11:42

individuals who apparently that immune against

06:11:42 - 06:11:45

political prosecution that they do not shy away from

06:11:45 - 06:11:46

pronouncing this publicly

06:11:50 - 06:11:52

In this context I would like to

06:11:52 - 06:11:55

briefly Ha

06:11:55 - 06:11:58

highlight our requests on this matter

06:11:59 - 06:12:01

First we need a minister for

06:12:01 - 06:12:05

health that is free from

06:12:05 - 06:12:08

any lobby interests lobby

06:12:08 - 06:12:11

is um interests and that doesn't have a

06:12:11 - 06:12:14

pharmaceutical background or farming industry

06:12:14 - 06:12:17

background We need to research

06:12:17 - 06:12:21

and that is subject to independent country

06:12:21 - 06:12:24

checks and balances in order to make sure

06:12:24 - 06:12:27

that clinical trials aren't just done for the

06:12:27 - 06:12:30

sake of profit We want agree gain

06:12:30 - 06:12:33

signs based on objective truths and

06:12:33 - 06:12:37

this is what we direly need We

06:12:37 - 06:12:39

need an evidence based

06:12:39 - 06:12:42

medicine That incorporates

06:12:42 - 06:12:46

both University knowledge and

06:12:46 - 06:12:49

practical knowledge of GPS who

06:12:49 - 06:12:52

take care of patients for many years and accepts it and

06:12:52 - 06:12:55

respect it And we also the same goes for

06:12:55 - 06:12:59

informed patient consent so in formation is

06:12:59 - 06:13:02

really important Um

06:13:02 - 06:13:05

so I should never assume where you

06:13:05 - 06:13:09

need to know what you want That's an absolute unfair statement

06:13:09 - 06:13:12

on the towards patients I know how

06:13:12 - 06:13:14

complicated things are and therefore Should

06:13:14 - 06:13:18

not Speaking that way to patients I would

06:13:18 - 06:13:21

like to draw your attention to what be able to

06:13:21 - 06:13:23

Barna said So I mean

06:13:23 - 06:13:27

even non information is

06:13:27 - 06:13:30

the culpable offense And

06:13:30 - 06:13:34

if you want to become committed if you're not

06:13:34 - 06:13:37

a physician yourself you can become a member of the jump

06:13:37 - 06:13:38

patient

06:13:57 - 06:13:59

Remarks famous last words

06:14:01 - 06:14:04

Thank you My colleague is on your rights Thank you Sonya

06:14:04 - 06:14:07

writes very dear colleague from

06:14:07 - 06:14:10

Hamburg and she

06:14:10 - 06:14:13

also founded the new Professional Association of

06:14:13 - 06:14:17

Physicians for Hippocratic Oath and please beat

06:14:17 - 06:14:20

the drum as inviting as many colleagues to

06:14:20 - 06:14:23

join us And It's worthwhile to

06:14:23 - 06:14:26

become involved here We need numbers in order to make a

06:14:26 - 06:14:30

difference So time is almost up

06:14:30 - 06:14:33

Thank you very much Sonia for the introduction would also like to

06:14:33 - 06:14:36

thank all the other speakers whom we are going to

06:14:37 - 06:14:40

06:14:40 - 06:14:43

this point I would like to stress as special gratitude to the

06:14:43 - 06:14:46

press Ah um for joining us

06:14:47 - 06:14:49

On this festival Can We call it first of all

06:14:49 - 06:14:53

commemoration of the normal code who add this

06:14:53 - 06:14:56

all over the word and I do hope that also

06:14:56 - 06:14:59

the mainstream press fields of Blige's

06:14:59 - 06:15:02

to cover this and you

06:15:02 - 06:15:06

know and that we won't be

06:15:06 - 06:15:09

presented as people who belittle the Holocaust

06:15:09 - 06:15:11

because this is not in the least our

06:15:11 - 06:15:14

intention and I would also like to

06:15:14 - 06:15:18

express my gratitude to all of you Who Stayed

06:15:18 - 06:15:21

on and you know persevered I

06:15:21 - 06:15:24

would like to express my gratitude to the organizer of my Dear

06:15:24 - 06:15:26

Colleague vote available from Hamburg

06:15:28 - 06:15:31

And doctors uh fear

06:15:31 - 06:15:34

of clearing doctors for informed patient consent

06:15:34 - 06:15:37

Sabine Ahem holds from ZDF

06:15:37 - 06:15:41

Health Care magazine Maybe You can still remember her She

06:15:41 - 06:15:44

used work on public broadcasting TV in

06:15:44 - 06:15:46

Germany and we shouldn't always say this

06:15:46 - 06:15:49

openly but I mean she didn't

06:15:49 - 06:15:52

excellent job facilitating this event throughout the

06:15:52 - 06:15:56

day I would like to ask or the other participants

06:15:56 - 06:15:59

to join us here on stage the various of the speaker

06:16:32 - 06:16:35

06:16:35 - 06:16:39

06:16:39 - 06:16:42

group of people of course it how it

06:16:45 - 06:16:48

06:16:48 - 06:16:52

06:16:52 - 06:16:55

Be missing here a lot up front and Anna

06:18:12 - 06:18:14

Please join us Anna

06:18:17 - 06:18:20

Not before the music closed before we listen to the

06:18:20 - 06:18:23

music I would also like to stress massive

06:18:23 - 06:18:26

thanks to Anna and I always made sure we

06:18:26 - 06:18:30

don't We came on stage on time and I would

06:18:30 - 06:18:33

also like to express my gratitude to

06:18:33 - 06:18:37

you and my special Thank You goes

06:18:37 - 06:18:40

out who brought this whole show together

06:18:40 - 06:18:43

So Let's have a massive hand for bannock

06:18:52 - 06:18:55

Jesus Manche I Suppose this is a team

06:18:55 - 06:18:58

work so I'm just one of many

06:18:58 - 06:19:01

I did a lot of work but I would never have been

06:19:01 - 06:19:04

able to do this alone and we won't be able to do this

06:19:04 - 06:19:07

alone either without working as a team

06:19:08 - 06:19:11

So Let's give us and everyone

06:19:11 - 06:19:14

across the globe of big hand Thanks

06:19:14 - 06:19:17

for making this happen here

06:19:18 - 06:19:21

Wonderful person here and he

06:19:21 - 06:19:24

didn't speak today or they didn't

06:19:24 - 06:19:28

deliver and addressed today but he pulled the knowledge and I asked

06:19:28 - 06:19:31

You want to join us upfront Sandra's Aniston

06:19:31 - 06:19:35

became famous because he was kicked out of university and Siegen

06:19:35 - 06:19:38

and now he brought together an evidence based paper

06:19:38 - 06:19:42

which will help us all of us was so the

06:19:42 - 06:19:45

physicians to instill a bit of operation To it when it comes

06:19:45 - 06:19:47

to vaccinations

06:19:49 - 06:19:49

Yeah

06:19:53 - 06:19:56

completely you know taken by surprise

06:19:56 - 06:19:59

So I've got nothing up the cuff here As you can

06:19:59 - 06:20:02

see um

06:20:02 - 06:20:05

But let me improvise I think this was a

06:20:05 - 06:20:09

memorable day so we didn't plan this

06:20:09 - 06:20:12

but our evidence based summary concerning the

06:20:12 - 06:20:14

vaccination came out just in

06:20:14 - 06:20:18

time And This Synopsis

06:20:18 - 06:20:20

goes to show that these

06:20:20 - 06:20:22

vaccinations tend to

06:20:22 - 06:20:23

be

06:20:25 - 06:20:27

completely experimental For more

06:20:27 - 06:20:31

people almost people and of

06:20:31 - 06:20:34

course that is reminiscent of the

06:20:34 - 06:20:37

atrocities that were that happened more than

06:20:37 - 06:20:40

75 years ago and that we're here to

06:20:40 - 06:20:43

commemorate Today I want

06:20:43 - 06:20:46

this to never ever happen again

06:20:47 - 06:20:50

Want to make sure that medicine always serves the

06:20:50 - 06:20:53

patient benefit and And

06:20:53 - 06:20:57

never as an experiment or

06:20:57 - 06:21:00

to the detriment of patients and the benefit

06:21:00 - 06:21:04

of these vaccinations tends

06:21:04 - 06:21:07

to be Virtually no for most of

06:21:07 - 06:21:10

us and the risks are you know

06:21:10 - 06:21:13

difficult to gauge And For This reason we object to

06:21:13 - 06:21:16

this vaccination and whipper specifically

06:21:16 - 06:21:19

object to any coercion

06:21:20 - 06:21:23

or forced vaccination Thank you

06:21:23 - 06:21:26

for joining us Thank you Andreas Cancer

06:21:27 - 06:21:29

I would like to thank somebody else

06:21:31 - 06:21:35

Maria Mark Ah very dear

06:21:35 - 06:21:38

06:21:48 - 06:21:50

06:21:50 - 06:21:54

growing Thank you for joining us and

06:21:54 - 06:21:57
